Birds Of A Feather Saving Rare Turkeys From Extinction:

Birds of a Feather Carolyn Christman, Robert O. Hawes, 1999 Conservation Directory 2000 National Wildlife Federation, 1999 The Lyons Press is proud to present the forty fifth annual edition of the National Wildlife Federation's Conservation Directory of U S and international organizations and agencies working to protect the environment the most vital resource of its kind Included are members of the United States Congress government agencies citizens groups educational institutions databases services periodicals and other directories federally protected conservation areas indexes and more This annual directory is essential for colleges and universities libraries environmental activists students outdoor writers science editors natural resource agencies those seeking employment in the field of conservation researchers and all individuals interested in wildlife and ecology **More Than a Meal** Karen Davis, 2001 This scholarly and authoritative book examines the cultural and literal history as well as the natural history and biological needs and concerns of turkeys Davis explores how turkeys came to be seen as birds who were not only the epitome of failure or stupidity but also the suitable centerpiece of the celebration of freedom in America itself Thanksgiving She examines the many varieties of turkeys and uncovers the methods by which millions of turkeys are raised fattened and slaughtered on farms around America today Davis takes us back to European folklore about turkeys the myths fairytales and downright lies told about turkeys and their habits and habitats She shows how turkeys in the wild have complex lives and family units and how they were an integral part of Native American and continental cultures and landscape before the Europeans arrived Finally Davis draws conclusions about our paradoxical complex and bestial relationship not just with turkeys but with all birds and thus with all other animals She examines how our treatment of animals shapes our other values about ourselves our relationship with other human beings and our attitude toward the land nation and the world **Poultry Genetics, Breeding and Biotechnology** W.M. Muir, S.E. Aggrey, 2003 Annotation In this comprehensive research book issues associated with poultry breeding are addressed by examining quantitative and molecular genetics and the uses of transgenic technology The important area of disease resistance and transmission is also covered in a special section looking at the genetics of disease resistance This book represents the first complete integration of our current knowledge of biotechnology and quantitative and molecular genetics as applied to poultry breeding *Renewing America's Food Traditions* Gary Paul Nabhan, 2008 This work represents a dramatic call to recognize celebrate and conserve the great diversity of foods that give North America the distinctive culinary identity that reflects its multi cultural heritage Included are recipes and folk traditions associated with 100 of the continent's rarest food plants and animals **Edible Memory** Jennifer A. Jordan, 2015-04-14 Jordan begins with the heirloom tomato inquiring into its botanical origins in South America and its culinary beginnings in Aztec cooking to show how the homely and homegrown tomato has since grown to be an object of wealth and taste as well as a popular symbol of the farm to table and heritage foods movements She shows how a shift in the 1940s away from open pollination resulted in a narrow range of

hybrid tomato crops But memory and the pursuit of flavor led to intense seed saving efforts increasing in the 1970s as local produce and seeds began to be recognized as living windows to the past The Encyclopedia of Historic and Endangered Livestock and Poultry Breeds Janet Vorwald Dohner,2001-01-01 The need to preserve farm animal diversity is increasingly urgent says the author of this definitive book on endangered breeds of livestock and poultry Farmyard animals may hold critical keys for our survival Jan Dohner warns and with each extinction genetic traits of potentially vital importance to our agricultural future or to medical progress are forever lost BOOK JACKET **S.P.P.A. Bulletin** Society for Preservation of Poultry Antiquities,2000 **Poultry Press** ,2006 **Storey's Illustrated Guide to Poultry Breeds** Carol Ekarius,2016-07-18 More than 128 birds strut their stuff across the pages of this definitive primer for intrepid poultry farmers and feather fanciers alike From the Manx Rumpy to the Redcap and the Ancona duck to his Aylesbury cousin each breed is profiled with a brief history detailed descriptions of identifying characteristics and colorful photography Comprehensive and fun Storey s Illustrated Guide to Poultry Breeds celebrates the personalities and charming good looks of North America s quirkiest barnyard birds and waterfowl **Whole Earth** ,2001 **Conservation Directory 2004** National Wildlife Federation,2003 For nearly 50 years the National Wildlife Federation Conservation Directory has served as the preeminent guide to the conservation community for a broad range of audiences Island Press is proud to be a partner with the National Wildlife Federation in producing and distributing this invaluable reference The 2004 edition will be the most comprehensive listing of conservation and environmental organizations yet published with information on nearly 4 000 government agencies nongovernmental organizations and colleges and universities as well as more than 18 000 officials concerned with environmental conservation education and natural resource use and management Included are listings of U S Congress members including committees and subcommittees state provincial and federal agencies in the U S and Canada national and international governmental organizations U S Canadian and international non governmental organizations colleges and universities with conservation programs parks refuges and other protected areas conservation information resources Each entry contains detailed contact information including names addresses and telephone and fax numbers also inclu Conservation Directory 2002 National Wildlife Federation,2002 A comprehensive listing of conservation and environmental organizations with nearly 4000 listings These include state provincial and federal agencies in the US and Canada US Congress members including committees and subcommittees national and international governmental organizations US Canadian and international non governmental organizations colleges and universities with conservation programs parks refuges and other protected areas and conservation information resources Each entry contains detailed contact information including names addresses and telephone and fax numbers Entries are categorized by organization type and state or country and are indexed alphabetically and by subject Each person listed in the directory is also indexed alphabetically *Fancy Fowl* ,2002 **Applied Animal Nutrition** Peter R.
