process of self discovery by offering a matter of fact guide to spiritual unfolding through discussion and dialogue **Art and Aesthetics of Modern Mythopoeia V2** Ritushree Sengupta & Ashish Kumar Gupta,2021-05-15 Human culture has always weaved myths around its pattern of existence for multiple purposes The interplay of religion and social practices have found their own space within the sphere of mythology It is possible to read mythical texts to probe into the greater picture of human civilization The contribution of myths towards the shaping of human beliefs behavioural patterns are evident and assessing them often reveals a plethora of cultural histories unexplored and therefore unacknowledged before The contribution of mythopoeia towards the construct of human socio cultural identity has been largely accepted Modern academia has thus taken a strong interest in revisionist literature to understand the hitherto unknown nuances of human civilization In the edited anthology *Art and Aesthetics of Modern Mythopoeia Literatures Myths and Revisionism Vol II* like the first volume an attempt has been made to anthologize the works of a large number of authors who have talked about pertinent issues in the context of myth making the latent politics of mythopoeia and has taken into account several under explored texts that are rich in mythical content This volume offers a wide range of critical studies involving classical as well as modern myths around the globe *Feminine Journeys of the Mahabharata* Lavanya Vemsani,2021-05-21 The Mahabharata preserves powerful journeys of women recognized as the feminine divine and the feminine heroic in the larger culture of India Each journey upholds the unique aspects of women s life This book analytically examines the narratives of eleven women from the Mahabharata in the historical context as well as in association with religious and cultural practices Lavanya Vemsani brings together history myth religion and practice to arrive at a comprehensive understanding of the history of Hindu women as well as their significance within religious Indian culture Additionally Vemsani provides important perspective for understanding the enduring legacy of these women in popular culture and modern society **Tales from the Upanishads** ,2005-12 *Annals and Antiquities of Rajast'han, Or, The Central and Western Rajpoot States of India* James Tod,1873 **Indian Festivals Activity Workbook** Dinesh Verma,2010-12-14 India has a rich cultural heritage expressed through the large number of festivals celebrated across the country This book introduces the spectrum of Indian festivals using an activity book approach The concepts are introduced using activities such as matching exercises crossword puzzles and finding paths in a maze The festivals are arranged in chronological order with the January festivals at the beginning of the book culminating with festivals that fall in December This book will be a good launching pad to introduce children to the rich culture of India in a fun manner **Spirituality For Freedom** S.K. Mishra,2024-12-28 This book is written for all professionals and nonprofessionals who are spiritual and have an interest in Soul Elevation The Yogis who want to achieve God realisation and ultimate freedom in this life will find this book quite valuable God bless all the Spiritual Aspirants References Vedantas **Popular Hindu Mythological Stories** Isha Riya,2023-12-06 The Hindu Religious Texts are those eternal beacons that have been illuminating the universe with their unreachable eternal and ever relevant light

since its inception Its light contains that element of immortality that has nurtured and nourished the very root of the Sanatana Dharma It is a unique gift from India to the world for its eternal welfare There are believed to be ten Upanishads Isha Kena Katha Prashna Mundaka Mandookya Taittareeya Eitareiya Chandogya and Brihadaaranyaka The Hindu Religious Texts have their etymological significance Even the word Upanishad has a variety of meanings This word is formed in Sanskrit by joining two words Upa meaning close or quite near and Nishada meaning listening It appears the Veda knowledge was originally explained and interpreted by the wise seers and their disciples used to sit near them to listen to their discourses Subsequently they must have come to be collected and produced in the tome s or book s form So they got another meaning which means a book But like the Vedas their accepted broad meaning is knowledge profound Since the Upanishads convey the last word or the ultimate teachings of the Vedas they are also called the Vedanta The quest for truth is the common feature of all the Upanishads which makes their relevance eternal The Hindu Religious Texts also reflect the ideal examples of the Guru Shishya Parampara wherein knowledge maintains its perennial flow from the mentor to the disciple Given in the form of a question answer format they reveal most of these mysteries of creation in a most natural logical manner using a variety of similes and metaphors symbols and allusions to explain the relationship between the soul and the Lord Supreme or Brahman with a telling effect As a matter of fact in the absence of the Upanishads perhaps we might not have realized the true meaning of the Veda teachings This e book contains educative entertaining and enlightening stories that not only guide us on to the righteous path but also quell the unrighteous tendencies inherent in us It is hoped that these fairy tales will not only make us spiritually richer but also morally and socially better people Although most of the stories owe their origin to the Upanishads Some of them have been culled from other sources as well The idea is to reveal that element through these small stories which are fundamental to our Indian culture and ethos The Upanishads are called spiritual knowledge as they convey the essence of the Veda teachings
