Alisha: A Desert Urchin Frank Keith, 2016-12-22 Sultan Mejhem ibn El Hashem has forty two wives and countless children He has a large prosperous realm a large palace and numerous fortresses too He has good relations with the Byzantine Empire and also the Persian one Emissaries come from far and wide to pay homage to this illustrious ruler of Anazzah master of Sakakah and Ar ar of the numerous other towns villages and oases and of the deserts too stretching to the north to the south to the west and to the east But despite the sultan's many riches influence and power and his complete command over life and death he lacks the control over one single person And her name is Alisha Alisha is but one of many one wife out of forty two A mere child when she was snatched away from the streets of Sakakah this former street urchin was discovered by one of the sultan's wife seekers She was a beautiful girl only thirteen years old and just right for the ruler Alisha was made a wife and she served him well enough until other younger wives took his interest away from her But Alisha did not care about this She never loved nor even liked the sultan She thought of him as an old fat and ugly man aloof and uncaring and wholly inadequate as a husband And despite her previous life in the city streets Alisha was never impressed by el Hashem's power and wealth One day Alisha fell in love with another wife of the sultan Her name is Zenobia And Zenobia loved Alisha too for she felt the same way about their husband as Alisha Thus the two wives of the sultan lived their daily lives in the palace married to him but devoted to each other Alisha kept up the veneer of being a sultan's wife until one day she and Zenobia met a prisoner His name is Geisarix and he was brought to Sakakah by the Byzantines who had captured him in battle The barbarian warrior was to be sold as a slave but the sultan bought him instead to be made a member of his guards When Alisha and Zenobia first saw him they were impressed by his looks strength and sense of freedom This chance meeting inadvertently increased Alisha's desires to be free again like she once was And thus she and Zenobia initiated a plan that would free them from the sultan's clutches and liberate Geisarix too whose defiance got him thrown into the dungeon Although things initially went well they run into trouble when the sultan catches wind of some of their misdeeds Eventually the two girls end up in the dungeons and even a slave too who had assisted the two wives And thus the four of them sit in murky cells lost and forlorn What will happen next Will the sultan punish Alisha and Zenobia further as he had promised Or will they be set free If not can they get free on their own Will Alisha forsake Zenobia to favor Geisarix or perhaps vice versa And what will become of Bahira the slave *Horizons*, 2004 *Holy Talk: An Introduction to Scripture for the Occasionally Biblically Embarrassed* Harold "Jake" Jacobson, 2018-08-03 I am writing this book to open a conversation of faith It is my hope to not only offer an introduction to scripture that is practical and functional for daily life but also to provide an arena

where questions of faith can be openly explored This is not an answer book but an invitation to a conversation Harold Jake Jacobson is an ordained Lutheran pastor who has served for the past 35 years at Grace Lutheran Church in Clarion PA For the past 10 years he has also served as Assistant to the Bishop of the Northwestern Pennsylvania Synod and as Director of Evangelical Mission for the Evangelical Lutheran Church in America Pastor Jacobson holds degrees from Jamestown Community College Gettysburg College and the Lutheran Theological Seminary at Gettysburg He is also a certified Spiritual Director Jake also is a professional wood carver He is the owner of Tre Kronor Studio and together with his son they carry out a variety of artistic offerings in various media

The Stories of Rabbi Nachman of Breslov and Saba Yisroel Rabbi Nachman of Breslov o.b.m., Rabbi Israel Dov Odesser o.b.m., 2016-06-06 HH Rabbi Nachman's birth already set the stage for the modern era e.g. a mere few years after he was born in 1772 America declared independence Many of his teachings speak more directly to the man of our present time and society than to the shtetel small town Jews who were his followers E.g. Rabbi Nachman revealed that everyone has an aspect of monarchy even if it is only over his family or on a subliminal paradigm this teaching was readily understood by his followers but it was somewhat theoretical being that they were so destitute they could barely have seen real manifestation of this principle Today even the less well off can clearly see how they wield various privileges and amenities that would have been special even for a monarch of those times With the changing times also came changing attitudes social climate and personal truths convictions ideas and prerogatives Rabbi Nachman had to prepare the world for this transition and he did so by revealing the highest and deepest teachings which are the root of everything that plays out in the world Anyone that looks at a lesson from Rabbi Nachman will see reflections of what is going on that very moment in his own life Yet even still Rabbi Nachman saw that his followers were not adjusting properly and sufficiently He saw their struggles and how they grappled with forces far superior than them Even his awesome teachings were not providing his followers with the necessary perspective and life knowledge that they needed so desperately in order to transcend the narrow confines of ideology that were trapping them and leaving them helpless to the wanton desires of the helpless As a final last resort Rabbi Nachman found the solution he would reveal timeless stories stories that would recreate the perception of the workings of the world the listener would be reborn into new consciousness and awareness and would be impassioned to forever seek renewal and true vitality These stories are called Stories of Ancient Years corresponding to the Divine Countenance of Attik Yoamin see book of Daniel the countenance of the Ancient of Years which subliminally transcends all of the ordinary chain of events manifested in the Divine Providence a bridge to cognizance of what is utterly beyond On the one hand these legendary tales are completely unfathomable in their scope and import they are allusions to the most deep and esoteric Divine secrets and yet on the other hand they are filled with practical morals and life lessons which any reader can easily glean and gain To this day no one has merited to completely understand the root and intrinsic meaning of the stories in their rightful context yet multitudes of people have gained phenomenal new insights

through these stories the stories literally open up gates to greater perspicacity and cognizance The stories have captured the attention and fascination of even the most secular scholars they have been translated into different languages and they are studied in universities throughout the world Rabbi Nachman said that even the minutest detail of the stories is extremely critical and unfortunately most of the translations are fraught with the literary license an author has to set down his own perspective which in this case is undoubtedly very damaging This translation was done painstakingly to capture as best as possible the exact translation and nuance even following the order of the original verbiage and often favoring the original Yiddish in which Rabbi Nachman delivered the stories In more recent times one of Rabbi Nachman s followers Rabbi Yisroel Dov Odesser underwent a phenomenal course of events which themselves proved to be the mechanism of transition and development of Breslov and are understood to be a clear aspect of Stories of Ancient Times and thus some of his stories are fittingly included in this volume as well as are many other stories from Na Nach Nachma Nachman MeUman **Who Is God?** Batya Shemesh,2016-02-29 For millions of years God had been creating and destroying many worlds Finally the Almighty decided to make a man in His Image He would give mankind intelligence beyond all other creations In this new world God would seek out a friend in a human being with whom He would be able to communicate He loves His creations and wishes to be loved as a father In this book Batya tells the story of how God first approached her She then writes about Gods point of view on questions of free choice justice guilt punishment reincarnation and more With the Bible as her witness Batya is brave enough to face difficult topics of faith in a very friendly clear and easy to read writing style *The Parsi Religion as Contained in the Zand-Avastá* by John Wilson John Wilson,1843
