Cover Up Peter Lance, 2009-03-17 Ever since 9 11 investigative reporter Peter Lance has been leading the fight to expose the intelligence gaps that led to 9 11 Now in the follow up to his bestselling 1000 Years for Revenge he returns with devastating new evidence that the government has been covering up its own counterterror failures since the mid 1990s and continues today In Cover Up Lance shows how the government chose again and again to sacrifice America's national security for personal motives and political convenience In its first half he unveils shattering new evidence that terror mastermind Ramzi Yousef ordered the bombing of TWA 800 from his prison cell in order to effect a mistrial in his own terror bombing case Astonishingly the FBI was alerted to Yousef's plans in advance by a prison informant who even passed along his detailed sketch of a bomb trigger device a document seen here for the first time And Lance reveals the shocking reason the Justice Department suddenly ruled the crash an accident despite overwhelming evidence of the bombing throwing away its best chance to penetrate the cell that was already planning 9 11 And the outrage doesn't stop there In Part II Lance offers an unofficial minority report on the 9 11 Commission critiquing it as the incomplete highly politicized Warren Commission of our time He explores potential conflicts of interest among its members from the staff director who wrote a book with Condoleezza Rice to the former Clinton deputy attorney general who participated in a critical meeting that upended the TWA probe He exposes the report's false contention that the 9 11 plan was conceived in 1996 when the FBI had knowledge that the plot was in motion as early as 1994 And in a heart stopping minute by minute chronicle of the attacks he asks dozens of unanswered questions about the defense failures of that day from why fighter jets weren't scrambled for almost an hour after the hijackings to why the president and several of his top military advisers remained virtually incommunicado for more than half an hour after it was clear that America was under attack At a time when America feels no safer than ever Cover Up will lend new eyes to readers who want the full story behind the 9 11 attacks and inspire us all to keep demanding the truth

Free Energy Cover-Up: Advisory Book, Hudkins

Publishing Ronald Hudkins,2019-01-24 Research appears to show that over the greater span of American history a number of significant breakthroughs in energy generation and propulsion have occurred that have been systematically suppressed For example Nikola Tesla discovered Zero Point Energy in 1902 but the government suppressed the technology Since then 5 000 patents on technology of this kind have been legally confiscated In doing this our government has committed possibly the greatest injustice against humanity ever If Tesla s discovery of zero point energy had become common knowledge back in the 1900s and the technology had been developed and put into widespread use we could have had virtually free unlimited non polluting energy for nearly 120 years We have the technological ability to replace fossil fuel internal combustion and nuclear power generating systems with advanced non polluting electromagnetic and electrogravity systems

The Wuhan

Cover-Up Robert F. Kennedy Jr.,2023-12-06 RFK Jr exposes the decades of lies Luc Montagnier Nobel laureate From the New

York Times Wall Street Journal USA Today and Publishers Weekly bestselling author of *The Real Anthony Fauci* comes an explosive exposé of the cover up behind the true origins of COVID 19. Gain of function experiments are often conducted to deliberately develop highly virulent easily transmissible pathogens for the stated purpose of developing preemptive vaccines for animal viruses before they jump to humans. More insidious is the dual use nature of this research specifically directed toward bioweapons development. *The Wuhan Cover Up* pulls back the curtain on how the US government's increase in biosecurity spending after the 2001 terror attacks set in motion a plan to transform the National Institute of Allergy and Infectious Diseases (NIAID) under the direction of Dr. Anthony Fauci into a de facto Defense Department agency. While Dr. Fauci zealously funded and pursued gain of function research, concern grew among some scientists and government officials about the potential for accidental or deliberate release of weaponized viruses from labs that might trigger worldwide pandemics. A moratorium was placed on this research but true to form Dr. Fauci found ways to continue unperturbed, outsourcing some of the most controversial experiments offshore to China and providing federal funding to the Wuhan Institute of Virology's (WIV) leading researchers for gain of function studies in partnership with the Chinese military and the Chinese Communist Party. Robert F. Kennedy Jr.'s meticulously researched and rigorously sourced analysis leads readers on a staggering journey to learn about the key enablers and henchmen pushing for gain of function research, the economic motives behind gain of function research, successfully engineered chimeric viruses that can infect and kill humans, the coordinated effort to silence speculation of COVID 19's laboratory genesis, the complicity of scientific journals to hide the origins of COVID 19, the role of the Wuhan Institute of Virology in China's biowarfare biodefense program, the relationships between US health, military, and intelligence bureaucracies and scientists and their Chinese counterparts, the roles of Bill Gates and Sir Jeremy Farrar in orchestrating a global cover up. *The Wuhan Cover Up* unveils a global conspiracy of epic proportion and lethal consequence.

Journal of the Fortean Research Center Paperbound Ray Boeche, 2012-07-01. The Fortean Research Center was founded in Lincoln, Nebraska in 1982. During the two decades of its existence, this volunteer group of researchers and investigators delved deep into the unexplained. Exploring events in Nebraska and far beyond that included ghosts, UFOs, Bigfoot encounters, animal mutilations, government cover ups, alleged alien abductions, psychic phenomena, cult activity, and even a sighting of a blob-like mystery creature, the Fortean Research Center became recognized among members of the Fortean, paranormal, and UFO research communities around the world as a reliable and trusted source of information. Here is the entire collection of the *Journal of the Fortean Research Center*, 23 issues in all. These publications are a reflection of their time and demonstrate in many cases the beginning steps into subjects familiar to the public today: alleged UFO crashes and landings at government installations, alien abductions, cryptozoology, and more.
