Hughes, Jr., 2010-05-13 Why do some families thrive for generations What accounts for the sad deterioration that others experience

This book takes families and the professionals who serve them beyond the now widely accepted practices offered in Family Wealth and offers a view of Hughes's panoramic insights into what makes families flourish and fail. It lays out the basis for the vision of family governance the author has been developing through his work and research. His advice addresses not only what to do but how to think about the complex issues of family governance, growth and stability and the ongoing challenge of nurturing the happiness of each family member.

Family Legacy and Leadership Mark Daniell, Sara Hamilton, 2010-11-02 Hamilton and Daniell have creatively taught us how to weave together the threads of lineage that create family legacy. They have also clarified the vision of what family leaders look like who are the master weavers of such threads. This all leads toward teaching us how to create and guide our families and those we serve to seven and more generations of successful generative and flourishing lives as individuals and as family. We owe their work a deep debt of gratitude and a bow of appreciation. James Jay E. Hughes Jr. Author Family The Compact Among Generations Mark Daniell and Sara Hamilton have written a book that will become a real reference for families wishing to establish a long term strategy for building an enduring legacy for generations. It contains a wealth of ideas, strategy prescriptions, case histories and anecdotes that will give the family leader and members of the tribe a true guide to building a system that will endure the test of time. I recommend it to families in Asia and beyond. Dr. Victor K. Fung, Chairman Li and of the hard and soft issues that families face. It offers ideas, insights and tools that will help families of all types find their path through change. Melissa A. Berman, President, CEO, Rockefeller Philanthropy Advisors.

Strategic Repositioning in Times of Corporate Crisis: Green Management and Technology Adoption Chiwaridzo, Option Takunda, Dzingirai, Mufaro, 2025-02-04 Strategic repositioning during times of corporate crisis is critical for companies looking to navigate changing markets and secure long term success. Many businesses and economies are marked by increasing environmental concerns and technological advancements turning to green management and technology adoption as drivers of resilience and transformation. By integrating sustainable practices and embracing cutting edge technologies organizations can mitigate the negative impacts of crises while positioning themselves as leaders in the green economy. This approach allows companies to reduce costs, enhance efficiency and build a strong, eco-conscious brand that resonates with consumers and investors, ensuring a competitive edge in the evolving marketplace. Strategic Repositioning in Times of Corporate Crisis: Green Management and Technology Adoption explores how organizations can strategically reposition themselves during corporate crises by embracing sustainable practices and adopting technology. It analyzes the integration of green management principles, technology adoption strategies and crisis management techniques, offering insights into sustainable solutions such as renewable energy, circular economy practices and stakeholder engagement. This book covers topics such as cloud computing, e-commerce and supply chains and is a useful resource for business owners, managers, economists, engineers, scientists, academicians and researchers.
