Bisexual Lives

Ritch C. Savin-Williams

Bisexual Lives:

Bisexual Lives, 1988 Bisexuals are people who experience a desire for emotional sensual or sexual relationships with people of both sexes There are an enormous number of them in the world This book contains a collection of short pieces written by bisexual women and men about their experiences of what it is like to be bisexual from back cover Bisexuality and the Eroticism of Everyday Life Marjorie Garber, 2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal

Bisexual Spaces Clare Hemmings, 2013-11-12 A largely unexplored area this is an innovative and original examination of bisexual spaces as places that are defined by both geographical boundaries and cultural significance Hemmings applies the ideas of queer theory as well as social and cultural geography in her fascinating investigation into the spaces and places of bisexual life Specifically focusing on Northampton MA and San Francisco she draws on interviews with community members and the town histories showing how and why they have developed into safe places for the gay lesbian and bisexual communities By mapping out a space of bisexuality *Bisexual Spaces* provides a new and provocative understanding of the concept **Bi** Ritch C. Savin-Williams, 2023-06-13 Despite the increasing visibility of LGBTQ people in American culture our understanding of bisexuality remains superficial at best Yet five times as many people identify as bisexual than as gay or lesbian and as much as 25 percent of the population is estimated to be bisexual In *Bi* noted scholar of youth sexuality Ritch Savin Williams brings bisexuality to centerstage at a moment when Gen Z and millennial youth and young adults are increasingly rejecting traditional labels altogether Drawing on interviews with bisexual youth from a range of racial ethnic and social class groups he reveals to us how bisexuals define their own sexual orientation and experiences in their own words Savin Williams shows how and why people might identify as bisexual as a result of their biology or upbringing as a bridge or transition to something else as a consequence of their curiosity or for a range of other equally valid reasons Amazon com

The Bisexual Option Fritz Klein, 2014-05-22 Soon to be translated into Japanese *The Bisexual Option* explores bisexuality explains the bisexual and explodes myths surrounding this large unseen segment of the population Now in its second edition this intriguing book gives an overview of bisexuality As there is still no book that covers the subject like this one it is must reading for establishing a contemporary view of bisexuality and those committed to a bisexual lifestyle Fritz Klein an experienced psychiatrist and expert in bisexuality and sexual orientation explains the concept and the variables of sexual orientation and where bisexuality fits He covers many subjects in the book including myths of bisexual nonexistence and the either/or dilemma intimacy both emotional and sexual an explanation of bisexuality and the Oedipus Complex definitions and examples of the healthy and troubled bisexual major sociological findings about bisexuality the bisexual in history the bisexual as depicted in the arts factors that will influence bisexuality in the future The book helps readers understand where they fit on the sexual orientation continuum *The Bisexual Option* aids in explaining who bisexuals are and why they have

problems in heterosexual as well as homosexual societies and shows bisexuals that they are not alone Even helping professionals will find information on this invisible but large segment of the population A variety of readers will want to read *The Bisexual Option* including the bisexual community and individual bisexuals the homosexual communities which include many bisexuals mental health practitioners psychologists both students and professionals university students married partners of bisexuals HIV AIDS workers who wish to become acquainted with how bisexuality affects the risk to the heterosexual community sexologists and researchers

Bi America William Burleson, 2014-04-04 Gain an in depth understanding of the unique struggles of the bisexual community To me the gay and straight worlds are exactly the same equally limited judgmental and bourgeois just mirror images of each other I truly like and overlap with some of the gay world but my roots refuse to take hold there and grow Unfortunately my well established roots in the straight world are simultaneously shriveling and dying too leaving me feeling extremely unstable Cool a bisexual woman involved in a support group There are at least five million bisexual people in America generally invisible to straight society the gay community and even to each other While the vast majority of these five million live within the straight or gay world there are a few who have formed a community of their own *Bi America Myths Truths and Struggles of an Invisible Community* offers an inside look at the American bisexual community and gives an understanding of the special circumstances unique to being bisexual The book takes the reader to bi community events from picnics to conferences to support groups to performances in order to expose the everyday trials of the bisexual community *Bi America* includes very personal stories that let the voice of everyday bisexuals be heard through interviews the Bisexual History Project in which ten bisexual people tell their life stories and the Online Support Group a group of about 75 people who meet in cyberspace to talk about their lives and challenges The book also includes the findings of a 2002 survey of about 300 bisexual people conducted via the Internet an appendix that offers a concise list of resources for further study and personal enrichment and an unabridged transcript of the Bisexual History Project Get the answers to these questions in *Bi America* What is bisexuality Is there a bisexual community What is the culture of the bisexual community What are commonalities and differences between the experiences of bi men and bi women What is the special relationship between the bisexual and the transgender community How have bisexuals and the bi community been affected by HIV AIDS What is the future of bisexual activism if any and many more *Bi America* is a fascinating resource that exposes the challenges struggles and triumphs of bisexuals in America Bisexuals especially those newly coming out can use this book to help understand their identity and family members and friends seeking some insight into the unique circumstances faced by their loved ones will also find it helpful This book will interest those concerned with the sociology of deviance or with subcultures in general It is also appropriate for undergraduate sociology and cultural anthropology as well as feminist studies and LGBT studies classes This book offers one of the few accessible nonacademic looks at this unique and interesting community Visit the book s Web site at <http://www.bi101.org>

Bisexual Women M Paz

Galupo, 2013-03-07 Understand the unique emotional dynamics of bisexual women's friendship relationships Prevailing attitudes toward bisexuality affect every aspect of a bisexual woman's emotional and sexual life *Bisexual Women Friendship and Social Organization* comprehensively explores the friendship relationships of bisexual women and the ways that bisexuality shapes the friendship experience This book fills a gap in the literature and research on bisexuality and friendship presenting leading experts discussing the latest qualitative and quantitative studies on this rarely visited topic This examination explains how the friendships of bisexual and bi curious women can be affected by sexism heterosexism biphobia and racism as well as providing an insightful review of how bisexual women are portrayed in film and literature Bisexual and bi curious women often have a more diverse range of friendship experiences than heterosexual women *Bisexual Women Friendship and Social Organization* presents studies and personal essays to provide a comprehensive understanding of the patterns of various friendship relationships that exist because of and in spite of prevalent social attitudes about bisexuality This extensive look details various aspects of bisexual women's relationships as well as society's biases and preconceived notions Analysis of research explores the various effects that being bisexual has on the way women approach friendship as well as how society views both bisexuality and relationships Topics in *Bisexual Women Friendship and Social Organization* include research into young women's emerging sexual orientation identity types of friendships formed by bisexual women how friendship experiences are shaped by sociopolitical attitudes bisexual images in popular media critique of the bisexual women's friendship literature how heterosexism shapes platonic and erotic relationships how bisexuality constricts social relationships analysis of how sexual experiences influenced friendships much more *Bisexual Women Friendship and Social Organization* is insightful important reading for psychologists counselors LGBT studies professionals educators and students

Older Lesbian, Gay and Bisexual Adults Andrew King, 2016-06-03 Andrew King is Senior Lecturer in Sociology at the University of Surrey UK and co editor of *Sociological Objects Reconfigurations of Social Theory* *The Course of Gay and Lesbian Lives* Bertram J. Cohler, Robert M. Galatzer-Levy, 2000-08 The authors argue that there is little support for assuming that homosexuality has a biological basis Recognizing the many pathways that lead to same gender sexual orientation the authors conclude that the cause is much less important than understanding the meaning of being homosexual *Mapping Desire* David Bell, Gill Valentine, 1995 This is the first book to explore sexualities from a geographical perspective The nature of place and notions of space are of increasing centrality to cultural and social theory *Mapping Desire* presents the rich and diverse world of contemporary sexuality exploring how the heterosexual body has been appropriated and resisted on the individual community and city scales The geographies presented here range across Europe America Australasia Africa the Pacific and the imaginary cutting across city and country and analysing the positions of gay men lesbians bisexuals and heterosexuals The contributors bring different interests and approaches to bear on theoretical and empirical material from a wide range of sources The book is divided into four sections cartographies identities sexualised spaces global local sexualised

spaces local global sites of resistance Each section is separately introduced Beyond the bibliography an annotated guide to further reading is also provided to help the reader map their own way through the literature

Male Bisexuality in Current Cinema Justin Vicari,2014-01-10 In recent decades male bisexuality has become a recurring topic in international cinema as filmmakers and their works challenge our ideas about sexual freedom and identity In all of these films more than a dozen of which are covered here bisexuality is treated both as an actual practice and a complex metaphor for a number of things including the need to adapt to changing environments the questioning of rigidly traditional male roles and identities the breakdown and regeneration of the structures of families the limitations of monogamy and the stubborn affirmation of romantic love

LGBTQ+ People and Dementia Sue Westwood,Elizabeth Price,2023-08-07 Bringing together research policy and the voices of LGBTQ people with dementia this good practice guide highlights the importance of a person centred approach Care and support should recognise and validate different and often intersectional LGBTQ identities Readers are encouraged to move away from the idea of equality as treating everyone the same towards treating everyone as individuals The vast changes in the social and legal status of LGBTQ people through recent decades can uniquely affect their later lives Dementia services are often under prepared to meet their needs and there can be prejudice and discrimination Creating LGBTQ inclusive services can be challenging The book explains how to deal with these challenges giving lots of practical examples Food for thought sections offer opportunities for reflection Becoming more informed about LGBTQ lives and creating services which are LGBTQ inclusive will improve the experiences of LGBTQ people living with dementia and encourage the best possible quality care

Counselling Ideologies Lyndsey Moon,2016-05-13 Counselling Ideologies draws our attention to the dilemmas inherent within the therapeutic ideologies commonly subscribed to by psychotherapists and counsellors working with those who challenge heteronormative models and approaches Identifying the modernist heteronormative understandings of the world implicit in the more popular models this book employs queer theory to challenge these ideologies drawing on disciplines both within and outside of counselling and psychology as well as sociology cultural studies and various ethnographic accounts It highlights the dilemmas faced by those who may wish to practise as queer therapists addressing not only therapeutic dilemmas but also issues such as identity race coming out experiences internalised homophobia empathy ethical issues bisexuality and pathologisation Comprising contributions from both academic experts and practitioners from the UK USA and Australia this book represents a new approach to counselling and psychotherapy that will appeal not only to sociologists and those working in the field of mental health but also to scholars of race and ethnicity gender queer studies and queer theory

Bisexual Lives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bisexual Lives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bisexual Lives has opened up a world of possibilities. Downloading Bisexual Lives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bisexual Lives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bisexual Lives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bisexual Lives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bisexual Lives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bisexual Lives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
