Germans were detained in twenty five permanent internment camps and dozens of smaller work camps located across Canada Five of these permanent camps were located on the southern shores of the St Lawrence River at Farnham Grande Ligne Ile aux Noix Sherbrooke and Sorel in the province of Quebec Martin Auger's book provides a fascinating insight into the internment operation in southern Quebec The study examines the organization and day to day affairs of internment camps and offers an in depth analysis of the experience of the German prisoners who inhabited these camps The author shows how the pressures of internment such as restricted mobility sexual deprivation social alienation and the lack of material comfort created important psychological and physical strains on inmates In response Canadian authorities introduced labour projects and educational programs to uphold morale to thwart internal turmoil and to prevent escapes These initiatives also aimed to expose German prisoners to the values of a democratic society and prepare their postwar reintegration The author concludes that Canada abided with the provisions of the Geneva Convention and that its treatment of German prisoners was humane Prisoners of the Home Front sheds light on life behind Canadian barbed wire The study fills an important void in our knowledge of the Canadian home front during the Second World War and furthers our understanding of the human experience in times of war The Oxford Handbook of Screen Comedy Peter C.
