The Battle of Bellewaarde, June 1915 Carole McEntee-Taylor, 2014-08-30 It was 2am on the 16th June 1915 and dawn was slowly breaking over Bellewaarde It was exceptionally quiet the troops of 3rd Division were situated on the western edge of Railway Wood and shrouded in a thick mist which reduced visibility and gave the illusion of safety Across the few yards of no man's land the German troops of Reserve Infantry Regiments RIR 248 and 246 and Unter Elssisches Infanterie Regiment Nr 132

were also blanketed in the thick damp mist It swirled round their trenches deadening sound and reinforcing the illusion that all was secure Fifty minutes later the planned British artillery bombardment began By the end of the day more than 4 000 men would be casualties on a field approximately half a mile square At the close of the 2nd Battles of Ypres the German trenches between the Menin Road and the Ypres Roulers railway formed a salient From Bellewaarde ridge situated on the eastern side of the lake they were able to overlook the greater part of the ground east of Ypres In early June it was decided to attack the salient and take possession of Bellewaarde ridge The attack was to be carried out by the 9th Brigade of the 3rd Division with 7th Brigade in support The book is a tribute to those who fought and died at Bellewaarde on the 16th June 1915 and author royalties will be donated to a fund to help raise money for a memorial Face to Face with Emotions in Health and Social Care Benjamin Gray,2012-05-10 This book draws from the everyday experiences as well as the harsh realities confronting behavioral care providers on the frontline The book recounts the stories and sometimes disturbing emotions of people whose lives have undergone sudden change or even drastic trauma people whose feelings of comfort and safety have been shattered by exposure to illness abuse death and bereavement The perspectives and experiences of nurses social care staff patients children and families are at the core of understanding the importance challenges and therapeutic vitality of emotions The 55 individuals on the frontline who took part in the interviews on which this study is based discuss the emotions associated with care in mental health pediatric oncology AIDS HIV as well as child protection and abuse racism refugee exile poverty and social exclusion Their bravery openness and ability to communicate and share their emotions make this book possible **The Story of Alice** Robert Douglas-Fairhurst,2016-08-15 Following his acclaimed life of Dickens Robert Douglas Fairhurst illuminates the tangled history of two lives and two books Drawing on numerous unpublished sources he examines in detail the peculiar friendship between the Oxford mathematician Charles Dodgson Lewis Carroll and Alice Liddell the child for whom he invented the Alice stories and analyzes how this relationship stirred Carroll s imagination and influenced the creation of Wonderland It also explains why Alice in Wonderland 1865 and its sequel Through the Looking Glass 1871 took on an unstoppable cultural momentum in the Victorian era and why a century and a half later they continue to enthrall and delight readers of all ages The Story of Alice reveals Carroll as both an innovator and a stodgy traditionalist entrenched in habits and routines He had a keen double interest in keeping things moving and keeping them just as they are In Looking Glass Land Alice must run faster and faster just to stay in one place Tracing the development of the Alice books from their inception in 1862 to Liddell s death in 1934 Douglas Fairhurst also provides a keyhole through which to observe a larger shifting cultural landscape the birth of photography changing definitions of childhood murky questions about sex and sexuality and the relationship between Carroll s books and other works of Victorian literature In the stormy transition from the Victorian to the modern era Douglas Fairhurst shows Wonderland became a sheltered world apart where the line between the actual and the possible was continually blurred *My Life on Fire* Cath Howe,2023-04-06 A tense page turning
