God's Secrets Revealed: As the War in Heaven Continues on Earth - PREPARE FOR THE FALL OF AMERICA Cynthia Anne Dahm, 2010-06-21 Will America suffer the same fate as Atlantis Atlantis was God's first large province created after Lucifer was cast from heaven but not before the ultimate fallen angel renamed Satan rebelled causing untold chaos death and destruction in the universe Eventually the devil's hatred of God's creation law and order carried over into this world to such an extreme only God Himself could intervene It came in the form of a pole shift the great Cataclysm that sank Atlantis killing millions and sending the fallen angels or dark lights scattering But God knew history would repeat itself as our world is once again experiencing the devastating effects of when man doesn't learn from his mistakes as greed corruption and abuse of power relentlessly continues The turmoil on earth has always been a Spiritual War between the Forces of Good and Evil that began in the cosmos Earth was created as a schoolhouse to provide lessons for those who lost their physical bodies but not their souls in the great Universal Battle due to Satan's deception This battle will be permitted to play out according to Bible prophecy wherein ones will again be given the chance to choose whose side they're on Christ or the devil When global order deteriorates especially in America to the point of no return as is happening now God will need to directly intervene again just as He did before in the antediluvian era by bringing Judgment in the form of another pole shift Meanwhile Satan knowing his time is short is working overtime to take as many souls with him to eternal damnation doing so through earthly minions those who've sold out and are doing his bidding The Mark of the Beast of Rev 13 is destined to become the devil's greatest tool to make this happen And it's just around the corner This book shares some of God's best kept secrets such as an elaborate account of the War in Heaven and how it affects everyone also the Levels Planet System why Earth was created and how it's actually an extension of God's mercy the truth of past lives benevolent human looking beings from other planets and living spacecraft the lost continent of Atlantis and how it parallels with America soul mates or the marriage made in heaven who guides and missioned beings are and much more But its greatest purpose is to warn and help people prepare for the future so all can make the right choice for God and live forever not only on a purified earth but also within the realms of our original homeland the place where everyone's from the universe

The Secret History of the World and How to Get Out Alive Laura Knight-Jadczyk, 2005 Previously published as Ancient Science Secret History contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher's Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and

metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it **The Inner Life of Christ, as Revealed in the Gospel of Matthew.
