Bizarro and Other Strange Manifestations of the Art of Dan Piraro Dan Piraro, 2006-04 In this book Piraro discusses his own life from his Bible Belt beginnings to his happy landing in New York City from life with a well paying day job and a big house in the suburbs to his much more fulfilling if not as lucrative life as a cartoonist

The Veil Jennifer Heath, 2008-07-02 This groundbreaking volume written entirely by women examines the vastly misunderstood and multilayered world of the veil Veiling of women of men and of sacred places and objects has existed in countless cultures and religions from time immemorial Today veiling is a globally polarizing issue a locus for the struggle between Islam and the West and between contemporary and traditional interpretations of Islam But veiling was a practice long before Islam and still extends far beyond the Middle East This book explores and examines the cultures politics and histories of veiling Twenty one gifted writers and scholars representing a wide range of societies religions ages locations races and accomplishments here elucidate challenge and or praise the practice Expertly organized and introduced by Jennifer Heath who also writes on male veiling the essays are arranged in three parts the veil as an expression of the sacred the veil as it relates to the emotional and the sensual and the veil in its sociopolitical aspects This unique dynamic and insightful volume is illustrated throughout It brings together a multiplicity of thought and experience much of it personal to make readily accessible a difficult and controversial subject Contributors Kecia Ali Michelle Auerbach Sarah C Bell Barbara Goldman Carrel Eve Grubin Roxanne Kamayani Gupta Jana M Hawley Jasbir Jain Mohja Kahf Laurene Lafontaine Shireen Malik Maliha Masood Marjane Satrapi Aisha Shaheed Rita Stephan Pamela K Taylor Ashraf Zahedi Dinah Zeiger Sherifa Zuhur

Singular Sensations Michelle Ann Abate, 2024-09-13 What do The Family Circus Ziggy and The Far Side have in common They are all single panel comics a seemingly simple form that cartoonists have used in vastly different ways Singular Sensations is the first book length critical study to examine this important but long neglected mode of cartoon art Michelle Ann Abate provides an overview of how the American single panel comic evolved starting with Thomas Nast's political cartoons and R F Outcault's groundbreaking Yellow Kid series in the nineteenth century In subsequent chapters she explores everything from wry New Yorker cartoons to zany twenty first century comics like Bizarro Offering an important corrective to the canonical definition of comics as sequential art Abate reveals the complexity artistry and influence of the single panel art form Engaging with a wide range of historical time periods sociopolitical subjects and aesthetic styles Singular Sensations demonstrates how comics as we know and love them would not be the same without single panel titles Abate's book brings the single panel comic out of the margins and into the foreground

A. Levine,2017-09-30 Long Strange Journey presents the first critical analysis of visual objects and discourses that animate Zen art modernism and its legacies with particular emphasis on the postwar Zen boom Since the late nineteenth century Zen and Zen art have emerged as globally familiar terms associated with a spectrum of practices beliefs works of visual art aesthetic concepts commercial products and modes of self fashioning They have also been at the center of fiery public disputes that have erupted along national denominational racial ethnic class and intellectual lines Neither stable nor strictly a matter of euphoric religious or intercultural exchange Zen and Zen art are best approached as productive predicaments in the study of religion spirituality art and consumer culture especially within the frame of Buddhist modernism Long Strange Journey s modern contemporary emphasis sets it off from most writing on Zen art which focuses on masterworks by premodern Chinese and Japanese artists gushes over timeless visual qualities as indicative of metaphysical states or promotes with ahistorical trend spotting flair Zen art s design appeal and therapeutic values In contrast the present work plots a methodological through line distinguished by discourse analysis moving from the first contacts between Europe and Japanese Zen in the sixteenth century to late nineteenth early twentieth century transnational exchanges driven by Japanese Buddhists and intellectuals and the formation of a Zen art canon to postwar Zen transformations of practice and avant garde expressions to popular embodiments of our Zenny zeitgeist such as Zen cartoons The book presents an alternative history of modern contemporary Zen and Zen art that emphasizes their unruly and polythetic prototypical natures taking into consideration serious religious practice and spiritual and creative discovery as well as conflicts over Zen s value amid the convolutions of global modernity squabbles over authenticity resistance against the notion of Zen influence and competing claims to speak for Zen art made by monastics lay advocates artists and others *American Book Publishing Record* ,2006 *Editor & Publisher* ,1986-07 Directory of interactive products and services included as section 2 of a regular issue annually 1995 *The Publishers Weekly* ,2006 **Life is Strange and So are You** Dan Piraro,2001 Dan Piraro lives in a warped and twisted world and he enables the rest of us to see that we all live there with him Wherever he gets his weird inspiration Piraro s single panel comic Bizarro has captured worldwide attention Fans say they identify with the cartoonist s surreal take on everything from passive aggressive crime to hair transplants to the modern job interview Syndicated since 1985 Piraro was honored by the National Cartoonists Society with a 1999 Reuben cartooning s highest accolade This Sunday Treasury collects the best of Bizarro in a book that will keep fans panting for more *The World Encyclopedia of Cartoons* Maurice Horn,1999 Surveys on an international scale the entire cartoon field caricature editorial and political cartoons sports cartoons syndicated panels and animated cartoons *The Circus Age* Janet M. Davis,2003-10-15 A century ago daily life ground to a halt when the circus rolled into town Across America banks closed

schools canceled classes farmers left their fields and factories shut down so that everyone could go to the show In this entertaining and provocative book Janet Davis links the flowering of the early twentieth century American railroad circus to such broader historical developments as the rise of big business the breakdown of separate spheres for men and women and the genesis of the United States overseas empire In the process she casts the circus as a powerful force in consolidating the nation s identity as a modern industrial society and world power Davis explores the multiple shows that took place under the big top from scripted performances to exhibitions of laborers assembling and tearing down tents to impromptu spectacles of audiences brawling acrobats falling and animals rampaging Turning Victorian notions of gender race and nationhood topsy turvy the circus brought its vision of a rapidly changing world to spectators rural as well as urban across the nation Even today Davis contends the influence of the circus continues to resonate in popular representations of gender race and the wider world

AS Critical Thinking for AQA Oliver McAdoo,2014-01-14 AS Critical Thinking for AQA is the definitive textbook for students of the current AQA Advanced Subsidiary Level syllabus Structured very closely around the AQA specification it covers the two units of the AS level in an exceptionally clear and student friendly style The chapters are helpfully subdivided into short digestible passages and include intended learning objectives at the beginning of each chapter student exercises at the end of each section with a stretching activity for more advanced learners exam orientated questions key point summaries at the end of each section cross references In line with the AQA specification there is a heavy emphasis on more imaginative forms of source material for example music film artwork historical documents adverts moral dilemmas and scientific debates as a means of illustrating key points A great deal of emphasis is also placed on live or real arguments taking topical examples from the world of science politics entertainment and sport The book is accompanied by a companion website with extensive resources for both instructors and students
