Birnbaum's Western Europe 1993 Alexandra Mayes Birnbaum,1992-12-17 Offers advice on trip planning recommends hotels and restaurants and describes museums festivals theaters shops and nightlife **Birnbaum's Western Europe 1992** Stephen Birnbaum,1992-05 **Birnbaum's Europe for Business Travelers, 1993** Alexandra M. Birnbaum,1992-12-04 *Birnbaum's Europe, 1993* Alexandra M. Birnbaum,1992-12 **Birnbaum's France 1993** Alexandra Mayes Birnbaum,1992-10 **Birnbaum's Eastern Europe 1993** Alexandra Mayes Birnbaum,1992-12-17 Paperbound Books in Print ,1992 **The Radical Right in Western Europe** Herbert Kitschelt,Anthony J. McGann,1997 An in depth analysis of radical right parties in seven countries *Nathan Birnbaum and Jewish Modernity* Jess Olson,2013-01-09 This book explores the life and thought of one of the most important but least known figures in early Zionism Nathan Birnbaum Now remembered mainly for his coinage of the word Zionism Birnbaum was a towering figure in early Jewish nationalism Because of his unusual intellectual trajectory however he has been written out of Jewish history In the middle of his life in the depth of World War I Birnbaum left his venerable position as a secular Jewish nationalist for religious Orthodoxy an unheard of decision in his time To the dismay of his former colleagues he adopted a life of strict religiosity and was embraced as a leader in the young growing world of Orthodox political activism in the interwar period one of the most successful and powerful movements in interwar central and eastern Europe Jess Olson brings to light documents from one of the most complete archives of Jewish nationalism the Nathan and Solomon Birnbaum Family Archives including materials previously unknown in the study of Zionism Yiddish based Jewish nationalism and the history of Orthodoxy This book is an important meditation on the complexities of Jewish political and intellectual life in the most tumultuous period of European Jewish history especially of the interplay of national political and religious identity in the life of one of its most fascinating figures Books in Print Supplement ,1994 **Forthcoming Books** Rose Arny,1994-02 New Serial Titles ,1993 A union list of serials commencing publication after Dec 31 1949 *Birnbaum's Cancun, 1993* Alexandra Mayes Birnbaum,1992-08 Jews and the Military Derek J. Penslar,2015-10-27 A historical reevaluation of the relationship between Jews military service and war Jews and the Military is the first comprehensive and comparative look at Jews involvement in the military and their attitudes toward war from the 1600s until the creation of the state of Israel in 1948 Derek Penslar shows that although Jews have often been described as people who shun the army in fact they have frequently been willing even eager to do military service and only a minuscule minority have been pacifists Penslar demonstrates that Israel s military ethos did not emerge from a vacuum and that long before the state s establishment Jews had a vested interest in military affairs Spanning Europe North America and the Middle East Penslar discusses the myths and realities of Jewish draft dodging how Jews reacted to facing their coreligionists in battle the careers of Jewish officers and their reception in the Jewish community the effects of World War I on Jewish veterans and Jewish participation in the Spanish Civil

War and World War II Penslar culminates with a study of Israel's War of Independence as a Jewish world war which drew on the military expertise and financial support of a mobilized global Jewish community He considers how military service was a central issue in debates about Jewish emancipation and a primary indicator of the position of Jews in any given society Deconstructing old stereotypes Jews and the Military radically transforms our understanding of Jews historic relationship to war and military power **1993** Patt Leonard, Rebecca Routh, 1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs **Community and Communication** Sue Wright, 2000-01-01 This book considers the issue of language in the European Union Without a community of communication the EU must remain a trading association run in an autocratic way by bilingual patrician technocrats with a community of communication the European Union could develop democratic structures and legitimacy and give meaning to its policies of free movement How to achieve that community of communication is the biggest challenge facing Europe today *The Future has an Ancient Heart* Lucia Chiavola Birnbaum, 2012-08 Feminist cultural historian Lucia Chiavola Birnbaum caps her previous work with *The Future has an Ancient Heart* a scholarly study of the transformative legacy of African origins and values of caring sharing healing and vision carried by African migrants throughout the world Birnbaum focuses on the long endurance of these values from the first human communities in south and central Africa ones that Africans manifested in the region of the African mediterranean landmass that later separated Africa from Europe and Asia when the ice melted and waters rose These migrants reached every continent and later became spiritual as well as geographical migrations back to Africa from ancient times to the transformative present Using the same methods as her teaching Birnbaum employs a mutual learning process in her work to help us think about our own ancestral story adding to the wisdom we need to surmount contemporary crises and give us the energy to help bring a more equal and just world into being Her methodologies are grounded on empirical techniques of science and the social sciences and yet leave openings for the liminal knowledge that resides underneath and beyond boundaries of established religions secular ideologies and conventional science A true work of transformation *The Future has an Ancient Heart* opens the door to new possibilities within our world *The Limits of Public Choice* Lars Udehn, 2002-09-11 Public choice has been one of the most important developments in the social sciences in the last twenty years However there are many people who are frustrated by the uncritical importing of ideas from economics into political science Public Choice uses both empirical evidence and theoretical analysis to argue that the economic theory of politics is limited in scope and fertility In order to arrive at a more comprehensive understanding of

political life political scientists must learn from both economists and sociologists Democracy Without Equity Kurt Weyland, 1996-05-15 In *Democracy without Equity* Weyland investigates the crucial political issue for many Latin American countries the possibility for redistributing wealth and power through the democratic process He focuses on Brazil s redistributive initiatives in tax policy social security and health care Weyland s work is based on some 260 interviews with interest group representatives politicians and bureaucrats the publications of interest groups speeches of policy makers newspaper accounts legislative bills congressional committee reports and more He concludes that in countries whose society and political parties are fragmented the prospects for effective redistributive policies are poor
