## Bit Of Rough:

**Survey of English Dialects** Michael V. Barry, 2013-10-08 First Published in 1994 The Survey of English Dialects SED is the only detailed nation wide dialect survey which has ever been conducted in England The SED is a unique repository of data on the traditional dialects of England in the mid twentieth century This remarkable record is a valuable resource for scholars in the fields of British English dialectology sociolinguistics and English historical linguistics The SED fieldwork was undertaken in predominantly rural communities in England in the middle of the twentieth century at a time when social domestic and working life was undergoing very significant changes The SED is thus a record of speech which reflects a society different in many ways from today and as such affords the possibility of comparison which is instructive to those engaged in all types of study of linguistics today , *English, The Aussie Way* Lynne Maree Walsh, 2015-10-15 Written by a Sydney native English The Aussie Way A Fun Guide to Australia s Colourful Phrases Words and Expressions offers an amusing way for English or non English speakers around the world to learn the colloquial phrases for which Australia is famous This user friendly reference provides words phrases and meanings synonyms by using an example sentence Says the author For seven years I housed international students who were attending English language schools in Sydney and I realised that although they had a good grasp of formal grammar they struggled to understand not only colloquial English but many of the commonly used phrasal verbs which could not be found in a standard English Spanish French etc dictionary It was then that I decided to start writing some of them down for future reference and it grew from there The Rough Guide to Travel Online Samantha Cook, Greg Ward, 2004 The Rough Guide to Travel Online shows you how to make the Web work for you as you plan book and enjoy your next trip anywhere in the world In plain English it explains how to use the web to research a destination or interest find cheap tickets for flights buy you holiday online with complete security choose a hotel find out about visa and vaccinations and even how to stay in touch when you re out on the road Drawing on Rough Guides unrivalled expertise in travel this book will help you find the perfect short break or the holiday of a lifetime whatever your budget *Consent* Laurie James-Hawkins, Róisín Ryan-Flood, 2023-11-30 This book considers the concept of consent in different contexts with the aim of exploring the nuances of what consent means to different people and in different situations While it is generally agreed that consent is a fluid concept legal and social attempts to explain its meaning often centre on overly simplistic narrow and binary definitions viewing consent as something that occurs at a specific point in time This book examines the nuances of consent and how it is enacted and re enacted in different settings including online spaces and across time Consent is most often connected to the idea of sexual assault and is often viewed as a straight forward concept and one that can be easily explained Yet there is confusion among the public as well as among academics and professionals as to what consent truly is and even the degree to which individuals conceptualise and act on their own ideas about consent within their own lives Topics covered include consent in digital and online interactions consent in education consent in legal

settings and the legal boundaries of consent and consent in sexual situations including sex under the influence of substances  
BDSM and kinky sex This book will appeal to students and scholars interested in issues of consent from the social sciences

[The Rough Rider and the Professor](#) Laurence Jurdem, 2023-07-04 Evoking the political intrigue of the Gilded Age The Rough Rider and the Professor chronicles the extraordinary thirty five year friendship between President Theodore Roosevelt and Senator Henry Cabot Lodge of Massachusetts Theodore Roosevelt was a uniquely gifted figure A man of great intellect and physicality the New York patrician captured the imagination of the American people with his engaging personality and determination to give all citizens regardless of race color or creed the opportunity to achieve

the American dream While Roosevelt employed his abilities to rise from unknown New York legislator to become the youngest man ever to assume the presidency in 1901 that rapid success would not have occurred without the assistance of the powerful New Englander Henry Cabot Lodge Eight years older than Roosevelt from a prominent Massachusetts family Lodge was one of the most calculating combative politicians of his age From 1884 to 1919 Lodge and Roosevelt encouraged one another to mine the greatness that lay within each of them As both men climbed the ladders of power Lodge focused on dominating the political landscape of Massachusetts served as the future president's confidant and mentor advising him on political strategy while helping him obtain positions in government that would eventually lead to the White House Despite the love and respect that existed between the two men their relationship eventually came under strain Following Roosevelt's ascension to the presidency T R's desire to expand the social safety net while attempting to broaden the appeal of the Republican Party clashed with his older friend's more conservative partisan point of view Those tensions finally culminated in 1912 Lodge's refusal to support the former president's independent bid for a third presidential term led to a political break up that was only repaired by each man's hatred for the policies of Woodrow Wilson Despite their political disagreements Theodore Roosevelt and Henry Cabot Lodge remained devoted friends until the Rough Rider took his final breath on January 6 1919
