Bird Watching On Playing And Coaching The Game I Love:

Bird Watching Larry Bird, Jackie MacMullan, 1999-12-14 Larry Bird captured the imagination and admiration of basketball fans throughout his thirteen year career with the Boston Celtics with his trademark style of creative intelligent exciting and hard nosed play And then last year in his rookie season as head coach of the Indiana Pacers he infused the team with these same qualities and the results were remarkable He turned around a slumping franchise and led the Pacers to the conference finals To finish off a great season Bird was named the NBA s Coach of the Year quite an accolade for Bird who had never coached before and surprised many fans with his unusual and unorthodox coaching methods This book is a look into one of the greatest minds to have ever stepped on a hardwood court Larry Bird shares his inner thoughts on basketball that to date only his Celtic teammates and Pacers players have been privy From dissecting offensive and defensive strategies to assessing the talent of NBA players from sharing the genesis of his coaching philosophies to how he deals with today s overpriced and temperamental players it s all there This book is Larry Bird s basketball playbook and it s the one book every basketball fan will want to read Cover design by Tom Tafuri Cover photograph by Glenn James NBA Photos **Greatest Sports Heroes of All Times** Paul J. Christopher, Alicia Marie Smith, 2006-08 Hold it You really think we can come up with 50 greatest sports heroes Well we can and we have Our heroes are not simply limited to the most popular spectator sports On occasion our heroes go back several generations not just to the names in the papers or the sports talk shows Who are they Well certainly Jordan Woods and Ming but are you old enough to remember Max Schmeling or George Best There are a lot more where they come from skiers cyclists golfers and runners all the best and more What did they do and why are they great The book offers a quick personal biography of each of our famous athletes summary statistics of some of the most important successes the good the bad and the ugly of their sports careers why these individuals went on to influence their sport and trivia questions to challenge your knowledge and more **Rivals** David K. Wiggins, R . Pierre Rodgers, 2012-01-01 The sixteen original essays in this collection cover influential and famous rivalries from a variety of sports including track and field golf boxing basketball tennis ice skating baseball football soccer and more The essays are diverse but together they illustrate what is common to any rivalry equally matched opponents that often have decidedly different backgrounds styles and personalities These differences may center on race and culture political and societal ideologies personality geography or religion a mix intensified by fans and the media From highly publicized and emotionally charged individual competitions to bitterly fought team contests **Rivals** illuminates what one of a kind opponents and the passion they inspire tell us about ourselves and our society **Basketball and Its Greatest Players** Sherman Hollar Associate Editor, Compton s by Britannica, 2011-08-15 Introduces basketball discusses the history of the game and highlights notable players **Media Review Digest** C. Edward Wall, 2002 **The Publishers Weekly** , 1999 **Team Unity** John Ross, 2022-04-21 Based on more than ten years of researching observing coaching and building extraordinary teams this entertaining and thought provoking

book demonstrates how to unify groups of all sizes to maximize performance Unity is the most influential factor in team performance and although it is frequently discussed it is often misunderstood This book explains how disunity is the root cause of all team dysfunctions and provides clear instructions on how to define measure and increase unity in your organization Through entertaining and impactful stories John Ross divides Team Unity into four components focus direction trust and conflict and examines how they are related and measured Notably Ross introduces The Unity Formula a simple equation useful for leaders at all levels in any organization to measure the team s current unity and identify areas for improvement Senior and middle managers in manufacturing hospitality and a range of other industries as well as entry level employees and students of organizational behavior and HRM will find this book an invaluable resource for understanding how to identify measure and partake in the right steps to increase team performance **Words on Cassette, 2002** R R Bowker Publishing,2002 *Magic. Tall Tales and Short Shorts Adam J. Criblez, 2017-06-09 In basketball just as in American culture the 1970s were imperfect But it was a vitally important time in the development of the nation and of the National Basketball Association During this decade Americans suffered through the war in Vietnam and Nixon's Watergate cover up not to mention disco music and leisure suits while the NBA weathered the arrival of free agency and charges that its players were too black Despite this turmoil or perhaps because of it the NBA evolved into a cultural phenomenon Tall Tales and Short Shorts Dr J Pistol Pete and the Birth of the Modern NBA traces the evolution of the NBA from the retirement of Bill Russell in 1969 to the arrival of Larry Bird and Magic Johnson ten years later Sandwiched between the youthful league of the sixties and its mature successor in the eighties this book reveals the awkward teenage years of the NBA in the seventies It examines the many controversies that plagued the league during this time including illicit drug use on court violence and escalating player salaries Yet even as attendance dwindled and networks relegated playoff games to tape delayed late night broadcasts fans still pulled on floppy gray socks like Pistol Pete Maravich emulated Kareem Abdul Jabbar's sweeping skyhook and grew out mushrooming afros la Dr J Julius Erving The first book length treatment of pro basketball in the 1970s Tall Tales and Short Shorts brings to life the players teams and the league as a whole as they dealt with expansion a merger with the ABA and transitioning into a new era Sport historians and basketball fans will enjoy this entertaining and enlightening survey of an often overlooked time in the development of the NBA

Historical Dictionary of Basketball John Grasso, 2010-11-15 In less than 120 years an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi billion dollar enterprise It is impossible for Dr James Naismith basketball's inventor to have envisioned the extent to which his simple game would reach Without major changes to his original 13 rules basketball is now played in more than 200 countries by people of all ages Thanks to basketball players like Michael Jordan Earvin Magic Johnson Larry Bird LeBron James Kobe Bryant and Shaquille O'Neal have become some of the most famous people in the world The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball amateur professional men's women's Olympic domestic and international from its invention in 1891 through the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on the people places teams and terminology of the game
