Bitch Posse:

The Bitch Posse Martha O'Connor, 2006-06-13 These are the confessions of the Bitch Posse Cherry Rennie and Amy were outcasts rebels and dreamers And their friendship was so all encompassing that some would call it dangerous This is the story of three women as seniors in high school and as women in their mid thirties who formed a bond in order to survive the pitfalls and perils of their lives In the present day one of them is a wife and mother to be trying to live a normal life One of them is a writer who engages in a number of self destructive relationships And one of them is in a mental hospital and has been ever since that one fateful night fifteen years ago when a heart wrenching betrayal and the unraveling of relationships led them to a point of no return where their actions triggered unimaginable consequences These secrets have torn them apart while inextricably binding them to one another What happened to them And can they survive their shared history even today The Bitch Posse is an anthem for friendships that defy society s approval or disapproval It s a novel of secrets courage sacrifice and hope against the odds It is both a journey back to being a girl on the verge of adulthood and a journey forward showing how the events of our past can unearth the best in us today Dare to jump in The Bitch Posse is a riveting and emotionally charged read No fluff here Chicago Tribune

Author's Note: I love reverse harem, but I got sick of reading the same old tropes. In my books, you will find varied characters and varied sexuality. In general, you probably won't find many alpha males or fainting females, and relationships may have a more poly feel. The *Not Quite* series is a harem reverse harem urban fantasy series of novellas between 35,000-45,000 words and contains the following: adult language and lots of it, moderate levels of violence, gore, action, graphic sexual situations, polyamory, multiple lovers, LGBTQ and straight themes. The main character is intersex and will have both male and female lovers, and this is a harem, so expect M F M M F F M M F F etc. as usual. My characters all have their own emotional scars. This means the book MAY contain mentions of abuse, unpleasant situations, etc. Please do not read if you are triggered by things like this. Occasional cliffhangers or lead-ins to the next book may occur, though generally at least one major plot arc shows completion, or at the very least forward progress. Word count does not include teaser chapters or other fluff material at the end.
