Onwughalu, 2011-07-16 The Igbo community in Chicago is a newer immigrant community compared to the German Polish Italian or Irish communities Just as for these older immigrant communities education is essential for Igbo immigrants who have come to start a new life in the United States Adapting well and thriving in the new environment requires immigrants to tread the path of education The number of Igbo children and other such immigrants is increasing The

way they are educated is important not only to the individual child but also to society Igbo children are enrolled in both public and private schools in the Chicago metropolitan area Ka umu anyi wee karia anyi So that our children will be more successful than us is one of the many reasons Igbo families in Chicago are involved in the education of their children Education of children occurs in the home the school and the community This study seeks to understand the nature of parental engagement of Igbo families in Chicago in the education of their children Not all immigrants are the same Knowing about Igbo experiences will enable scholars and educators to recognize both similarities with and differences from other immigrant communities It is immaterial whether their kind of involvement fits the prescribed or standardized form of parental involvement in the literature or in practice elsewhere The crucial question is given their circumstances are Igbo parents perceptions and practices of parental involvement promoting the education of their children in Chicago

Reaching All Families Oliver Clinton Moles, 1997 Developing a Networked School Community Mal Lee, Glenn Finger, 2010-04-01 Developing a Networked School Community A guide to realising the vision examines the next phase of schooling the development of networked school

communities Already there are pathfinding schools that have moved from the traditional paperbased form to become digital schools Many of these schools understand the new and rich learning and teaching opportunities which become possible when they dismantle their traditional school walls and use their networks to connect with their homes and the wider community

Handbook of Research on Innovative Approaches to Early Childhood Development and School Readiness Betts, Anastasia Lynn,Thai, Khanh-Phuong,2022-02-11 School readiness is as much about schools recognizing the existing capabilities and knowledge each child has when they enter school as it is about supporting children and families in their preparation for entering formal learning environments Effective approaches that address learning variability must take these differences into account recognizing and leveraging opportunities inherent in the child s ecosystem of resources The Handbook of Research on Innovative Approaches to Early Childhood Development and School Readiness assembles the most current research and thought leadership on the ways in which innovative education stakeholders are working together to impact the most critical years in a child s life the years leading up to and including kindergarten Covering topics such as change agency experience quality and social emotional development this book is a crucial resource for educational researchers child development professionals school administrators pre K teachers pre service teachers program managers policymakers non profit service organizations early childhood EdTech developers curriculum developers and academicians

Building An Ethical School Robert J. Starratt,2005-06-21 The author argues for much greater attention to ethical education and responds to sceptics who say that it can t be done in the face of a pluralistic secular society badly fragmented over values Seeking always for themes and issues that unite rather than divide the author provides a conceptual foundation for ethical education broad enough for building consensus among teachers and parents yet focused enough to provide guidance for highly specific learning activities The second half of the book takes the reader through a carefully devised series of steps by which a school community might proceed in building their ethical school The final chapter reminds of the many difficulties to be met along the way but offers encouragement to strengthen the resolve of the school community The book concludes with two helpful appendices the first provides detailed information on exiting initiatives already underway in ethical education the second offers an annotated bibliography of books and essays which are available for those educators who need or want to read more on the topic of ethical education *ICONESS 2023* Subuh Anggoro,Lilia Halim,Zaidatun

Tasdi,Khar Thoe Ng,Corrienna Abdul Talib,2023-09-08 This book constitutes the thoroughly refereed proceedings of the 2nd International Conference on Social Sciences ICONESS 2023 held in Purwokerto Indonesia in 22 23 July 2023 The 88 full papers presented were carefully reviewed and selected from 198 submissions The papers reflect the conference sessions as follows Education Curriculum and Instruction Education and Development Educational Psychology Social Science Education and Elementary Education Religion Islamic Education Islamic Civilization and Shariah Economic and Literation Teaching English as a Second Language TESL Language and Communication Literacy **Learning, Behavior, and Your Classroom**
