**The ICBP/IUCN Red Data Book: Threatened birds of Africa and related islands** ,1985 *Partridges, Quails, Francolins, Snowcocks, and Guineafowl* ,1995 **Nightjars and Their Allies** D.T. Holyoak,2001-07-19 All the species are illustrated in 23 colour plates painted by Martin Woodcock He has also contributed text drawings that illustrate behaviour and other features BOOK JACKET Shorebirds J. Burger,B.L. Olla,2013-11-11 Among birds shorebirds provide some of the more unique opportunities to examine basic problems in behavior ecology and evolution This is in large measure due to the diversity both behaviorally and ecologically of a group closely related taxonomically and distributed throughout the world The overall aim of these two volumes is to provide a representative selection of current research being conducted on shorebird behavior and ecology Traditionally marine birds have included those species that breed in large colonies on offshore islands along coasts see Volume 4 of this series Although shorebirds have generally not been considered within this group the fact that almost 40% of the species breed along coasts and more than 60% often or always spend the nonbreeding season in coastal habitats more than justifies their inclusion as marine birds at least those species that totally or partially depend upon the marine environment Their inclusion markedly increases species diversity in marine birds since shorebirds add about 217 species to the 280 that are traditionally thought of as marine

The Cranes Curt Meine,George Archibald,1996 The Cranes are among the most ancient and distinctive families of birds on Earth yet they are among the world s most threatened groups of birds This Action Plan describes the many different sorts of threats facing cranes especially as they migrate through different countries and the many solutions that have been attempted to overcome them It is intended for all those involved in crane conservation including conservation biologists conservation organizations other non governmental organizations inter national development agencies political civic and business leaders funding agencies and foundations educators and members of the general public Raptors of the World James Ferguson-Lees,David A.
