Alvy,2003 This book adds extremely relevant knowledge and skills for innovative reformers and for more traditional leaders alike It provides a solid set of interesting and shrewd suggestions that can be used immediately by practising principals From the Foreword by Kent D Peterson Professor Department of Educational Administration University of Wisconsin Madison

Despite the administrative leadership training that most principals receive in university courses their most useful learning doesn't occur until they are on the job. And the new knowledge much of it the result of trial and error success and failure is gained in relative isolation simply because there is no one else at that responsibility level within the school. Pam Robbins an educational consultant and Harvey B. Alvy a practicing principal offer a well organized interactive manual for the role of principal. They have worked with hundreds of schools educators and other organizations around the world collecting data that form the basis for *The Principal's Companion*. This easy to read book combines the most helpful tried and true strategies with the most relevant leadership research and theory. The authors discuss creative leadership and necessary skills the wide variety of roles played by principals how to create a learning community personal and professional issues and much more. Quotes from practicing principals are included throughout the book and readers are encouraged to jot down their own reflections about each chapter theme. *The Principal's Companion* is a rare opportunity to collaborate with other principals an excellent professional resource that will be referred to again and again. Ideal for practicing and aspiring principals it is also highly useful as a text for administration courses. **Rookie Teaching For Dummies** W. Michael Kelley, 2011-03-10
