Birds Of A Feather The Press And The Politicians:

Birds of a Feather the Press and Politicians Fotherin,1990 *Birds of a Feather the Press and Politicians* ,1990

The Partisan Press Si Sheppard,2007-11-19 This book is the first to place the contemporary debate over media bias in historical context illustrating how partisan bias in the American media has built political parties set the stage for several wars and even contributed to the rise and fall of U S presidents The author discusses the rise of the unprecedented post World War II model of objective journalism and explains why this model is breaking down under the challenge of a new generation of technology driven partisan media alternatives Populism, Propaganda, and Political Extremism Adam G. Klein,2025-11-05 At its core this book is about political anger how it is cultivated where it is taking us and how to address it Populism Propaganda and Political Extremism Building the Rage Machine explores the manufacturing of populist narratives and deployment of propaganda that together produce a state of outrage and disunity in American politics Through chronicling these subversive communications and the architects and influencers behind them Adam Klein expertly deconstructs the processes that sow national division Today these divisive campaigns empower political extremists as they erode democratic norms As this book uncovers the forms and functions of political ragemaking it also offers concrete prescriptions for addressing the hostile partisanship that has consumed the national conversation Here history will serve as a critical guide Counteractive narratives that emerged out of prior eras of destructive demagogues like Joseph McCarthy and George Wallace be explored for their neutralizing potential The book also faces down some of the most difficult questions such as how we reach the true believers who are not really interested in resolution and how we preserve the First Amendment while combating political extremism Developed with the student in mind the book s three part focus on populism propaganda and political extremism offers a framework for understanding the forces behind our fractured politics and the strategies that may counter them *Encyclopedia of Government and Politics* Mary Hawkesworth,Maurice Kogan,2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers The Dynamics of Political Communication Richard M. Perloff,2025-07-17 This fully updated fourth edition continues to provide comprehensive coverage of communication and politics again focusing on the way politics

and media impact democracy The book explores the intersection between politics and communication drawing from leading scholarship in communication political science and political psychology It describes the nature of today's political media political socialization key media effects such as agenda setting and framing myths biases and facts in political news political advertising and presidential debates This edition includes new and expanded discussions of free speech and misinformation on social media presidential rhetoric the 2022 and 2024 election campaigns and the January 6th investigation narrative It also examines international examples such as the Ukraine War populism in Hungary and Turkey Russian propaganda and TikTok The book is ideally suited for upper level undergraduate and graduate political communication courses in communication journalism and political science programs This edition again features online resources with links to relevant news articles videos or other online materials For instructors an instructor's manual including sample syllabi chapter outlines sample discussion questions sample test questions and lecture slides are also provided Access the support materials at www.routledge.com/9781032613130

The Political Economy of War and Peace Murray Wolfson, 2012-12-06 cancer n any malignant tumor Metastasis may occur via the bloodstream or the lymphatic channels or across body cavities setting up secondary tumors Each individual primary tumor has its own pattern There are probably many causative factors Treatment depends on the type of tumor the site of the primary tumor and the extent of the spread Oxford Concise Medical Dictionary 1996 97 Let us begin by stating the obvious Acts of organized violence are not necessarily of human nature but they are endogenous events arising within the an intrinsic part evolution of complex systems of social interaction To be sure all wars have features in common people are killed and property is destroyed but in their origin wars are likely to be at least as different as the social structures from which they arise Consequently it is unlikely that there can be a simple theory of the causes of war or the maintenance of peace The fact that wars are historical events need not discourage us On the contrary we should focus our understanding of the dimensions of each conflict or classes of conflict on the conjuncture of causes at hand It follows that the study of conflict must be an interdisciplinary one It is or a penchant for eclecticism that leads to that conclusion but the not humility multi dimensionality of war itself
