The Rough Guide to Rock Peter Buckley, 2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap *Dixie Lullaby* Mark Kemp, 2007-11-01 Rock his aunts uncles and grandparents held outdated racist views that were typical of the time his parents however believed blacks should be extended the same treatment as whites but also counseled their children to respect their elder relatives I loved the land that surrounded me but hated the history that haunted that land Kemp writes When rock music specifically southern rock entered his life he began to see a new way to identify himself beyond the legacy of racism and stereotypes of southern small mindedness that had marked his early childhood Well into adulthood Kemp struggled with the self loathing familiar to many white southerners But the seeds of forgiveness were planted in adolescence when he first heard Duane Allman and Ronnie Van Zant pour their feelings into their songs In the tradition of music historians such as Nick Tosches and Peter Guralnick Kemp masterfully blends into his narrative the stories of southern rock bands from heavy hitters such as the Allman Brothers Band Lynyrd Skynyrd and R E M to influential but less known groups such as Drive By Truckers as well as the personal experiences of their fans In dozens of interviews he charts the course of southern rock roll Before civil rights the popular music of the South was a small often racially integrated world but after Martin Luther King Jr's assassination black musicians struck out on their own Their white counterparts were left to their own devices and thus southern rock was born a mix of popular southern styles that arose when predominantly white rockers combined rural folk country and rockabilly with the blues and jazz of African American culture This down home flannel wearing ass kicking brand of rock took the nation by storm in the 1970s The music gave southern kids who emulated these musicians a newfound voice Kemp and his peers now had something they could be proud of southern rock united them and gave them a new identity that went beyond outside perceptions of the South as one big racist backwater Kemp offers a lyrical thought provoking searingly intimate and utterly original journey through the South of the 1960s 70s 80s and 90s viewed through the prism of rock roll With brilliant insight he reveals the curative and unifying impact of rock on southerners who came of age under its influence

The Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **The Encyclopedia of Psychoactive Plants** Christian Rätsch,2005-04-25 The most comprehensive guide to the botany history distribution and cultivation of all known psychoactive plants Examines 414 psychoactive plants and related substances Explores how using psychoactive plants in a culturally sanctioned context can produce important insights into the nature of reality Contains 797 color photographs and 645 black and white illustrations In the traditions of every culture plants have been highly valued for their nourishing healing and transformative properties The most powerful plants those known to transport the human mind into other dimensions of consciousness have traditionally been regarded as sacred In The Encyclopedia of Psychoactive Plants Christian R tsch details the botany history distribution cultivation and preparation and dosage of more than 400 psychoactive plants He discusses their ritual and medicinal usage cultural artifacts made from these plants and works of art that either represent or have been inspired by them The author begins with 168 of the most well known psychoactives such as cannabis datura and

papaver then presents 133 lesser known substances as well as additional plants known as legal highs plants known only from mythological contexts and literature and plant products that include substances such as ayahuasca incense and soma The text is lavishly illustrated with 797 color photographs many of which are from the author s extensive fieldwork around the world showing the people ceremonies and art related to the ritual use of the world s sacred psychoactives **All These Things That I've Done** Matt Pinfield,Mitchell Cohen,2016-09-06 A memoir from a music personality TV host and MTV and VH1 veejay chronicles the songs and artists that informed and molded his childhood and teenage years to ultimately inspire his career relationships and life and shares his stories from the front lines of rock and roll NoveList *Where Did My Life Go? Homeless and Out of Business* K.D. Sanders,2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I ve come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there s another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author s opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I ve been coming across these days Definitely worth checking out Amazon Review *Billboard* ,1992-06-13 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1992-06-13 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1992-08-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Mojo Collection** Jim Irvin,2009-06-04 Organised chronologically and spanning seven decades The MOJO Collection presents an authoritative and engaging guide to the history of the pop album via hundreds of long playing masterpieces from the much loved to the little known From The Beatles to The Verve from Duke Ellington to King Tubby and from Peggy Lee to Sly Stone hundreds of albums are covered in detail with chart histories full track and personnel listings

and further listening suggestions There s also exhaustive coverage of the soundtrack and hit collections that every home should have Like all collections there are records you listen to constantly albums you ve forgotten albums you hardly play albums you love guiltily and albums you thought you were alone in treasuring proving The MOJO Collection to be an essential purchase for those who love and live music The Rock Metal Quiz Book Peter Miles,2013-09-09 Are you a fan of rock metal Can you name the bands that are synonymous with this type of music and the songs that made them famous Do you go to the Download Festival on the trail of your favourite rock stars If you answered yes to any of the above questions you definitely won t want to be without with The Rock Metal Quiz Book What UK band charted with A Graveyard of Empty Bottles Who produced Nirvana s seminal album Nevermind What was the name of Motorhead s 1982 studio album The answers to these questions and more can all be found in this new quiz book The 850 questions in this book some easy some hard have been put together to test your knowledge of rock metal bands their history and their music Full of information about your favourite groups individual stars lyrics venues and much more you are sure to find out something you never knew This fun and entertaining reference guide is a must have for rock metal fans of all ages Amazing Grace James Walvin,2023-10-31 A fascinating journey through the history of Amazing Grace one of the transatlantic world s most popular hymns and a powerful anthem for humanity Sung in moments of personal isolation or on state occasions watched by millions Amazing Grace has become an unparalleled anthem for humankind How did a simple Christian hymn written in a remote English vicarage in 1772 come to hold such sway over millions in all corners of the modern world With this short engaging cultural history James Walvin offers an explanation The greatest paradox is that the author of Amazing Grace John Newton was a former Liverpool slave captain Walvin follows the song across the Atlantic to track how it became part of the cause for abolition and galvanized decades of movements and trends in American history and popular culture By the end of the twentieth century Amazing Grace was performed in Soweto and Vanuatu by political dissidents in China and by Kikuyu women in Kenya No other song has acquired such global resonance as Amazing Grace and its fascinating history is well worth knowing
