Black Comanche Boy:

Black Comanche Boy Alex Bontemps, 1970 Following the Civil War a homeless black boy is found and adopted by Comanche Indians *Jet*, 1970-12-17 The weekly source of African American political and entertainment news The Comanches Ernest Wallace, E. Adamson Hoebel, 2013-06-14 The fierce bands of Comanche Indians on the testimony of their contemporaries both red and white numbered some of the most splendid horsemen the world has ever produced Often the terror of other tribes who on finding a Comanche footprint in the Western plains country would turn and go in the other direction they were indeed the Lords of the South Plains For more than a century and a half since they had first moved into the Southwest from the north the Comanches raided and pillaged and repelled all efforts to encroach on their hunting grounds They decimated the pueblo of Pecos within thirty miles of Santa Fe The Spanish frontier settlements of New Mexico were happy enough to let the raiding Comanches pass without hindrance to carry their terrorizing forays into Old Mexico a thousand miles down to Durango The Comanches fought the Texans made off with their cattle burned their homes and effectively made their own lands unsafe for the white settlers They fought and defeated at one time or another the Utes Pawnees Osages Tonkawas Apaches and Navahos These were The People the spartans of the prairies the once mighty force of Comanches a surprising number of whom survive today More than twenty five hundred live in the midst of an alien culture which has grown up about them This book is the story of that tribe the great traditions of the warfare life and institutions of another century which are today vivid memories among its elders Despite their prolonged resistance the Comanches too had to come in On a sultry summer day in June 1875 a small band of starving tribesmen straggled in to Fort Sill near the Wichita Mountains in what is now the southwestern part of the state of Oklahoma There they surrendered to the military authorities So ended the reign of the Comanches on the Southwestern frontier Their horses had been captured and destroyed the buffalo were gone most of their tipis had been burned They had held out to the end but the time had now come for them to submit to the United States government demands *In the Bosom of the Comanches* Theodore Adolphus Babb, 1912 Mr Babb a descendant of resolute venturesome pioneer stock entered upon an eventful boyhood in the untamed wilds of the western border of Texas in a locality and period when the mounted Indian marauder with his panoply of war and death was often seen silhouetted against the distant horizon at a time when the spectre of tragedy and desolation of atrocious massacre mutilation captivity and torture cast its terrifying shadow athwart the fireside of every pioneer home when unheralded cunning monsters of vindictive savage hate here and there among the settlers in unguarded repose or fancied security sprang from stealthy ambush from the woodland's dark border the sheltering hillside and gulch or the shadowy lustre of an unwelcome fateful full moon amid and unheeding the shrieks of horror and frenzied slaughter mingled with the cries of anguish and prayers of women and children kneeling before their doom they struck with the fangs of the most vicious merciless and unreasoning beast and in their unrestrained and unresisted madness and ferocity they left in the crimson wake a sickening

chapter of ghastly human wreckage of whole families exterminated in either a fiendish butchery or revolting captivity without a counter part in all the annals of every race and age since the hour of the dawn of Christendom if not since the world began

Frank in the Woods : The Gunboat Series (Books for Boys) Harry Castlemon, Frank in the Woods The Gunboat

Series Books for Boys The next morning a little after daylight Frank awoke and raising himself on his elbow he gazed about him The storm had ceased and the morning was clear and intensely cold The fire however still burned brightly for the boys had replenished it several times during the night His companions comfortably wrapped up in their thick blankets were sleeping soundly but Frank thought it was high time they were stirring for they had a good twenty miles to travel that day so reaching over he seized Archie by the shoulder and shook him The long tramp of the previous day had wearied the boys considerably but with several hearty shakes Frank succeeded in getting them all on their feet then after washing his hands and face in the snow he commenced to prepare their breakfast After a good deal of yawning and stretching the others began to bestir themselves and while Archie cut a supply of wood with which to cook their breakfast George and Harry busied themselves in packing their baggage on the sleds As soon as they had eaten breakfast they put out the fire and renewed their journey The traveling was much more difficult than it had been the day before for the snow was piled on the ice in deep drifts and it was dark before they reached Uncle Joe s cabin As they approached they were welcomed by the old trapper s dogs and Uncle Joe finally appeared at the door Get out you whelps he exclaimed Who s that a comin there he continued trying to peer through the darkness Friends answered Frank Jeroomagoot ejaculated the old man who recognized Frank s voice What are you boys doin out in these woods this time o night Come in glad to see you any how and Uncle Joe seized their hands as they came up and shook them heartily What have you got on them sleds your plunder Yes answered Archie That s a new way we have got of carrying our baggage Fetch it right into the house then boys and suiting the action to the word Uncle Joe seized the sleds and pulled them into the cabin Bars and buffalers exclaimed a voice as the boys entered How de do youngsters and a tall powerfully built man arose from his chair and striding across the floor approached the boys It was Dick Lewis Uncle Joe s brother He was a fine specimen of a North American trapper fully six feet in hight with a frame that seemed capable of enduring any amount of fatigue Thirty years among savage beasts and still more savage men had brought him in contact with almost every variety of danger He had hunted and trapped on every little stream between the Rio Grande and the Great Bear Lake had taken more than one rough and tumble fight with Rocky Mountain grizzlies was very expert with the rifle could throw the tomahawk with all the skill of an Indian and could lasso and ride the wildest horse that ever roamed the prairie He was a good natured jovial fellow and when stretched out on his blanket before the cheerful camp fire no one delighted more to tell stories and crack jokes than he He used to say that there was but one thing in the world he hated and that was an Indian And good cause had he for enmity for if the prairie and the deep dark woods could speak they could tell of many a deed of cruelty which he had seen practiced upon the unoffending trappers
