## **Birthrights Soulmates Two Plays:**

**Birthrights ; Soulmates** David Williamson, *Belonging* John McCallum, 2009 John McCallum's new history explores the relationship between 20th century Australian drama and a developing concept of nation. The book focuses on the creative tension sparked by dueling impulses between nationalism and cosmopolitanism and between artistic seriousness and larrikin populism. It explores issues such as the domineering influence of European high culture, the ongoing popularity of representational realism, the influence of popular theatrical forms, the ambivalence between affection and aggression of much Australian humour and satire, and the interaction between the personal and the political in drama. The strength of *Belonging* is its comprehensiveness: anyone studying an Australian play will find an account of it here in the context of the other works by its author or the time and place in which it was written. As well as a rundown of the major writers and their works, and an account of how the minor writers fitted in, the book also investigates the more obscure plays and writers about whom little has been written. This authoritative study of Australian drama gives an account of the relationship between our theatre and our sense of self while taking into account a broad range of influences that helped to shape both.

**Australian Writers, 1950-1975** Selina Samuels, 2004 Gives a picture of Australian literary production in the period from the accession of Robert Menzies through the dreary 1950s and the upsurge of the 1960s to the years of Gough Whitlam and his removal from office with Kerr's coup.

**The Ivan R. Dee Guide to Plays and Playwrights** Trevor R. Griffiths, 2003 Here is the most useful and comprehensive reference book for contemporary theatre now available.

**The Theatre Guide** Trevor R. Griffiths, 2014-07-04 With over 500 entries on the most important plays and playwrights performed today, *The Theatre Guide* provides an authoritative A-Z of the contemporary theatre scene. From Aristophanes to Mark Ravenhill, *The Alchemist* to *The Talking Cure*, the Guide is both biographically detailed and critically current, while an extensive cross-referencing system allows for wider perspectives and new discoveries. Stimulating, observant, and informative, *The Theatre Guide* is an essential companion and reference tool for anyone with an active interest in drama.

[Alpha's Tortured Hybrid Mate](#) A. E. Randell, 2023-06-02 I don't remember my name anymore. I'm simply Number 42. Locked away. Starved. Tortured. Alone. With only my inner voice to keep me company. Had my torturer finally driven me to insanity. As soon as the chance to escape appeared, I took it. My inner voice guiding the way and showing me a world I didn't know existed. How do I navigate a world that refuses to accept me for who I am? I am Nate Alpha of the Wandering Hearts Pack. Our world is brutal and unforgiving, and the weak will not survive long. With the arrival of my fated mate, and I decide to make her Luna. But the Alpha King has voiced his objections, and the rest of our world will fall behind him. My mate's wolf is formidable, but her human form is fragile. Yet I know inside her lies something intangible that hints at greater power. It's my duty as her mate to support her as she faces this world and her past. Will she be strong enough to overcome it all?
