**Robert Bucholz, Newton Key**

## **Birth Marriage And Death Ritual Religion And The Life Cycle In Tudor And Stuart England:**

**Birth, Marriage, and Death** David Cressy, 1997 This vivid picture of the classic rites of passage in Tudor and Stuart England shows how the important rituals of people's lives changed in response to the Reformation the Revolution and the Restoration

**Ritual in Early Modern Europe** Edward Muir, 2005-08-18 The comprehensive 2005 study of rituals in early modern Europe argues that between about 1400 and 1700 a revolution in ritual theory took place that utterly transformed concepts about time the body and the presence of spiritual forces in the world Edward Muir draws on extensive historical research to emphasize the persistence of traditional Christian ritual practices even as educated elites attempted to privilege reason over passion textual interpretation over ritual action and moral rectitude over gaining access to supernatural powers Edward Muir discusses wide ranging themes such as rites of passage carnivalesque festivity the rise of manners Protestant and Catholic Reformations the alleged anti Christian rituals of Jews and witches This edition examines the impact on the European understanding of ritual from the discoveries of new civilizations in the Americas and missionary efforts in China and adds more material about rituals peculiar to women

**Common Bodies** Laura Gowing, 2021-06-08 This pioneering book explores for the first time how ordinary women of the early modern period in England understood and experienced their bodies Using letters popular literature and detailed legal records from courts that were obsessively concerned with regulating morals the book recaptures seventeenth century popular understandings of sex and reproduction This history of the female body is at once intimate and wide ranging with sometimes startling insights about the extent to which early modern women maintained or forfeited control over their own bodies Laura Gowing explores the ways social and economic pressures of daily life shaped the lived experiences of bodies the cost of having a child the vulnerability of being a servant the difficulty of prosecuting rape the social ambiguities of widowhood She explains how the female body was governed most of all by other women wives and midwives Gowing casts new light on beliefs and practices of the time concerning women's bodies and provides an original perspective on the history of women and gender

*Bodies, Speech, and Reproductive Knowledge in Early Modern England* Sara D. Luttfring, 2015-07-16 This volume examines early modern representations of women's reproductive knowledge through new readings of plays monstrous birth pamphlets medical treatises court records histories and more which are often interpreted as depicting female reproductive bodies as passive silenced objects of male control and critique Luttfring argues instead that these texts represent women exercising epistemological control over reproduction through the stories they tell about their bodies and the ways they act these stories out combining speech and physical performance into what Luttfring calls bodily narratives The power of these bodily narratives extends beyond knowledge of individual bodies to include the ways that women's stories about reproduction shape the patriarchal identities of fathers husbands and kings In the popular print and theater of early modern England women's bodies women's speech and in particular women's speech about their bodies perform socially constitutive work constructing legible narratives of lineage

and inheritance making and unmaking political alliances shaping local economies and defining delimiting male socio political authority in medical royal familial judicial and economic contexts This book joins growing critical discussion of how female reproductive bodies were used to represent socio political concerns and will be of interest to students and scholars working in early modern literature and culture women s history and the history of medicine [The Culture of Protestantism in Early Modern Scotland](#) Margo Todd,2002-01-01 The Protestant Reformation of the sixteenth century brought a radical shift from a profoundly sensual and ceremonial experience of religion to the dominance of the word through Book and sermon In Scotland the revolution assumed proportions unequaled by any other national Calvinist Reformation with Christmas and Easter formally abolished sabbaths turned to fasting days and mandatory attendance of weekday as well as Sunday sermons strictly enforced as part of an invasive disciplinary regimen *Shakespeare and Memory* Hester Lees-Jeffries,2013-08-22 Shakespeare and Memory explores Shakespeare s plays and poems in the light of current interest in memory studies It sets out key features of the historical religious and cultural context of Shakespeare s own time **The Female Body in Medicine and Literature** Andrew Mangham,Greta Depledge,2013-08-15 Drawing on a range of texts from the seventeenth century to the present The Female Body in Medicine and Literature explores accounts of motherhood fertility and clinical procedures for what they have to tell us about the development of women s medicine The essays here offer nuanced historical analyses of subjects that have received little critical attention including the relationship between gynecology and psychology and the influence of popular art forms on so called women s science prior to the twenty first century Taken together these essays offer a wealth of insight into the medical treatment of women and will appeal to scholars in gender studies literature and the history of medicine *Crime and Mentalities in Early Modern England* Malcolm Gaskill,2003-01-30 Crime and law have now been studied by historians of early modern England for more than a generation Crime and Mentalities in Early Modern England attempts to reach further than most conventional treatments of the subject to explore the cultural contexts of law breaking and criminal prosecution and to recover their hidden social meanings In this sense the book is more than just a history from below it is a history from within Conversely the book explores crime to shed light on the long term development of English mentalities in general To this end three serious crimes witchcraft coining and murder are examined in detail revealing new and important insights into how religious reform state formation secularisation and social and cultural change for example the spread of literacy and the availability of print may have transformed the thinking and outlook of most ordinary people between 1550 and 1750 **Unity in Diversity** Randall J. Pederson,2014-08-14 Unity in Diversity presents a fresh appraisal of the vibrant and diverse culture of Stuart Puritanism provides a historiographical and historical survey of current issues within Puritanism critiques notions of Puritanisms which tend to fragment the phenomenon and introduces unitas within diversitas within three divergent Puritans John Downname Francis Rous and Tobias Crisp This study draws on insights from these three figures to propose that seventeenth century English

Puritanism should be thought of both in terms of Familien hnlichkeit in which there are strong theological and social semblances across Puritans of divergent persuasions and in terms of the greater narrative of the Puritan Reformation which united Puritans in their quest to reform their church and society

**Raising the Tudors** Stephanie Kline, 2025-08-30 A vivid exploration of motherhood in sixteenth century England uncovering the roles expectations and lived experiences of Tudor women For the vast majority of women in sixteenth century England motherhood was more than a choice To become a mother was a duty to one s husband an expectation by society and a defining facet of her femininity and value to the world in which she lived In a time when nearly all women were expected and encouraged to have children and raise them according to strict religious and societal standards the role of motherhood was arguably one of the most important and discussed topics by females of the Tudor period Many of them spent half their lives conceiving bearing and raising children whether to join the humble ranks of workers to inherit grand lands and titles or even to sit upon the throne of England Sixteenth century mothers across social ranks were connected by the societal pressures judgments and expectations placed upon them but what did the job of mothering actually entail Raising the Tudors explores the life of the sixteenth century woman from the onset of fertility in adolescence through the end of her childbearing years From the prevailing medical theory of the four humours to the way Tudor physicians understood female reproductive anatomy and the process of conception from the societal and romantic ideals of marriage to the experience of pregnancy and the travails of childbirth It uncovers the role of the Tudor mother and the bonds she shared with her children through all stages of life through infancy and toddlerhood into adolescence and adulthood It questions how she engaged with her children how she cared for taught disciplined and played with them And finally it examines her role in her adult children s and their children s lives and how her responsibilities and identities shifted as she aged This book offers a comprehensive thought provoking and at times sentimentally relatable view of the Tudor woman as she has never quite been viewed before This is the story of motherhood in sixteenth century England

**Lived Religion and the Long Reformation in Northern Europe c. 1300-1700** Raisa Maria Toivo, Sari Katajala-Peltomaa, 2016-09-27 Lived Religion and the Long Reformation in Northern Europe puts Reformation in a daily life context using lived religion as a conceptual and methodological tool exploring how people lived out their religion in their mundane toils and how religion created a performative space for them This collection reinvestigates the character of the Reformation in an area that later became the heartlands of Lutheranism The way people lived their religion was intricately linked with questions of the value of individual experience communal cohesion and interaction During the late Middle Ages and Early Modern Era religious certainty was replaced by the experience of doubt and hesitation Negotiations on and between various social levels manifest the needs aspirations and resistance behind the religious change Contributors include Kaarlo Arffman Jussi Hanska Miia Ij s Sari Katajala Peltomaa Jenni Kuuliala Marko Lamberg Jason Lavery Maija Ojala P ivi R is nen Schr der Raisa Maria Toivo

**Early Modern England 1485-1714** Robert Bucholz, Newton Key, 2019-12-31 The new

fully updated edition of the popular introduction to the Tudor Stuart period offers fresh scholarship and improved readability Early Modern England 1485 1714 is the market leading introduction to the Tudor Stuart period of English history This accessible and engaging volume enables readers to understand the political religious cultural and socio economic forces that propelled the nation from small feudal state to preeminent world power The authors leading scholars and teachers in the field have designed the text for those with little or no prior knowledge of the subject The book s easy to follow narrative explores the world the English created and inhabited between the 15th and 18th centuries This new edition has been thoroughly updated to reflect the latest scholarship on the subject such as Henry VIII s role in the English Reformation and the use of gendered language by Elizabeth I A new preface addresses the theme of periodization while revised chapters offer fresh perspectives on proto industrialization in England economic developments in early modern London merchants and adventurers in the Middle East the popular cultural life of ordinary people and more Offering a lively reader friendly narrative of the period this text Offers a wide ranging overview of two and half centuries of English history in one volume Highlights how social and cultural changes affected ordinary English people at various stages of the time period Explores how the Irish Scots and Welsh affected English history Features maps charts genealogies and illustrations throughout the text Includes access to a companion website containing online resources Early Modern England 1485 1714 is an indispensable resource for undergraduate students in early modern England courses as well as students in related fields such as literature and Renaissance studies     Reading Between the Lines Jessica G. Purdy, 2023-11-13 This book provides an overview of the establishment and use of parish libraries in early modern England and includes a thematic analysis of surviving marginalia and readers marks This book is the first direct and detailed analysis of parish libraries in early modern England and uses a case study approach to the examination of foundation practices physical and intellectual accessibility the nature of the collections and the ways in which people used these libraries and read their books     Revenge Tragedy and the Drama of Commemoration in Reforming England Thomas Rist, 2008 Considering major works by Kyd Shakespeare Middleton and Webster among others this book transforms current understanding of early modern revenge tragedy Revising the genre in light of historical revisions to England s Reformations and with appropriate regard to the social history of the dead it shows revenge tragedy is not a Reformist and anti Catholic genre but one rooted in traditional Catholic culture thereby transforming understandings of the theatre of the age     The Quakers in English Society, 1655-1725 Dr. Adrian Davies, 2000 The study also examines many other facets of Quakerism from the literacy rates of Quakers and the level of persecution suffered by followers to the reasons for the sect s decline and concludes with a survey of the changes that had overcome the movement since the heady days of birth Jacket     **A History of Infanticide in Britain, c. 1600 to the Present** A. Kilday, 2013-06-14 The killing of new born children is an intensely emotional and emotive subject The hidden nature of this crime has made it an area incredibly difficult subject area for historians to approach up until now This work

provides the first detailed history of infanticide in mainland Britain from 1600 to the modern era      **Consumption and Gender in the Early Seventeenth-Century Household** Jane Whittle, Elizabeth Griffiths, 2012-03 In this vivid reconstruction of life in a seventeenth century gentry household the authors delve into the details of everyday life how did a large wealthy household in the English countryside acquire the goods and services it needed and wanted Was household consumption an exclusively female sphere or did men play an important role too      **Love in Print in the Sixteenth Century** I. Moulton, 2014-04-16 Love in Print in the Sixteenth Century explores the impact of print on conflicting cultural notions about romantic love in the sixteenth century This popularization of romantic love led to profound transformations in the rhetoric ideology and social function of love transformations that continue to shape cultural notions about love today

*Generations* Alexandra Walsham, 2023 Generations examines how the English Reformation was shaped by the generations that experienced witnessed and participated in it Drawing on a rich array of evidence it highlights the vital part played by families bound by blood and by faith in the religious revolution that stretched across the 16th and 17th centuries

*Monstrous Bodies/political Monstrosities in Early Modern Europe* Laura Lunger Knoppers, Joan B. Landes, 2004 Multi disciplinary in approach cross European in scope this volume explores links between the political the monstrous in Europe from the Renaissance to the 19th century These essays stress the continual reinvention polemical applications of the monstrous
