us back to the true worship and lifestyle that brings us into fellowship with Him He is anxious to forgive and redeem and His Word contains all that is needed to serve and worship Him in spirit and in truth

May to May - My Journey to Self-love with God Reabetswe Moabi,2024-08-16 One of society's main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live

care while enduring the emotional manipulation of a sadistic alcoholic father and an enabling dispassionate mother Melissa struggles to understand what it means to love and be loved A chance encounter with a young pastor changes the trajectory of her life and gives her the tools a young girl needs for surviving the worst cruelty and neglect Though she finds strength and inspiration in faith she is unaware of the psychological damage sustained and the inevitability of its shadow looming over every critical life decision Her dream of the perfect life is in no way her North Star as inner voices from the past remind her of her unworthiness When her handsome prince of a husband reveals himself to be anything but Melissa is overwhelmed with grief humiliation guilt and hopelessness It is only through seeking proper therapy while relying on her faith that she is able to climb out of the abyss of self loathing If readers had what they feel was a safe and nurturing childhood this book will read like a horror story Not since Dorothy Allison s semiautobiographical work *Bastard Out of Carolina* have child abuse and family dysfunction been so blatantly and painfully shoved in our faces But hope and survival are on the horizon as John Sternfels and his coauthor Mellisa Roberts explain the psychology behind child trauma how it is carried forward systemically if not addressed and how the right therapist along with immovable faith are the keys to a life of fulfillment and forgiveness
