Birders Guide To Coastal North Carolina:

A Birder's Guide to Coastal North Carolina John O. Fussell, 1994 A popular destination for bird watchers from across the country the coastal region of North Carolina is a seasonal home to approximately 400 species of birds some of which are found more easily here than anywhere else in the United States A Birder's Guide to Coastal North Carolina is the first guide to the prime bird watching spots of the Tar Heel coast and nearby areas including national seashores national forests and wildlife refuges state parks and game lands and other public areas Written for both casual and serious birders the book features detailed site guides to the entire coastal region including the Outer Banks John Fussell provides an annotated checklist habitat information and bar graphs indicating seasonal abundance for all regularly occurring species The book also includes a chapter on the 140 most sought after species on the coast Fussell describes the best places and conditions seasonal weather and tidal for finding these popular varieties Detailed maps of most of the major birding sites complement the text

The North Carolina Birding Trail North Carolina Birding Trail, 2011-01-20 North Carolina harbors an incredible diversity of habitats that provide food and shelter for more than 440 bird species throughout the year making the state a destination for birders and nature lovers The North Carolina Birding Trail is a driving trail linking birders and tourists with great birding sites across the state and the local communities in which they are found The first of three regional guides the Coastal Plain Trail Guide presents 102 birding destinations east of Interstate 95 The spiral bound volume features maps detailed site descriptions and color photographs throughout Each site description includes directions as well as information on access focal species and habitats and on site visitor amenities Special while you're in the area listings accompany each of sixteen site groupings so visitors can travel to a cluster of birding destinations and enjoy other local highlights and attractions along the way

Birds of the Carolinas Eloise F. Potter, James F. Parnell, Robert P. Teulings, Ricky Davis, 2015-12-01 The well loved standard reference for bird watchers and nature lovers in North Carolina and South Carolina Birds of the Carolinas collects information on all avian species known to have occurred in the region since 1900 This thoroughly revised second edition describes more than 460 individual species including more than 60 new species that have been recorded since the publication of the first edition in 1980 Updated entries for all species reflect the current status of bird life as well as major changes in taxonomy and nomenclature Each species account indicates when and where the bird is most likely to be found in the Carolinas its nesting habits feeding habits and descriptive information useful in identifying the species Generously illustrated with 350 color photographs this comprehensive guide to regional birds and their behavior will quickly earn a prominent place on the bookshelf of every bird watcher in the Carolinas

Explorer's Guide To North Carolina's Outer Banks and Crystal Coa Renee Wright, 2013-06-04 Let this guide show you why the Outer Banks is one of the most unique and interesting places in the U S to visit The Outer Banks preserves history and traditions lost to more urban areas of the eastern U S Whether it's wild Banker ponies historic Kitty Hawk or hidden beaches that visitors would otherwise

never find author Renee Wright leads you to her Wright Choices **The Shorebird Guide** Michael O'Brien, Richard Crossley, Kevin Karlson, 2006 When many birders go out looking at shorebirds they see a distant mud flat full of grayish brown birds in various shapes and sizes and have no idea where to begin the identification process When advanced birders look at that same flock of shorebirds they can identify the vast majority of birds with a quick binocular scan Experts use the simplest most easily observed characteristics size structure behavior and general color patterns almost subconsciously and can identify most birds even before looking carefully at plumage details Now birders of all levels can learn how to identify these wildly popular birds quickly and with much less effort This guide provides more than 870 stunning color photographs sequenced to give a general impression of a species first and progressing to a more detailed image of the bird throughout its life cycle Captions list characteristics in order of importance reflecting the thought process that experts use to identify birds

The Armchair Birder Goes Coastal John Yow, 2012-05-01 With his distinctively witty anecdotal and disarming voice John Yow now journeys to the shore and shares his encounters with some of the most familiar and beloved coastal birds Out of his travels from North Carolina's Outer Banks down the Atlantic coast and westward along the Gulf of Mexico come colorful accounts of twenty eight species from ubiquitous beach birds like sanderlings and laughing gulls to wonders of nature like roseate spoonbills and the American avocets Along the way Yow delves deeply into the birds habits and behaviors experiencing and relating the fascination that leads many an amateur naturalist to become the most unusual of species a birder Seasonally organized chapters explore the improbable the wonderful and the amusing aspects of these birds lives Yow embellishes his observations with field notes anecdotes and stories from some of America's finest naturalists including John James Audubon Arthur Cleveland Bent Rachel Carson and Peter Matthiessen Combining the endless fascination of bird life with the pleasure of good reading *The Armchair Birder Goes Coastal* is the perfect companion for any nature lover's next trip to the beach

The Birder's Catalog, 2004 **Extreme Birder** Lynn E. Barber, 2011-03-17 One woman one year 723 species of birds In 2008 Lynn Barber's passion for birding led her to drive fly sail walk stalk and sit in search of birds in twenty five states and three provinces Traveling more than 175 000 miles she set a twenty first century record at the time second to only one other person in history Over 272 days Barber observed 723 species of birds in North America north of Mexico recording a remarkable 333 new species in January but with the dwindling returns typical to Big Year birding only eight in December a month that found her crisscrossing the continent from Texas to Newfoundland from Washington to Ontario In the months between she felt every extreme of climate well being and emotion But whether finally spotting an elusive Blue Bunting or seeing three species of eiders in a single day she was also challenged inspired and rewarded by

nearly every experience Barber's journal from her American Birding Association sanctioned Big Year covers the highlights of her treks to forests canyons mountain ranges deserts oceans lakes and numerous spots in between Written in the informal style of a diary it captures the detail humor challenges and fun of a good adventure travelogue and also conveys the remarkable diversity of North American birds and habitat For actual or would be travel birders Lynn Barber's *Extreme Birder* provides a fascinating binoculars eye view of one of the best loved pastimes of nature lovers everywhere Lynn Barber challenges a traditionally male dominated pursuit the birding big year and is successful beyond her wildest dreams She is an inspiration for all who love adventure nature and birds Lynn Hassler author *Birds of the American Southwest* *The Armchair Birder's Omnibus Ebook* John Yow, 2012-12-01 Available for the first time together in this Omnibus E Book The Armchair Birder's Omnibus brings together both of John Yow's delightful books into one convenient e book While birding literature is filled with tales of expert observers spotting rare species in exotic locales John Yow reminds us in *The Armchair Birder* that the most fascinating birds can be the ones perched right outside our windows In thirty five engaging and sometimes irreverent vignettes Yow reveals the fascinating lives of the birds we see nearly every day Following the seasons he covers forty two species discussing the improbable unusual and comical aspects of his subjects lives Yow offers his own observations anecdotes and stories as well as those of America's classic bird writers such as John James Audubon Arthur Bent and Edward Forbush This unique addition to bird literature combines the fascination of bird life with the pleasure of good reading In his follow up volume *The Armchair Birder Goes Coastal* Yow now journeys to the shore and shares his encounters with some of the most familiar and beloved coastal birds Out of his travels from North Carolina's Outer Banks down the Atlantic coast and westward along the Gulf of Mexico come colorful accounts of twenty eight species from ubiquitous beach birds like sanderlings and laughing gulls to wonders of nature like roseate spoonbills and the American avocets Along the way Yow delves deeply into the birds habits and behaviors experiencing and relating the fascination that leads many an amateur naturalist to become the most unusual of species a birder **The Wild Coast** Curtis J. Badger, 2005 The Eastern corridor of the United States may be notorious for overdevelopment but Curtis J Badger offers a challenge in his *The Wild Coast Exploring the Natural Attractions of the Mid Atlantic* get off the highway and go see what the mid Atlantic states have to offer A companion to both Virginia's Wild Side and A Naturalist's Guide to the Virginia Coast this new volume takes the reader on more than two dozen frequently surprising excursions through five mid Atlantic states offering detailed adventures for travelers wishing to explore the undeveloped territory of the East Coast With excursions ranging from sea kayaking at Roanoke Island North Carolina to a visit to the hawk observatory at Cape May New Jersey Badger's guide promises not only factual information on birds butterflies holly forests and native plants but also an entertaining narrative that captures the excitement of exploring new territory This guidebook to both wildlife and botany will appeal to anyone journeying along the eastern seaboard particularly those interested in trading in their offices and armchairs for a taste of the
