Bitch, Bitch, Bitch Chris Charlesworth, 1988-01-01 *Bitch, Bitch, Bitch* David Wheeler, Mike Wrenn, 1990 *Tales from a Haunted House* Frank Karkota, 2015-08-12 Around the year 1900 a man built a house for his beloved His deep love gave the house a soul which affected all people who made the house their home from the day when it was built to the present As the residents of the house struggled through life s day to day tribulations the house provided them with that which they needed most to find happiness and success The house had a secret which would have changed the lives of its occupants if only they had known what was buried deep within its beams But which resident would discover the secret and would the discovery be for better or for worse Plantation Negroes of the 21st Century James L. Friedman, 2007-03-26 *Rainbow Jews* deals with the intersection of gay and Jewish identity in American and Israeli film and theater from the 1960s to the present Its main area of interest is the extent to which Jewish creative voices in the performing

arts have constructed multidimensional images of and a welcoming public space for the gay lesbian and transgendered community as a whole Through a close reading of the texts of numerous American and Israeli plays and films some famous but mostly lesser known the author evaluates some of the key conventions and tropes that have been employed to construct critique and reflect the social reality of the connection between Jewishness and gay identity in the United States and Israel Secondly the author explores ways in which gay Jewish playwrights and filmmakers have assisted the re evaluation of sexual norms within Judaism over the past three decades inspiring and reinforcing measures across the spectrum of belief geared towards integrating Jewish members of the GLBT community into the overall Jewish historical narrative
