Balk, 2008 This unique look at history elaborately recounts the birth of human civilization through the vehicle of ancient Egyptian deities albeit in light of the most recent knowledge on archaeology anthropology comparative religion linguistics sociology and general history It moves quickly but seamlessly to Greece via Crete revealing the relatively young age of Continental European and by extension all Western culture science art and religion and their highly derivative nature a point subtly repeated throughout this stunningly wide ranging work A book of contrasts it constantly compares not only the Saints and the Sinners but the East and the West be the issues dealt with political or religious in most cases the one cannot be separated from the other It does not however presume to pass judgement only to relate the events as they happened the facts as they stand even if many of them are little known ones conspicuous by their absence in standard school history books The Man who Found the Missing Link Pat Shipman, 2002 Born eighteen months after the first Neanderthal skeleton was found and a year before Charles Darwin published The Origin of Species Eugene Dubois vowed to discover a powerful truth in Darwin's deceptively simple ideas There is a link he declared a link as yet unknown between apes and Man It takes a brilliant writer to elucidate a brilliant mind and Pat Shipman shines as never before The Man Who Found the Missing Link is an irresistible tale of adventure scientific daring and a strange and enduring love and it is true The Fields of Anarchy: A Great War Saga Gaurav Garg, From the simmering tensions of pre war Europe to the mud soaked trenches of the Western Front the forgotten colonial battlefields of East Africa and the revolutionary streets of Petrograd The Crimson Tide of War plunges into the heart of World War I Follow the intertwined destinies of five individuals a British journalist chasing truth amidst propaganda a patriotic German student whose idealism shatters in the crucible of combat a Serbian operative fighting for his nation s

survival a compassionate French nurse battling death daily and a German officer waging a lonely guerrilla war in Africa Their lives are irrevocably altered by the war to end all wars Witness their struggles for survival their moral dilemmas and their desperate search for meaning as empires crumble and a new world order struggles to be born from the ashes From the assassination in Sarajevo to the Treaty of Versailles this epic historical saga captures the immense human cost and the enduring spirit of a generation caught in the unforgiving machinery of global conflict Will they find their fragile dawn or will the echoes of war silence them forever El Rey Arnold Videl, 2025-04-09 Furthermore this dedication is dedicated to the complex tapestry of human nature where cruelty and compassion intertwine where ambition fuels both creation and destruction El Rey s story while fictional is a reflection of the very real struggles between power and morality loyalty and self preservation It is a story whispered in the wind carried on the currents of the sea a tale of a man driven by ambition haunted by betrayal and ultimately consumed by the very power he craved May this narrative serve as a stark reminder of the consequences of unchecked ambition and the enduring strength of the human spirit in the face of unimaginable adversity It is a dedication to the darkness and to the enduring flicker of hope that persists even in the deepest shadows May this serve as a reminder of the stories untold the victims unnamed and the struggles of those caught in the unrelenting crossfire of ambition and greed This is for them their shadows and the echoes of their stories Female Heroism in the Works of Corneille and Racine Dana Lungu, 2023-07-24 This study breaks with traditional readings in terms of tragic model and tragic hero in the works of Racine and Corneille It departs from the critical tradition of examining the tragic hero as an isolated figure defined by autonomy it approaches the behaviour of M d e Clytemnestre and Ph dre from a relational perspective It argues that these female characters belong to the tragic hero category hold valid and valuable ethical positions and deserve to be treated as equal to their male counterparts It also redefines the way we look at the tragic dynamic The characters are no longer antagonists but inadvertent collaborators working towards the tragic outcome in order to satisfy desires and beliefs about themselves and the world that are deeply rooted in their psyche This book shows that alternative interpretations of the behaviour of M d e Clytemnestre and Ph dre can be obtained and must be obtained by applying modern methodologies in order to challenge the biased readings from the past and to see these characters in a new light Deception's Leaacy Jacqueline G. Randolph, 2007-09 Combining three intersecting time lines from 1966 and 2030 the focus of Deception's Legacy is Andaluc a Spain where multiple religions lived in relative peace until the bloody Spanish Inquisition Deception's Guard Jacqueline Randolph, 2005-03 DEA agent Skye Mathews is a celebrated DEA agent assigned to the South Central America Region A consummate bilingual actress and pilot her successes are renown in the DEA She is assigned to her most difficult mission that of guarding CEO Rhys Wielde of Genoreach Technologies Inc in his quest to bring his colleagues to justice after they create a deadly biological weapon Despite not knowing the identity of his multi disguised bodyguard Skye and Rhys s adventures take them through three countries four states deceptions assassins betrayals and an unexpected alliance
