Scott focuses on different types of lies we tell and presents the stories of ordinary people who have lied to gain advantages in their careers, relationships, and other aspects of their lives.

Birth Control José C. Espinosa, 1985 *Humanae Vitae, a Generation Later* Janet E Smith, 1991 Janet E Smith presents a comprehensive review of this issue from a philosophical and theological perspective. Tracing the emergence of the debate from the mid 1960s and reviewing the documents from the Special Papal Commission established to advise Pope Paul VI, Smith also examines the Catholic Church's position on marriage, which provides context for its condemnation of contraception.

Big Liars Christian L Hart, Drew A. Curtis, 2023-07-25 This book investigates the science behind big liars: those rare people who use lies as their principal way of navigating life. Most people are mostly honest most of the time. And there aren't that many big pants on fire liars in the population overall. But just a few big liars can have an outsized impact on the people around them, ruining personal relationships, bankrupting businesses, and even when they attain political power, undermining the fabric of society. *Big Liars* explores this small but dangerous group through the lens of psychological science. Fascinating new research gives us insight into the nature of dishonesty and dishonest people, explaining who lies, what types of people lie a lot, how often people lie, how big liars are created, how they operate, how we can recognize them, and how we can avoid

being victimized by them This book has crucial implications for mental health treatment as well as our efforts to grapple with the effects of big liars and their big lies on social movements and society as a whole

Zohrab,2002 *The Birth Control Clinic in a Marketplace World* Rose Holz,2014-02 An examination of the complex interrelationship between charity birth control clinics and the commercial marketplace in the United States through the 1970s The Birth Control Clinic in a Marketplace World is the first book to chart the origins and evolution of the charity birth control clinic movement in the United States from the 1910s through the 1970s a period that witnessed dramatic transformation in the goods and services such clinics provided Rose Holz uncovers the virtually unexamined relationship between Planned Parenthood and the commercial marketplace sphere Challenging more than thirty years of historiography on birth control Holz sheds new light on battles over reproductive rights through her analysis of the Planned Parenthood Federation of America within the context of the commercial birth control world Revealing that it would be Planned Parenthood's engagement to charity the argument the organization once used to discredit the presumed profit driven exploitation of the marketplace that would put precisely those women it hoped to assist in dangerous situations she asks such probing questions as What were the meanings attached to the provision of birth control and its commercial distribution How in turn were these meanings used as sources of power The project draws on rich primary sources to answer these questions and to examine the historical role of the local birth control clinic in modern America Rose Holz earned her PhD in history from the University of Illinois at Urbana Champaign She is associate director of and associate professor of practice in the Women's and Gender Studies Program at the University of Nebraska Lincoln **Little White Lies, Deep Dark Secrets** Susan Shapiro Barash,2025-06-25 From the bestselling author of *Tripping the Prom Queen* comes a fascinating and provocative look at the reasons behind female deception Little White Lies Deep Dark Secrets reveals how society doles out mixed messages to women fostering the lies they tell Among the liars are A woman who shoplifts and has it down to a science A woman who tells her husband she is working late in order to be with her lover A woman who lies about her children's achievements to her friends A woman who pretends her husband is doing well when they are going broke A woman who has covered up her husband's emotional abuse for years A woman whose secret is her misery in being a stay at home mom in suburbia A woman who lies about loving her partner deciding it's better to stay than be alone And many other secrets and deceptions Honest and even outrageous Susan Shapiro Barash is fast becoming the author who explores issues that are important to women issues that they are loath to talk about until now **Congressional Record , Midwifery and the Medicalization of Childbirth** Edwin R. Van Teijlingen,2004 This book provides an introduction to the sociological study of midwifery The readings have been selected to highlight the interplay between midwifery and medicine reflecting the medicalization of childbirth It highlights the major themes in both a historical and a current context as well as western and non western societies Two major themes underlie the organization of this book that the conception of midwifery must be

broadened to encompass a sociological perspective and that the ongoing trend toward the medicalization of midwifery is crucial to an understanding of the historical current and future status of midwifery By medicalization of childbirth and midwifery the author mean the increasing tendency for women to prefer a hospital delivery to a home delivery the increasing trend toward the use of technology and clinical intervention in childbirth and the determination of medical practitioners to confine the role played by midwives in pregnancy and childbirth if any to a purely subordinate one **Congressional Record** United States. Congress,1999 Women and Religious Life in Byzantium Alice-Mary Talbot,2024-10-28 After an introductory general essay on the life cycle and status of women in Byzantine society this volume focuses on female religious life with particular emphasis on the role of convents as spiritual sanctuary refuge for women in need or provider of charitable services Several essays compare Byzantine nunneries with male monasteries pointing out the relatively small size and lack of intellectual and artistic activity in convents and more rigorous rules of enclosure and stability Such phenomena as double monasteries the conversion of a monastery to a nunnery and women s economic and spiritual ties with Mount Athos are also examined Other articles investigate issues of female sanctity and sanctification analyzing types of women saints women during the era of iconoclasm and the role of the family in promoting the cult of a holy woman In addition there are studies on healing shrines in Constantinople in the middle Byzantine and Palaiologan periods and the resurgence of hagiographical writing in the late Byzantine era particularly the reworking of the vitae of older saints
