The 20th Century O-Z Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *The Right to Know* Sandra Coliver, 1995 This book documents the massive deprivation of human rights resulting from governmental censorship manipulation and control of reproductive health and sexuality information The introductory chapter applies a human rights perspective to reproductive health to show that women must have full and impartial information to be able to choose services which further their goals rather than governmental policies Examples of different types of state manipulation are provided and demographic biomedical and reproductive health paradigms of contraceptive delivery programs are described Chapter 2 identifies the binding obligations imposed on governments by the international principle that women have a right to appropriate reproductive health information The third chapter provides a global overview of such topics as health expenditures fertility rates infertility literacy and education infant and child mortality maternal mortality child spacing contraceptive usage unmet need abortion HIV AIDS and sexually transmitted diseases STDs Chapters 4-13 present country reports for Algeria Brazil Chile Ireland Kenya Malawi Pakistan the Philippines Poland and the US The country reports reveal the overwhelming need of women to have access to this information and the innumerable ways in which governments control such access The country reports also describe factors such as religion culture tradition state of development and influence of foreign donors which have an impact on access to information Each country report ends with specific recommendations and the concluding chapter defines seven obligations of national governments imposed by the right to information contained in international law and contains recommendations of ways nongovernmental organizations can use these obligations to lobby governments for improvements Bell & Howell Newspaper Index to the Los Angeles Times, 1985 **Cumulated Index Medicus**, 1969 Library Journal Melvil Dewey, Karl Brown, Bertine Emma Weston, Helen E. Wessells, 1968 Includes beginning Sept 15 1954 and on the 15th of each month Sept-May a special section School library journal ISSN 0000-0035 called Juniorlibraries 1954-May 1961 Issued also separately **Bibliography of the History of Medicine**, **The History of Clinical Endocrinology: A Comprehensive Account of Endocrinology from Earliest Times to the Present Day** V.C. Medvei, 1993-01-15 The definitive reference work this book combines detailed scientific accuracy with a classical style erudition and an appealing presentation It covers the past present and future trends in endocrinology and includes biographies of major figures It provides chronological tables and name and subject indexes that make the information easily

accessible     **The Birth Control Review** Margaret Sanger,1922     **Birth Control Review** Margaret Sanger,1923     The English Catalogue of Books Published from January, 1835, to January, 1863,1864     **Crimes Against Fecundity** Mary Lowe-Evans,1989-06 Population control was endlessly discussed during Joyce's lifetime and he was as acutely aware of western civilization's restrictions on artistic and spiritual freedom as on physical fecundity Lowe Evans's book explores the specific influence of this controversial debate on Joyce's works from *Dubliners* to *Finnegans Wake* as well as that of other key historical events such as the Great Famine the Malthusian doctrine the international birth control movement the Catholic church and postwar populationism As Michel Foucault observed one of the great innovations in techniques of power in the eighteenth century was the emergence of population as an economic and political problem Similarly Lowe Evans examines Joyce's works as the product of countless rhetorical pressures and trends including histories of Ireland the Irish Homestead and reports of the obscenity trial of Margaret Sanger Joyce once wrote his good friend Frank Budgen that the idea underlying the famous Oxen of the Sun chapter in *Ulysses* set in a maternity hospital was the crime committed against fecundity by sterilizing the act of coition Drawing upon this and numerous other instances Lowe Evans demonstrates how Foucault's theory of the deployment of sexuality is borne out both in Joyce's work and in the debates that helped to produce it In *Crimes Against Fecundity* Lowe Evans reveals new and fascinating aspect of this great writer's work which will be of great interest not only to literary theorists and Joyceans but to literary scholars in general     **The Publishers Weekly**,1968     **Family Newspapers?** Adrian Bingham,2009-02-26 *Family Newspapers* provides the first detailed historical study of the modern popular press's coverage of sex and private life from the start of the mass newspaper reading boom in 1918 to the triumph of the Sun's sexualised journalism in 1978 In this period newspapers were at the heart of British popular culture and Fleet Street's preoccupation with sex meant that the press was a hugely significant source of knowledge and imagery about sexual behaviour personal relationships and moral codes Focusing on changing ideas of what sexual content was deemed fit to print Adrian Bingham reveals how editors negotiated the tension between exploiting public curiosity about sex and ensuring that their journalism remained within the bounds of acceptability for a family newspaper The study challenges established interpretations of social change by drawing attention to the ways in which the press opened up the public discussion of sexuality before the permissiveness of the 1960s Exploring the spectacular diversity of the press's sexual content from advice columns to pin ups from court reports to celebrity revelations Bingham offers a rich and thought provoking investigation of a media form that has done much to shape the character of modern Britain     **Index to the Times** Times (London, England),1968     **The Economist**,1997     **Dictionary of World Biography** Frank Northen Magill,1998 A revision and reordering with new entries added of the material in the thirty vols comprising the various subsets designated series published under the collective title *Great lives from history* 1987 1995     *The British National Bibliography* Arthur James Wells,1962     Index to the Times,1966     **Eve's Herbs** John M. Riddle,1999-04-15 In

Contraception and Abortion from the Ancient World to the Renaissance Riddle showed that women from ancient Egyptian times to the fifteenth century had relied on an extensive pharmacopoeia of herbal abortifacients and contraceptives to regulate fertility Here he explores why knowledge of these methods was lost in modern times      *Public Health Service Publication* ,
