Biscayne Country 18701926

Craig Pittman

Biscayne Country 18701926:

Key Biscayne Joan Gill Blank,1996 Using many photographs the author reveals a fascinating piece of geography Key Biscayne America s southernmost barrier island *Black Miami in the Twentieth Century* Marvin Dunn,1997-11-19 The first book devoted to the history of African Americans in south Florida and their pivotal role in the growth and development of Miami *Black Miami in the Twentieth Century* traces their triumphs drudgery horrors and courage during the first 100 years of the city s history Firsthand accounts and over 130 photographs many of them never published before bring to life the proud heritage of Miami s black community Beginning with the legendary presence of black pirates on Biscayne Bay Marvin Dunn sketches the streams of migration by which blacks came to account for nearly half the city s voters at the turn of the century From the birth of a new neighborhood known as Colored Town Dunn traces the blossoming of black businesses churches civic groups and fraternal societies that made up the black community He recounts the heyday of Little Broadway along Second Avenue with photos and individual recollections that capture the richness and vitality of black Miami s golden age between the wars A substantial portion of the book is devoted to the Miami civil rights movement and Dunn traces the evolution of Colored Town to Overtown and the subsequent growth of Liberty City He profiles voting rights housing and school desegregation and civil disturbances like the McDuffie and Lozano incidents and analyzes the issues and leadership that molded an increasingly diverse community through decades of strife and violence In concluding chapters he assesses the current position of the community its socioeconomic status education issues residential patterns and business development and considers the effect of recent waves of immigration from Latin America and the Caribbean Dunn combines exhaustive research in regional media and archives with personal interviews of pioneer citizens and longtime residents in a work that documents as never before the life of one of the most important black communities in the United States Dreamers, Schemers and Scalawags Stuart B McIver,2014-10-01 Florida has been the home of many unusual characters throughout the years Meet Ned Buntline Laura Riding Wilson Mizner Sam Jones and many others Storytellers lawbreakers movers and shakers sportsmen moviemakers visionaries and mobsters all left their mark on Florida Next in series See all of the books in this series The Book Lover's Guide to Florida Kevin M. McCarthy,1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher **Shipwrecks of Florida** Steven D Singer,1998-08 Over 2 100 shipwrecks from the 16th century to the present the most comprehensive listing now available Wrecks are arranged primarily by geographical section of the state Within sections wrecks are arranged

chronologically Extensive and heavily illustrated appendices offer a wealth of information on topics of interest to divers and researchers alike A companion volume More Shipwrecks of Florida is now available from Pineapple Press *Working in the Magic City* Thomas A. Castillo,2022-06-28 In the early twentieth century Miami cultivated an image of itself as a destination for leisure and sunshine free from labor strife Thomas A Castillo unpacks this idea of class harmony and the language that articulated its presence by delving into the conflicts repression and progressive grassroots politics of the time Castillo pays particular attention to how class and race relations reflected and reinforced the nature of power in Miami Class harmony argued against the existence of labor conflict but in reality obscured how workers struggled within the city s service oriented seasonal economy Castillo shows how and why such an ideal thrived in Miami s atmosphere of growth and boosterism and amidst the political economy of tourism His analysis also presents class harmony as a theoretical framework that broadens our definitions of class conflict and class consciousness **Natural Heritage** Peter Howard,Thymio Papayannis,2013-10-18 It has become more and more accepted that nature conservation is not possible without taking into account human activities Thus an integrated approach to both the natural and cultural heritage is being encouraged and developed Gathering a number of distinguished authors with diverse backgrounds from a religious leader to academics to conservation scientists the book aims to investigate the relationship between human beings and nature between nature and culture Looking at nature as heritage of the human race is a recognition both of the tremendous impacts both positive and negative that human activities have had on the natural environment as well as the acceptance of human responsibility for managing our planet in a sustainable and sensitive manner The texts included examine this interface between human beings and nature in specific places from the Everglades in Florida and Mont Saint Micelle in Atlantic France to the UK Europe and the Mediterranean as well as on a theoretical basis and in the context of the international biodiversity conventions **Manatee Insanity** Craig Pittman,2010-05-09 The quiet manatee has long been a flash point of frequent environmental debates It is Florida s most famous endangered species as well as its most controversial Manatees appear on hundreds of license plates attract hordes of tourists and expose the uneasy relationships between science and the law and between freedom and responsibility like no other animal As passions have flared and resentments have grown the battle over manatee protection has evolved into a war and no reporter has followed the story more closely than Craig Pittman the first environmental writer to explore the complex history culture and science of the controversies and concerns surrounding this remarkable creature With an abiding interest in the uncertain fate of this unique species Manatee Insanity provides the first in depth history of the attempts to provide legal protection for the manatee Pittman follows Florida s gentle giants through time and space detailing interactions with a variety of human actors from Jacques Yves Cousteau to Jeb Bush to Jimmy Buffett from a popular children s book author to a federal lawyer who dressed in a gorilla suit for the ultimate undercover assignment Seeking the American Tropics James A. Kushlan,2020-08-11 For centuries the southernmost region of the Florida peninsula was seen by outsiders as wild and

inaccessible one of the last frontiers in the quest to understand and reveal the natural history of the continent Seeking the American Tropics tells the stories of the explorers and adventurers who for better and for worse helped open the unique environment of South Florida to the world Beginning with the arrival of Juan Ponce de Le n in 1513 James Kushlan describes how most of the famous Spanish explorers never made it to South Florida leaving the area s rich natural history out of scientific records for the next 250 years It wasn t until the British colonial and early American periods that the first surveyors were commissioned and the first naturalists Titian Peale and John James Audubon arrived to collect draw and report the subtropical flora and fauna that were so unique to North America Moving into the railroad era Kushlan illuminates the activities of scientists such as Henry Nehrling and Charles Torrey Simpson alongside the dabbling of wealthy amateur naturalists He follows the story to the 1920s when tourism was flourishing and signs of ecological damage were starting to show Years of wildlife trade resource extraction invasive species introduction and swamp drainage had taken their toll And many of the naturalists who had been outspoken about protecting South Florida s environment had also played a part in its destruction Today the region is among one of the most thoroughly studied places on the planet but at a cost In this absorbing and cautionary tale Kushlan illustrates how exploration has so often trumped conservation throughout history He exposes how much of the natural world we have already lost in this vivid portrait of the Florida of yesterday

The Swamp Michael Grunwald, 2006-10-31 Brilliant The Washington Post Book World Magnificent The Palm Beach Post Rich in history yet urgently relevant to current events The New Republic The Everglades in southern Florida were once reviled as a liquid wasteland and Americans dreamed of draining it Now it is revered as a national treasure and Americans have launched the largest environmental project in history to try to save it The Swamp is the stunning story of the destruction and possible resurrection of the Everglades the saga of man s abuse of nature in southern Florida and his unprecedented efforts to make amends Michael Grunwald a prize winning national reporter for The Washington Post takes readers on a riveting journey from the Ice Ages to the present illuminating the natural social and political history of one of America s most beguiling but least understood patches of land The Everglades was America s last frontier a wild country long after the West was won Grunwald chronicles how a series of visionaries tried to drain and reclaim it and how Mother Nature refused to bend to their will in the most harrowing tale a 1928 hurricane drowned 2 500 people in the Everglades But the Army Corps of Engineers finally tamed the beast with levees and canals converting half the Everglades into sprawling suburbs and sugar plantations And though the southern Everglades was preserved as a national park it soon deteriorated into an ecological mess The River of Grass stopped flowing and 90 percent of its wading birds vanished Now America wants its swamp back Grunwald shows how a new breed of visionaries transformed Everglades politics producing the 8 billion rescue plan That plan is already the blueprint for a new worldwide era of ecosystem restoration And this book is a cautionary tale for that era Through gripping narrative and dogged reporting Grunwald shows how the Everglades is still threatened by the same hubris greed and well

intentioned folly that led to its decline **The Stranahans of Fort Lauderdale** Harry A. Kersey,2022-09-06 The story of Frank and Ivy Stranahan two individuals who shaped the development of one of Florida s major urban centers **Biscayne Bay** Kay K. Hale,1993 Forgotten Doors M. Mark Stolarik,1988 This collection concentrates on the story of immigration through ports of entry to the United States other than Ellis Island including Boston Philadelphia Baltimore Miami New Orleans San Francisco and Los Angeles The ethnic development of these cities is described **Flagler** Edward N. Akin,2020-04-15 From reviews of the first edition A succinct and informed account of Flagler s leadership in transforming Florida s economy American Historical Review An important contribution to the understanding of Standard Oil s extended partnership and how the personal desire of Flagler led to the early development of Florida s Atlantic Coast The Historian Henry M Flagler 1830 1913 the ambitious Gilded Age tycoon who designed and built much of Florida s fashionable east coast rode to success on the rails As John D Rockefeller s closest adviser in the 1870s Flagler helped assemble the Standard Oil empire In this thoroughly researched biography Akin shows that Flagler understood early in his career that cheap freight rates determined industrial profits Portraying Flagler as an aggressive entrepreneur Akin documents his shrewd negotiations to obtain reduced rates rebates and drawbacks from the railroads thus assuring Standard Oil s national domination over oil transportation costs Flagler drove himself as hard as he drove a bargain obsessed with the desire to create a monument to himself that he called my domain His legacy was no less than modern Florida In 1885 at the age of fifty five he turned his attention away from Standard Oil and began construction of the Ponce de Le n luxury hotel in St Augustine the city where he had honeymooned with his second wife Realizing he could never fill its rooms unless better transportation with the North was available he embarked on the second railroad venture of his lifetime creation of the Florida East Coast Railway Flagler s resort empire eventually included The Breakers in Palm Beach and the Royal Palm in Miami his Atlantic coast railroad extended all the way to Key West an engineering achievement that was called the eighth wonder of the world By the beginning of the twentieth century Flagler dominated not just the resort and railroad industries in Florida but steamship and agricultural operations too Florida politicians gave his projects preferential treatment even changing the state s divorce law so he could marry for a third time Woven into this biography are details about Flagler s family personality three marriages alienation from his only son and devotion to the Presbyterian church copy that fueled society gossip columns from New York to Palm Beach for decades Edward N Akin author of Mississippi An Illustrated History and other works on southern history taught at Mississippi College in Clinton His biography of Henry Flagler won the 1985 Phi Alpha Theta manuscript prize

State Library of Florida, Florida Collection County Histories Florida State Library,1988 Bibliographic Guide to North American History ,1985 The Florida Historical Quarterly Florida Historical Society,2005 Tequesta ,2008 **A Guide to the History of Florida** Paul S. George,1989-12-06 Florida s history the longest and among the most colorful of any state has been voluminously recorded in books monographs newspaper accounts diaries and journals memoirs and letters Regional

libraries and archives are filled with accounts of Indian life Spanish and British settlement and Florida's growth and development as a state This bibliographic study is the first to bring together these materials providing assessments of the available resources as well as discussions of specific archives and collections The first section of the Guide consists of fifteen historiographical essays on major works and scholarly interpretations for each period of Florida's history and for major topics The section surveys libraries and archives that contain important collections in Florida history Essays have been contributed by thirty of Florida's best known historians archivists librarians and other scholars A valuable resource for researchers students genealogists and the interested public this book is an appropriate selection for reference collections in American regional or Florida history

William and Mary Brickell Beth Brickell, 2011-12-13 Beyond the streets and buildings that now bear the name Brickell is the rich history of William and Mary Brickell who worked alongside Julia Tuttle and Henry Flagler to found Miami and Fort Lauderdale Hollywood writer and director Beth Brickell has uncovered the history of this dynamic couple from William's origins in Ohio to his adventures in the California and Australian gold rushes and marriage to Mary This never before told story reveals both disappointment and triumph as these two pioneers clashed with Flagler and John D Rockefeller during the robber baron days of the oil industry and finally tamed the wilderness of South Florida

The Enigmatic Realm of **Biscayne Country 18701926**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Biscayne Country 18701926** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
