**The God of Universe** Ted Jec.,2013-08-05 It took me many years to understand better the world we live in I experienced that the Universe has its way for existence When you follow it you can flow with it not against it and that is the way Living among people who fight against the Universe brings you against the current of the Universe The history shows that those who understood the wisdom of Universe got in trouble as the code of Universe is inconvenient to some These days seat belt laws and other bogus laws are exploiting you every day under Slogan of safety and public service The greed brings legal harassment exploitation and Corruption to you making money by corrupted police local courts and governments You are being rubbed by those who should help you You are in neo slavery Good reality perception allows you to say it like it is Jesus Buddha Mohammed and all others said it like it is so can I and you See the reality and flow with the Universe Find the way to happiness today Take your chains of your slavery away and become free with true justice liberty and freedom to all as it is your birthright given to you by the Universe With every day life we get distracted and we loose the touch with reality nature and the Universe We all need to find the way to understand and enjoy our journey through our life Our small piece of Universe we have on Earth is the most beautiful You need to see the beauty To see it you need to be sensitive to be sensitive

you need to be good and to be good is to know how to flow and follow the Universe the Universe knows what it is doing so can you The code of Universe is yours to experience it is free to all of us and no corrupted government or individuals can take it from you The Laws of Universe override all other laws Once you allow yourself in the Universe you may understand more then you can imagine You can find the way that brings you closer to the powers of our existence These are thoughts not from doctrines of any schools religions but individual experience of a man living in the time and space of our Universe Discover your way and enjoy it Be Good May the Wisdom of the Universe enter your reality from here Ted Jec **Everlasting Gospel**

**by Robert Halley** Thomas GOODWIN (D.D.),1864 **The Universe in the Image of Imago Dei** Alexei V.

Nesteruk,2022-03-24 Cosmology anthropology and Christology are deeply interrelated This implies that one cannot talk about the structure of the world without human presence in it as well as it is impossible to produce any reasonable understanding of humanity without positioning it in the universe In the same fashion in order to comprehend where the human capacity of predicating the universe comes from one needs to appeal to humanity s Divine Image that is to its archetype in the incarnate Christ Whereas Christians traditionally believe that the human phenomenon is unique as created in the Divine Image such scientific disciplines as evolutionary biology palaeoanthropology the sciences of artificial intelligence psychology and others challenge the vision of humanity as a unique formation thus challenging the doctrine of Imago Dei All these disciplines place humans in a mediocre position in the world accompanied by the feeling of anxiety

insecurity and non attunement to the universe Theology needs to respond to these challenges by incorporating into its scope the data from the sciences in order to neutralize such anxieties The resulting dialogue of theology with science provides a hermeneutics of the human condition with no objective to change the latter Then the sense of the universe is disclosed from within the Divine Image reflecting the predicaments of the human created condition      **For Love of the Real** Llewellyn Vaughan-Lee,2015-11-01 Llewellyn Vaughan Lee s explanation in *For Love of the Real* of how to turn away from self centeredness in the face of reality will appeal to readers who seek to lead a meaningful life H H DALAI LAMA At the root of every mystical calling is the search for what is Real *For Love of the Real* follows this call detailing the inner journey to Absolute Truth Readers are guided through traditional experiences of the path emptiness and the void oneness and communion with nature for example Particular direction is given for how contemporary seekers can and must engage with challenges unique to our times such as extreme materialism and ecological devastation *For Love of the Real* responds to the vital need for humanity to remember its own divine nature and restore mystical truth as the foundation of our inner and outer lives Based upon forty years of following the mystical path Llewellyn Vaughan Lee grounds this work in his own inner experiences and spiritual scripture This is an intense evocation of the contribution that spiritual awareness can make a clear and compelling call for humanity to return to the Real A penetrating heartfelt look into Absolute Reality LAMA PALDEN Buddhist teacher and founder of Sukhasiddhi Foundation Just what we need within the context of our ordinary lives in this modern day and age ARI GOLDFIELD Buddhist teacher author and psychotherapist its message speaks to people from many different traditions and backgrounds who aspire to lead lives of greater meaning fulfillment and depth The emphasis on such topics as emptiness and manifestation the inseparability of relative and ultimate reality our utter interconnectedness and the transformative power of love and his call to service echo teachings dear to my own tradition of vajrayana Buddhism Like Llewellyn I believe that a shift of consciousness is possible and in fact essential if we are to regain what we have lost and heal our connection with the sacred with mother earth and with our fellow beings ACHARYA JUDY LIEF Naropa University Buddhist teacher and author in the Tibetan Buddhist and Shambhala traditions      *God Hides* Ned Wisnefske,2010-02-18 *GOD HIDES* is a critique of contemporary christian faith It argues that faith should not be understood as the result of spiritual seeking but rather as rooted in moral living Starting with the challenge of Bonhoeffer s religionless Christianity it argues for a common morality and then shows how that morality leads to Christian faith The thesis is that in order for us to serve our neighbor whom we see and not seek God whom we cannot see God hides Drawing upon the rich tradition of religious thought from Luther Kant Kierkegaard and Bonhoeffer this book offers a way past the religious battles in the current culture war Wisnefske points to the emptiness of the Christian promise of salvation in a time when virtually no one believes there is a hell to be saved from Instead he shows that it makes sense today in view of our nuclear arsenals and environmental crisis to claim that life is threatened by death Our present circumstances provide new understanding into the

biblical view that primeval chaos threatens creation A distinctive feature of the book is that it develops the traditional understanding that sin and death are powers threatening creation Christian faith accordingly is best understood as the living hope that creation will be saved from the violence and destruction that threaten to return it to chaos **Ancient World: Reader, 5th ed. ,**

**The Founding Fathers' Agenda** Daniel Zanou,2024-12-04 The Founding Fathers Agenda is a response to the country's turmoil during the 2016 presidential election It is a glimpse into the mind of the Fathers who have led a solid foundation for a state of freedom The book is a witness between the people of the United States of America and the Founding Fathers The land was secured for sons of liberty and was supposed to be a place of abundance where honey and milk would flow so that a man could enjoy existence with a minimum of dignity opposing the agenda of the bloody kings of Europe
