A Breath of Life Clarice Lispector,2022-07-28 A Breath of Life is Clarice Lispector s final novel written in agony which she did not live to see published Sensual and mysterious it is a mystical dialogue between a god like author and the creation he breathes life into the speaking shifting indefinable Angela Pralini As he has created Angela so eventually he must let her die for life is merely a kind of madness that death makes This is a unique elegiac meditation on the creation of life and of art

Somos Tejanas! Jody A. Marín,Norma E. Cantú,2025-02-11 This anthology much like Norma Cantu s previous edited volume with us Entre Guadalupe y Malinche Tejanas in Literature and Art brings together an impressive collection of poets writers scholars and artists But whereas Entre was an anthology of primary source material such as art poetry and literature

collected from the past century Somos Tejanas brings together poets writers artists and academics to share contributions that rethink what Tejana identity and Tejanidad is and could be as a scholarly field of study which they name Tejane studies and as a way of being for readers both in the classroom and the general public There is a mixture of critical essays on culture including music dance and art alongside poetry and short stories offering nuanced texts rooted in Tejana culture Part I includes poetry and personal narratives that explore the heterogeneity of Tejana identity Part II focuses on cultural production and investigates the hidden transcripts of activism via cultural expression Through the lens of these movidas or sociopolitical movements they are able to take a fresh look at how music dance material culture and storytelling identify them as Tejana Part III considers the theme of resilience as a key aspect of Tejanidad in the past and present Essays contemplate the history and memory of segregation in Texas and challenges to education in the past and present Other essays take a historical look back at women s athletic participation in La Liga Hispano Americana Femenina and consider the struggles of surviving the historic winter storms and blackouts of 2021 during the COVID pandemic Migration in and out of Texas is explored both in terms of the possibility of greater opportunities for Tejana women but also in terms of displacement as de territorialized existences For instance in the personal essay Crossing the Border to Better Times Mar a Luisa Ornelas June s reminisces about the fluidity of border crossing that outlined her teenage years in Laredo that is no longer possible due to drug cartel violence in Mexico and the ever tightening border restrictions in the U S The final section on artwork explores visual representations of Tejana embodiment in all of its unique forms

each member that covers childhood to the demise of the group Other contributors include Mike Watt Alexander Hacke Steve Gullick Rebecca Gates Jeff Lane Sasha Frere Jones KRK Bernie Bahrmassel and many more The Jesus Lizard 1988 1999 hailed from Chicago by way of Austin Texas They released seven records on the independent record label Touch and Go and a few more on different major labels Many have called them the best live band of the 1990s Unlike most of their contemporaries the Jesus Lizard managed to create a beast an entirely autonomous being an entity who outgrew and is very likely to also outlive its makers While each and every personality in the group is an integral part of its mentality and thus ultimately irreplaceable it is the rapport and friction between them which makes the music possible allows it to blossom and eventually break free It was not just David Wm Sims s monolithic basslines but the stance he took in order to deliver them Like a sailor manning a raft through a storm at high sea he took position at stage left and pounded away at his instrument stoic reliable and unwavering Mac McNeilly s drumming didn t merrily serve as a time giver but as a display of unrestrained energy and a joyously bouncing good natured spirit Somersaulting patterns and probability defying breaks were stacked on top of one another made to tumble and fall only to be caught again as if a boxer was juggling dishes while pummeling an already delirious opponent Duane Denison shaped his guitar work like a taxidermist dissecting a puppy With cruel precision he stabbed and sliced and inserted the limbs of chord progressions with bolts and rods and wire smiling dreamily while his riffs danced around onstage like biomechanical freaks of nature Then there was the man who is the embodiment of the band s name the tormented soul thrown about and struggling to withstand the torrent in the tornado of the music David Yow spilled his insides while he spent most of the shows in no on the audience being lifted and carried by the masses that were groping and ripping at him trying to be a part greedily looking to get a piece of the action He was the ingenious saboteur the anarchistic oddball in this form of modern theater with the other three serving as the perfect straight men to his madness
