Black America Series Jackson County Florida:

Jackson County, Florida G a -J C T S Alumni Association,1999-12-01 Documenting the lives of African American citizens in the days of slavery through the difficult and often violent Reconstruction and Jim Crow eras to the increasing tolerance of the last century Jackson County Florida tells the singular story of this proud community s struggles and successes

African American Sites in Florida Kevin M McCarthy,2019-07-24 African Americans have risen from the slave plantations of nineteenth century Florida to become the heads of corporations and members of Congress in the twenty first century They have played an important role in making Florida the successful state it is today This book takes you on a tour through the 67 counties of the sites that commemorate the role of African Americans in Florida s history If we can learn more about our past both the good and the not so good we can make better decisions in the future Behind the hundreds of sites in this book are the courageous African Americans like Brevard County s Malissa Moore who hosted many Saturday night dinners to raise money to build a church and Miami Dade s Gedar Walker who built the first rate Lyric Theater for black performers And of course also featured are the more famous black Floridians like Zora Neale Hurston Jackie Robinson Mary McCleod Bethune and Ray Charles

The New Encyclopedia of Southern Culture Amy Louise Wood,2011-11-14 Much of the violence that has been associated with the United States has had particular salience for the South from its high homicide rates or its bloody history of racial conflict to southerners popular attachment to guns and traditional support for capital punishment With over 95 entries this volume of The New Encyclopedia of Southern Culture explores the most significant forms and many of the most harrowing incidences of violence that have plagued southern society over the past 300 years Following a detailed overview by editor Amy Wood the volume explores a wide range of topics such as violence against and among American Indians labor violence arson violence and memory suicide and anti abortion violence Taken together these entries broaden our understanding of what has driven southerners of various classes and various ethnicities to commit acts of violence while addressing the ways in which southerners have conceptualized that violence responded to it or resisted it This volume enriches our understanding of the culture of violence and its impact on ideas about law and crime about historical tradition and social change and about race and gender not only in the South but in the nation as a whole *The American Magazine of Civics* ,1893 *They Left Great Marks on Me* Kidada E. Williams,2012-03-12 Well after slavery was abolished its legacy of violence left deep wounds on African Americans bodies minds and lives For many victims and

witnesses of the assaults rapes murders nightrides lynchings and other bloody acts that followed the suffering this violence engendered was at once too painful to put into words yet too horrible to suppress Despite the trauma it could incur many African Americans opted to publicize their experiences by testifying about the violence they endured and witnessed In this evocative and deeply moving history Kidada Williams examines African Americans testimonies about racial violence By using both oral and print culture to testify about violence victims and witnesses hoped they would be able to graphically disseminate enough knowledge about its occurrence that federal officials and the American people would be inspired bear witness to thier suffering and support their demands for justice In the process of testifying these people created a vernacular history of the violence they endured and witnessed as well as the identities that grew from the experience of violence This history fostered an oppositional consciousness to racial violence that inspired African Americans to form and support campaigns to end violence The resulting crusades against racial violence became one of the political training grounds for the civil rights movement
