Black Diamond The Commander I:

Black Diamond: The Commander Anthony Scheiber, 2001-11 Black Diamond The Commander is the exciting fast paced story of Michael Thomas Striker a rugged young military officer falsely accused of murdering a senior official amidst the smoldering battlefields of Mars Just as his sentence is being levied his courageous band of commandos rescue him from the clutches of a justice system gone terribly wrong While making his escape through the treacherous dangers of the asteroid belt the Commander is enlisted to become the next guardian of a mysterious gemstone the royal symbol of a powerful alien civilization ruling an entire quadrant of star systems at the center of the galaxy When the Commander learns his beloved has been kidnapped by pirates he and his elite commando team the Cobra Squadron battle their way across the solar system to face a ruthless pirate warlord invulnerable in an underground fortress hidden deep below Jupiter's inhospitable surface Black Diamond The Commander delivers the ultimate rescue adventure filled with heroism suspense high tech driven intrigue and spine tingling action every perilous step of the way

The Western Films of Robert Mitchum Gene Freese, 2019-11-19 Robert Mitchum was and still is one of Hollywood's defining stars of Western film For more than 30 years the actor played the weary and cynical cowboy and his rough and tough presence on screen was no different than his one off screen With a personality fit for western noir Robert Mitchum dominated the genre during the mid 20th century and returned as the anti hero again during the 1990s before his death This book lays down the life of Mitchum and the films that established him as one of Hollywood's strongest and smartest horsemen Going through early classics like Pursued 1947 and Blood on the Moon 1948 to more recent cult favorites like Tombstone 1993 and Dead Man 1995 Freese shows how Mitchum's nuanced portrayals of the iconic anti hero of the West earned him his spot in the Cowboy Hall of Fame [Amending the Merchant Marine Act of 1936](#) United States. Maier, 2022-04-04 Be prepared for a rapidly changing world that forces many to undertake the fight of their lives You will see a return to faith and citizenship that must be demonstrated on virtually every level The principal character David Werner becomes a pivotal resistance leader named Bear Forced to relive the events of the war before a Senate hearing we learn of how what were once unthinkable events led up to the conflict how the resistance was born how it evolved and the slow and deliberate rise of its elusive leader known as Two Dragons In this story the main character along with many others in the world watches as the country and world they once knew devolve on virtually every level Like so many they attempt to navigate the rapidly changing political environment holding on to the illusion that everything will eventually work itself out Despite their best efforts the world erupts into a global conflict that reaches America's shores In the course of this war the

characters find that the enemy within their nation may be even more dangerous than their external foes Through the uncontainable events of his new life Bear must reconcile how the tenets of a great society became so broken He and all those who struggle with him must learn to care for each other as they discover the truth that lies within each of them With the illusions of their former lives stripped away people are forced to make a choice thereby considering how each of them will express their choices through their actions From these individual choices we see the rise of the great American militia and a return to our founder s ideals Once again a people must learn to boldly walk the journey of faith and demonstrative citizenship This is not the tale of lost hope or global collapse Instead it is a story of the return to faith hope and true liberty Nonetheless the path they must travel is fraught with danger and conflict Early on in the story the reader will assume what this story is about only to find themselves pulled in a new direction Here our characters begin to find a new and greater purpose and the reader begins to evolve with our intrepid group of unlikely worriers Throughout their struggle you will walk with them cry with them laugh with them and ultimately you may ask Who am I
