Aids Intervening With Hidden Griefers:

AIDS Barbara O. Dane, Samuel O. Miller, 1992-12-04 AIDS and the deaths resulting from the disease impact increasingly large numbers of individuals and families The survivors often mourn confused and alone For the first time this authoritative sensitive work offers not only necessary recognition of the needs of the bereaved but also affords clinicians and counselors well founded recommendations for appropriate interventions The stigma so often associated with AIDS and the obstacles and reactions it occasions for survivors is thoroughly examined and methods of responding are given Dane and Miller in describing theories of grief and bereavement and in offering a remarkably clear treatment of the AIDS crisis and its import establish a context for discussing the reactions and intervention needs of subsets of survivors children adolescents women families lovers and others Short case studies vividly illustrate the grief feelings of guilt sense of loss and other reactions requiring understanding and counsel The examples allow the authors to explore the important distinctions and principles essential to caring constructive support

Adolescent Encounters With Death, Bereavement, and Coping Charles Corr, David Balk, 2009-03-16 Capturing from the start that Childhood is and always has been a vulnerable time we have a rich in gathering of contributed pieces that bring us into the raw fragile arena of children traumatized by life events and behaviors Illness Crisis and Loss Balk and Corr again have edited a book that will set the direction of the field for yet another decade Caregivers can count on this book for insight and intervention From the Foreword by Kenneth J Doka PhD Professor The Graduate School The College of New Rochelle Author Counseling Individuals With Life Threatening Illness Over a decade has passed since the publication of Balk and Corr s groundbreaking Handbook of Adolescent Death and Bereavement This new book Adolescent Encounters With Death Bereavement and Coping analyzes the challenges faced by adolescents coping with death dying and bereavement and examines the new unique circumstances and advances that have transpired over the last decade These include Grief and coping with HIV AIDS Adolescents humor and death Technology and the Internet coping with loss in the digital world Bereavement over the deaths of celebrities The book also explores critical imaginative conceptual frameworks and models that have emerged on the scene including The dual process model for understanding loss Ideas about assumptive worlds Debates about the benefit and harm of grief counseling New research on recovery and resilience following bereavement Written from the interdisciplinary perspectives of expert sociologists psychologists educators social workers nurses and anthropologists this book offers a breadth and depth of insight into the complex nature of adolescent bereavement Nurses counselors social workers and educators will find this book to be an invaluable resource when they try to understand and help adolescents coping with death related issues

Invisible Caregivers Daphne Joslin, 2002 This collection covers a variety of issues facing elder caregivers community health aging HIV services child welfare education public policy and mental health

Invisible Children in the Society and Its Schools Sue Books, 2015-04-24 The authors in this book use the metaphors of invisibility and visibility to explore the social and school

lives of many children and young people in North America whose complexity strengths and vulnerabilities are largely unseen in the society and its schools These invisible children are socially devalued in the sense that alleviating the difficult conditions of their lives is not a priority children who are subjected to derogatory stereotypes who are educationally neglected in schools that respond inadequately if at all to their needs and who receive relatively little attention from scholars in the field of education or writers in the popular press The chapter authors some of the most passionate and insightful scholars in the field of education today detail oversights and assaults visible and invisible but also affirm the capacity of many of these young people to survive flourish and often educate others despite the painful and even desperate circumstances of their lives By sharing their voices providing basic information about them and offering thoughtful analysis of their social situation this volume combines education and advocacy in an accessible volume responsive to some of the most pressing issues of our time Although their research methodologies differ all of the contributors aim to get the facts straight and to set them in a meaningful context New in the Third Edition Chapters retained from the previous edition have been thoroughly revised and updated and five totally new chapters have been added on the topics of young people pushed into the school to prison pipeline the environmental landscape of two out of school Mexican migrant teens in the rural Midwest the perceptions and practices in and outside schools that construct African American boys as school failures negative portrayals of blackness in the context of understanding the collateral damage of continued white privilege and working class pregnant and parenting teens efforts to create positive identities for themselves Of interest to a broad range of researchers students and practitioners across the field of education this compelling book is accessible to all readers It is particularly appropriate as a text for courses that address the social context of education cultural and political change and public policy including social foundations of education sociology of education multicultural education curriculum studies and educational policy

Psychotherapy And AIDS Lucy A. Wicks, 2016-01-20 Psychological treatments seek to support changes in patients s lives Normally they get better and move on with their lives The time line is often different in dealing with the medically ill including those with HIV While making progress psychologically patients may become more physically dependent Divided into 3 parts this book presents information and clinical material in a range of topics to support psychologically informed treatment of individuals who are HIV positive Each chapter proposes techniques and methods to address different concerns commonly encountered with this population In addition case studies are provided throughout **Working with Families in the Era of HIV/AIDS** Willo Pequegnat, Jose Szapocznik, 2000-05-31 The purpose of this book is to encourage professional to become involved in family oriented services to prevent the spread of HIV and its consequences and to provide examples of strategies for mobilizing family resources in the prevention and adaptation to HIV and AIDS **AIDS Bibliography** , 1992

AIDS and the New Orphans Barbara O. Dane, Carol Levine, 1994-10-21 By the year 2000 as many as 125 000 children under the age of 18 in the U S will have been orphaned by AIDS Social services in major urban centers such as New York

Miami Los Angeles and Washington will be further overwhelmed by these new clients and their unique problems In this book experts on AIDS bereavement and children draw together and analyze research and practice models that may be vital to individual and public policy solutions The first chapter sets the stage by examining how Western culture approaches death Issues of spirituality and children are discussed next and the following chapters deal with childhood bereavement among latency age children and adolescents The role of culture and ethnicity are examined in the Latino and Black communities Also the conflicts and problems that new guardians face as they attempt to build new and secure relationships with grieving youngsters are addressed The book ends with an examination of four projects that are reaching children and families and gives recommendations to practitioners This book is an invaluable examination of a problem of growing social concern for social medical and mental health professionals public policy analysts and the general public

Gay Widowers Michael Shernoff, 2013-10-18 A recent gay widower may find that once the shock and initial confusion of losing his partner is overcome there are still many hard lonely and overwhelming stages of grief to be worked through Often the bereaved feels isolated and looking around for comfort realizes that he doesn't have many resources to turn to but *Gay Widowers: Life After the Death of a Partner* is a start By offering first person accounts of becoming a widower this book the first of its kind allows others who are about to lose or already have lost a partner to find support validation recognition and fellowship Its editor and contributors hope that by sharing their stories of loss pain and bewilderment they will help others in mourning as well as make one more step forward in their own healing Men of different ages and ethnic religious geographic and economic backgrounds join together in *Gay Widowers* to remind other gay widowers that they are not alone and that their feelings of pain anger and emptiness are normal and legitimate Not solely a book about life after the loss of a partner to AIDS this book is about rebuilding life as a bereaved gay man regardless of the cause of your partner's death You will find encouragement for moving your life forward without shutting your memories away as you read about how homophobia can complicate a gay widower's grieving and mourning handling financial and legal matters before and after death specific mental health issues of gay widowers dating again similarities among gay widowers responses to their partners deaths making time for your feelings rather than avoiding them finding love after or during bereavement trauma theory's applications to gay widowers By bringing forth these stories *Gay Widowers* offers bereaved gay men psychologists counselors and social workers in a society where the mourning process is generally a heterosexual social construct a clinical overview of the psychodynamic issues relevant and perhaps unique to the mourning process of gay men

Children and HIV/AIDS Gary Anderson, Constance Ryan, Susan Taylor-Brown, Myra White-Gray, 2017-11-30 In December 1982 the Centers for Disease Control received the first reports of cases of children with HIV/AIDS Since that time the child welfare system as well as other human service organizations have been coping with and responding to the crises of children and families living with HIV/AIDS including the considerable number of children affected by AIDS through the illness of their parents siblings or other family members This

volume is intended as a resource for personnel within the child welfare field serving children and families whose lives are touched by HIV and AIDS The contributors add insight to and fuel the discussion of the fight against AIDS They provide tools to help better serve the children and adolescents that the current epidemic so tragically affects Chapters and contributors include Factors Associated with Parents Decision to Disclose Their HIV Diagnosis to Their Children by Lori S Wiener Haven B Battles and Nancy E Heilman Custody Planning with HIV Affected Families by Sally Mason Correlates and Distribution of HIV Risk Behaviors Among Homeless Youths in New York City by Michael C Clatts W Rees Davis J L Sotheran and Aylin Attillasoy and HIV Prevention for Youths in Independent Living Programs by Wendy F Auslander Vered Slonim Nevo Diane Elze and Michael Sherraden Originally published as a special issue of Child Welfare this volume examines lessons learned from a variety of perspectives and settings and identifies a number of continuing challenges facing the field Children and HIV AIDS is an invaluable compendium that should be read by social workers and health specialists and all those affected by the epidemic

Focus ,1994 **"We Will Be Citizens"** James Fisher,2014-01-10 A dozen essays by a range of established scholars and performing artists address issues in post 1969 American gay and lesbian theatre and drama the period after the raid at the Stonewall Inn helped spawn a gay revolution The collection covers playwrights millennial dramatists and actors while exploring the history of gay themed theatre and drama the breadth of stage roles and the dramatic representation of homosexual characters from various perspectives These include the impact of AIDS contemporary American politics images of homophobia gay themed plays aimed at Theatre for Youth audiences and other topics IBSS: Sociology: 1993 Vol 43 International Committee for Social Science Information and Documentation,1994 This bibliography lists the most important works published in sociology in 1993 Renowned for its international coverage and rigorous selection procedures the IBSS provides researchers and librarians with the most comprehensive and scholarly bibliographic service available in the social sciences The IBSS is compiled by the British Library of Political and Economic Science at the London School of Economics one of the world s leading social science institutions Published annually the IBSS is available in four subject areas anthropology economics political science and sociology

Social Work Treatment Francis J. Turner,2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to

social workers regardless of their setting or specialty

Out Here By Ourselves Diane Duggan, 2018-10-24 Despite the significant number of AIDS affected youth in the United States the plight of these young people has been largely disregarded This book presents the stories of several young people whose mothers had AIDS or had died from the disease They speak directly about their experiences and their concerns Individual and common themes in their stories are analyzed to gain insight into their problems and to develop an understanding of how best to respond to their needs Some prominent themes shared by the participants are longstanding unstable living arrangements serious conflict with their mothers multiple losses in the youth s lives even before the AIDS crisis the mother s past drug use behavioral problems and difficulties with limits in the family school and the community unsafe sexual behavior and childbearing within a year of the mother s death These issues are exacerbated by the poverty discrimination and violence in the communities in which these and many AIDS affected young people live

Ego Psychology and Social Work Practice Eda Goldstein, 1995-03 While ego psychological theory still holds a pre eminent position in clinical social work practice the field has changed in many ways This revised edition addresses these major changes bringing the reader up to date

Living with Dying Joan Berzoff, Phyllis R. Silverman, 2004-08-04 The first resource on end of life care for healthcare practitioners who work with the terminally ill and their families Living with Dying begins with the narratives of five healthcare professionals who when faced with overwhelming personal losses altered their clinical practices and philosophies The book provides ways to ensure a respectful death for individuals families groups and communities and is organized around theoretical issues in loss grief and bereavement and around clinical practice with individuals families and groups Living with Dying addresses practice with people who have specific illnesses such as AIDS bone marrow disease and cancer and pays special attention to patients who have been stigmatized by culture ability sexual orientation age race or homelessness The book includes content on trauma and developmental issues for children adults and the aging who are dying and it addresses legal ethical spiritual cultural and social class issues as core factors in the assessment of and work with the dying It explores interdisciplinary teamwork supervision and the organizational and financing contexts in which dying occurs Current research in end of life care ways to provide leadership in the field and a call for compassion insight and respect for the dying makes this an indispensable resource for social workers healthcare educators administrators consultants advocates and practitioners who work with the dying and their families

Contemporary Issues of Care Roberta R. Greene, 2012-11-12 Make sure your clients get the best possible care throughout their lives Contemporary Issues of Care presents the latest research findings on human behavior and the social environment for social workers practicing at the individual family and community levels This timely book applies the functional age model on intergenerational therapy FAM to examine the interaction between the care recipient s biopsychosocial and spiritual functioning and the capacity of the family caregiver to adapt The book s contributors examine the functions of various social systems in caregiving as well as the social worker s role in processing and integrating

information to help develop family centered and community based interventions Contemporary Issues of Care focuses on caregiving situations across the life span using research findings to shape social work curriculum and to improve social work practice and services With the family still the primary caregiving institution in the United States the book examines the mutual interdependence among family members and the dynamic development of family structure and organization An exemplary textbook for students in social work the book also includes a workbook and CD Topics addressed in Contemporary Issues of Care include shifts in human behavior paradigms family systems interventions case management sibling caregiving the impact of culture on mental illness and mental health the importance of self care elder abuse substance abuse children with cancer HIV AIDS diabetes posttraumatic stress inner city challenges caregiving for gay men and lesbians caregiving for persons with dementia community caregiving and much more Contemporary Issues of Care is filled with charts tables diagrams and sample interviews that supplement articles from the leading practitioners and academics in the field This book is an essential resource for anyone involved in social work practice for individuals families and communities Paradigms of Clinical Social Work Rachelle A. Dorfman, 2020-08-26 This book provokes sociological questions about the expanding number of paradigms of clinical social work and the application of clinical theory It enhances clinical social workers ability to make sense of people s lives so that we may help them in their struggles *Encyclopedia of Social Work* ,1965

Aids Intervening With Hidden Grievers Introduction

In today's digital age, the availability of Aids Intervening With Hidden Grievers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Aids Intervening With Hidden Grievers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Aids Intervening With Hidden Grievers books and manuals for download is the cost-saving aspect. Traditional books and manuals

can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Aids Intervening With Hidden Grievors versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Aids Intervening With Hidden Grievors books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Aids Intervening With Hidden Grievors books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Aids Intervening With Hidden Grievors books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Aids Intervening With Hidden Grievors books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Aids Intervening With Hidden Grievors books and manuals for download and embark on your journey of knowledge?
