## **Birds Of Ottawa And Vicinity:**

**Birds of Ottawa** Gerald McKeating, Ewa Pluciennik, 1990 This book introduces novice birders in the nation's capital to the basics of birdwatching featuring beautiful and accurate colour illustrations of the most common or notable species seen in and around the city Includes tips on how to attract birds to your backyard *Report of the ... Meeting of the British Association for the Advancement of Science* British Association for the Advancement of Science. Meeting, 1898 *The Birds of British Columbia* Robert Wayne Campbell, Canadian Wildlife Service, British Columbia. Wildlife Branch, 1990 This is the first volume in a 4 volume set which is the culmination of two decades of research and writing For the first time the natural history migration patterns habitat requirements reproductive biology and distribution of the province's birdlife are combined in one publication This is a reprint of the original volume published in 1990 by the Royal British Columbia Museum and the Canadian Wildlife Service No changes or updates in content have been made from the original edition **The Atlas of Breeding Birds of Alberta** Federation of Alberta Naturalists, 1992 This collection of maps of distribution of breeding birds in Alberta is arranged by order and family Each map shows evidence of nesting confirmed probable possible observed with description and illustration of the bird Extensive bibliography index of bird names in English Latin and French and list of migrants **Report of the ... Meeting**, 1898 **Nesting and Migration Areas of Birds of the U.S. Great Lakes (30 April to 25 August 1976)** William C. Scharf, 1979 *Birds of Ontario: Habitat Requirements, Limiting Factors, and Status* Al Sandilands, 2011-01-01 The volumes in the Birds of Ontario series summarize life history requirements of bird species that are normally part of the ecology of Ontario This is the second volume in the series and completes the treatment of the nonpasserine bird species occurring in Ontario on a regular basis Information on habitat limiting factors and status is summarized for 83 species in this volume These topics are covered for the three primary avian seasons breeding migration and winter Habitat nest sites territoriality site fidelity annual reproductive effort habitat loss and degradation environmental contaminants and a variety of other topics are covered in the species accounts Maps depicting breeding and wintering range are presented for most species along with drawings by Ross James Birds of Ontario is an essential reference source for wildlife biologists environmental consultants and planners preparing or reviewing environmental impact statements and environmental assessments Serious birders will find the volumes of interest as well Although the books focus on Ontario birds the information is highly relevant to adjacent provinces and states *Oology and Ralph's Talking Eggs* Carol L. Henderson, 2009-02-17 Before modern binoculars and cameras made it possible to observe birds closely in the wild many people collected eggs as a way of learning about birds Serious collectors called their avocation oology and kept meticulous records for each set of eggs the bird's name the species reference number the quantity of eggs in the clutch the date and location where the eggs were collected and the collector's name These documented egg collections which typically date from the nineteenth and early twentieth centuries now provide an important baseline from which to measure changes in the

numbers distribution and nesting patterns of many species of birds In *Oology and Ralph's Talking Eggs* Carrol L Henderson uses the vast egg collection of Ralph Handsaker an Iowa farmer as the starting point for a fascinating account of oology and its role in the origins of modern birdwatching scientific ornithology and bird conservation in North America Henderson describes Handsaker's and other oologists collecting activities which included not only gathering bird eggs in the wild but also trading and purchasing eggs from collectors around the world Henderson then spotlights sixty of the nearly five hundred bird species represented in the Handsaker collection using them to tell the story of how birds such as the Snowy Egret Greater Prairie Chicken Atlantic Puffin and Wood Duck have fared over the past hundred years or so since their eggs were gathered Photos of the eggs and historical drawings and photos of the birds illustrate each species account Henderson also links these bird histories to major milestones in bird conservation and bird protection laws in North America from 1875 to the present
