since the late 1990s reveals a more parodic final stage with films like *The League of Gentlemen's Apocalypse* 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality

**British TV Comedies** Juergen Kamm, Birgit Neumann, 2016-01-26 This collection offers an overview of British TV comedies ranging from the beginnings of sitcoms in the 1950s to the current boom of Britcoms It provides in depth analyses of major comedies systematically addressing their generic properties filmic history humour politics and cultural impact
