USBE/HE Professional, 1993 USBE HE Professional Edition is a bi annual publication devoted to engineering science and technology and to promoting opportunities in those fields for Black and Hispanic Americans. **Renewed for Africa's Makeover** H. G. Nzabanita, 2012-04 The Bible is widely distributed in Africa where nearly half of the population identifies with Christianity. The Bible has many solutions for the continent's problems. Christ told his followers that they are the light of the world. Every person who confesses Jesus Christ is called to be light. Therefore every believer has a responsibility in shaping our world. Christians have the potential to foster true positive change in Africa. Nevertheless Christian influence is not very visible in African society. Discover how you can have a Biblical impact on your country and your continent.

African American Lives Henry Louis Gates Jr., Evelyn Brooks Higginbotham, 2004-04-29 African American Lives offers up to date authoritative biographies of some 600 noteworthy African Americans. These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume African American National Biography illuminate African American history through the immediacy of individual experience. From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history. Our past is revealed from personal perspectives that in turn inspire, move, entertain and even infuriate the reader. Subjects include slaves and abolitionists, writers, politicians and business people, musicians and dancers, artists and athletes, victims of injustice and the lawyers, journalists and civil rights leaders who gave them a voice. Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America's past and present. African American Lives features frequent cross references among related entries, over 300 illustrations and a general index supplemented by indexes organized by chronology, occupation or area of renown and winners of particular honors such as the Spingarn Medal, Nobel Prize and Pulitzer Prize.
