Nearly a year has passed since Michael Cassidy escaped BioTech and he and his wife Kate want nothing more than to move on with their lives However the being inside Michael only grows stronger and until he understands his past he ll never fully embrace his future Bold and brazen Ileana has recently escaped her captors Their paths are destined to collide and when they do nothing will ever be the same In the world of the Augmented a sacrifice made requires a sacrifice given Only time will tell how many will fall in order to set the caged birds free **The Parting of the Sea** Barbara J. Sivertsen, 2009-02-17

For more than four decades biblical experts have tried to place the story of Exodus into historical context without success What could explain the Nile turning to blood insects swarming the land and the sky falling to darkness Integrating biblical accounts with substantive archaeological evidence *The Parting of the Sea* looks at how natural phenomena shaped the stories of Exodus the Sojourn in the Wilderness and the Israelite conquest of Canaan Barbara Sivertsen demonstrates that the Exodus was in fact two separate exoduses both triggered by volcanic eruptions and provides scientific explanations for the ten plagues and the parting of the Red Sea Over time Israelite oral tradition combined these events into the Exodus narrative known today Skillfully unifying textual and archaeological records with details of ancient geological events Sivertsen shows how the first exodus followed a 1628 B C E Minoan eruption that produced all but one of the first nine plagues The second exodus followed an eruption of a volcano off the Aegean island of Yali almost two centuries later creating the tenth plague of darkness and a series of tsunamis that parted the sea and drowned the pursuing Egyptian army Sivertsen s brilliant account explains inconsistencies in the biblical story fits chronologically with the conquest of Jericho and confirms that the Israelites were in Canaan before the end of the sixteenth century B C E In examining oral traditions and how these practices absorb and process geological details through storytelling *The Parting of the Sea* reveals how powerful historical narratives are transformed into myth *Honor He Wrote* Abhijit Naskar, Ancient relics belong in museum not in driver s seat It s for the young of head n heart to get the society lit Abhijit Naskar s *Honor He Wrote* is a poetic celebration of life love and diversity which also makes Naskar the poet with over 500 sonnets *Dictionary of Phrase and Fable, Giving the Derivation, Source Or Origin of Common Phrases, Allusions, and Words that Have a Tale to Tell... .
