Creating Christian Granada David Coleman,2013-04-15 Creating Christian Granada provides a richly detailed examination of a critical and transitional episode in Spain s march to global empire The city of Granada Islam s final bastion on the Iberian peninsula surrendered to the control of Spain s Catholic Monarchs Isabella and Ferdinand on January 2 1492 Over the following century Spanish state and Church officials along with tens of thousands of Christian immigrant settlers transformed the formerly Muslim city into a Christian one With constant attention to situating the Granada case in the broader comparative contexts of the medieval reconquista tradition on the one hand and sixteenth century Spanish imperialism in the Americas on the other Coleman carefully charts the changes in the conquered city s social political religious and physical landscapes In the process he sheds light on the local factors contributing to the emergence of tensions between the conquerors and Granada s formerly Muslim native morisco community in the decades leading up to the crown mandated expulsion of most of the city s moriscos in 1569 1570 Despite the failure to assimilate the moriscos Granada s status as a frontier Christian community under construction fostered among much of the immigrant community innovative religious reform ideas and programs that shaped in direct ways a variety of church wide reform movements in the era of the ecumenical Council of Trent 1545 1563 Coleman concludes that the process by which reforms of largely Granadan origin contributed significantly to transformations in the Church as a whole forces a reconsideration of traditional top down conceptions of sixteenth century Catholic reform

Who Created Christianity? Craig Evans,Aaron White,2021-10-05 Who Created Christianity is a collection of essays by top international Christian scholars who desire to reinforce the relationship that Paul had with Jesus and Christianity There is a general sense today among Christians in certain circles that Paul s teachings to the early Christian church are thought to be rogue even clashing at times with Jesus words Yet these essays set out to prove that the tradition that Paul passes on is one received from Jesus not separate from it The essays in this volume come from a diverse and international group of scholars They offer up to date studies of the teachings of Paul and how the specific teachings directly relate to the earlier teachings of Jesus This volume explores with even greater focus than ever before the tradition from

which Paul emerges and the specific teachings that are part of this tradition This collection of essays proposes a complementary work to the work of David Wenham and his thesis that Paul was indeed not the founder of Christianity or the creator of Christian dogma instead he was a faithful disciple and a conveyer of a prior Christian tradition Includes essays by well known Christian scholars such as Craig Blomberg Alister McGrath N T Wright Michael Bird Greg Beale and more Paul and Jesus Issues of Continuity and Discontinuity in Their Discussion by Stanley E Porter How and Why Paul Invented Christian Theology by N T Wright The Origins of Paul s Gospel by Graham H Twelftree When Paul Met Jesus How an Idea Continues to Be Lost in History Past and Present by Stanley E Porter Paul and the Jesus Tradition An Old Question and Some New Answers by Rainer Riesner Continuity and Development in the Ministries of Jesus and of Paul by Christoph W Stenschke Paul s Significant Other in the We Passages by Joan E Taylor Whose Gospel Is It Anyway The Glory of Christ in the Prophetic Ministry of Paul according to His My Gospel and Our Gospel by Aaron W White David Wenham The Little Apocalypse Paul and Silas by Bruce Chilton The Parallels between 1 and 2 Thessalonians against the Background of Ancient Parallel Letters and Speeches by Armin D Baum Metanoia Jesus Paul and the Transformation of the Believing Mind by Alister McGrath You Would Not Believe If You Were Told Eschatological Unbelief in Early Christian Apologetics by Peter Turnill Paul on Food and Jesus on What Really Defiles Is There a Connection by Craig A Evans Gospel Women Remembered by Sarah Harris Women in the Pauline Epistles Lessons from the Jesus Tradition by Erin Heim Twelve Theses on Matthew and Paul The Jewish Gospel and the Apostle to the Gentiles by Michael F Bird Paul and the Paternoster Some Mainly Matthew Observations about a Pauline Prayer by Nathan Ridlehoover The Rediscovery of David Wenham s Rediscovery Reflections on a Pre Markan Eschatological Discourse Thirty Six Years on by Craig Blomberg Portraits of Jesus and Paul through the Lukan Lens by Steve Walton Every Sin That a Person Commits Is Outside the Body 1 Corinthians 6 18b Paul s Likely Dependence on the Jesus Tradition by John Nolland Jesus Is Lord The Rhetorical Appropriation of the Teaching of Jesus in 1 Corinthians 5 by Peter Davids The Temple and Anti Temple at Colossae by Greg Beale Filling up What Is Lacking in Christ s Afflictions Isaiah s Servant and Servants in Second Temple Judaism and Colossians 1 24 by Holly Beers

Creating Community with Food and Drink in Merovingian Gaul B.
