Nowlan, 2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world

The Future Has an Ancient Heart Lucia Chiavola Birnbaum, 2012-08-16 Feminist cultural historian Lucia Chiavola Birnbaum caps her previous work with *The Future has an Ancient Heart* a scholarly study of the transformative legacy of African origins and values of caring sharing healing and vision carried by African migrants throughout the world Birnbaum focuses on the long endurance of these values from the first human communities in south and central Africa ones that Africans manifested in the region of the African mediterranean landmass that later separated Africa from Europe and Asia when the ice melted and waters rose These migrants reached every continent and later became spiritual as well as geographical migrations back to Africa from ancient times to the transformative present Using the same methods as her

teaching Birnbaum employs a mutual learning process in her work to help us think about our own ancestral story adding to the wisdom we need to surmount contemporary crises and give us the energy to help bring a more equal and just world into being Her methodologies are grounded on empirical techniques of science and the social sciences and yet leave openings for the liminal knowledge that resides underneath and beyond boundaries of established religions secular ideologies and conventional science A true work of transformation The Future has an Ancient Heart opens the door to new possibilities within our world

Making Educated Decisions Charles A. Birnbaum, Heather L. Barrett, 2000 Provides practical guidance to make informed decisions when researching planning managing interpreting and undertaking project work for any cultural landscape resource

United States Relations with South Africa Y. G.-M. Lulat, 2008 Relations between the United States and South Africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent European colonial intrusions This book is a critical overview of these relations from the late seventeenth century to the present Unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways Set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the importance of contributions from nonofficial actors in shaping

official relations but also considers the impact of the geo political location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Methodologically written from the perspectives of both traditional narrative history and Khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the Braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations Written for both scholars and policy analysts this book s examination of the agency of the marginalized should also be of interest to activists and the reading public **The President and American Capitalism**

since 1945 Mark H. Rose,Roger Biles,2017-11-14 The book examines the development of the U S presidency since 1945 and describes the many ways some of which are unknown or greatly underappreciated in which the president s actions affect the daily lives of the American people **Multiculturalism in the United States** Peter Kivisto,Georganne

Rundblad,2000-02-18 This reader focuses on the extremely current important topic of racial and ethnic experiences in the United States today Most of the essays were commissioned especially for this reader and have been prepared by some of the brightest voices in this cutting edge field Instructors in search of a current comprehensive multicultural reader will find this a valuable student resource whether it is the sole focus of their course or to be integrated into another content area
