Alone In The Woods:

Alone in the Woods Rebecca Behrens, 2020-10-06 From the author of *The Disaster Days* comes a thrilling survival story and lost in the woods children's book about two former best friends who must work together to stay alive after getting lost in a remote national forest. Jocelyn and Alex have always been best friends until they aren't. Jocelyn's not sure what happened but she hopes the annual joint family vacation in the isolated north woods will be the perfect spot to rekindle their friendship. But Alex still isn't herself when they get to the cabin. And Jocelyn reaches a breaking point during a rafting trip that goes horribly wrong. When the girls' tube tears it leaves them stranded and alone. And before they know it the two are hopelessly lost. Wearing swimsuits and water shoes and with only the contents of their wet backpack the girls face threats from the elements. And as they spend days and nights lost in the wilderness they'll have to overcome their fractured friendship to make it out of the woods alive. Praise for *The Disaster Days*: A realistic engrossing survival story that's perfect for aspiring babysitters and fans of John Macfarlane's *Stormstruck*, Sherry Shahan's *Ice Island* or Wesley King's *A World Below*. School Library Journal The strength of this steadily paced novel that stretches over four days of a scary disaster scenario is that Hannah doesn't figure everything out; she stumbles, doubts, and struggles throughout it all. The Bulletin of the Center for Children's Books Fans of survival thrillers in the vein of Gary Paulsen's *Hatchet* will enjoy this tense, honest tale of bravery, an excellent and refreshingly not didactic teaching tool on natural disaster preparedness. Booklist The relentless progression of a variety of disaster scenarios will keep readers turning pages equally suspenseful and informative. School Library Connection Behrens uses immersive details and situations effectively viewed from Hannah's perspective to create a suspenseful, vivid story filled with lessons about responsibility and overcoming adversity. Publishers Weekly *Alone in the Woods* is a perfect gift for preteen survival story fans, summer reading, tween book for girls, 11-14 book for middle school girls.

Alone in the Woods Charly Cox, 2023-10-10 The parents are dead. The girls are hiding. The killer is still inside the house. Can Detective Alyssa Wyatt get there in time? Gabriel Kensington and his wife Lydia have been brutally slain in their luxurious home in New Mexico. A frantic, whispered phone call from their teenage daughter Addis and her best friend Emerson quickly alerts the authorities to the killings. But when Detective Alyssa Wyatt and the squad appear at the house, the unthinkable has happened. The girls are nowhere to be found, and neither is the killer. In a race against time in this new thriller, it's up to Alyssa Wyatt and her partner Cord to find the missing girls and discover just why the Kensingtons have been targeted. For Addis and Emerson, every minute passing could be the difference between survival or an unthinkable death. Great reviews for the Detective Alyssa Wyatt Series. Wow, did *All His Pretty Girls* pack a punch! I was shocked when I found out this was a debut. A heart in your mouth read that will have you racing through those pages. Russell Walker,2015-02-21 For more years than most of todays population could possibly recall I had been writing poems about my family my own true adventure stories and just about anything of

interest to me which has been just about anything I had catalogued shelved boxed and stored material throughout the years all the while that I had been experiencing the many facets of my more varied than some life From the time that I was a little farm kid the workings of nature and its wild faces had held intrigue to my mind Consequently by the time that I became old and bold enough to begin my own quest of adventure I just plainly let it happen Any opportunity to explore life and of things not yet known to me became open season for my whims In those early years I had managed to scribble down numerous discoveries that evolved as I waded through lifes happenings Eventually I had accumulated many written utterances and at first kept them in piles and eventually files Through the urgings of family and friends it has come to the point of sharing my writings of adventurous ramblings with others But where should I start The grab bag of writings that I have dealt from for this first widely published volume of mine which I had decided to name Down Lifes Trail for in many ways it does reflect selections written by myself along the bumpy road of life At the age of twenty two I had started out on my own after schooling for the profession as a photographer This required traveling many miles first within Maine then to other locations across the country and involving aerial photos along with all others I had recorded and kept records of many of the special locations that I had flown over or photographed both in writings and photos Now has come the time for me to pursue the publishing of some of my collections I had promised to my local audience that had been reading my work over the years that I would indeed take a shot at publishing a book of poetry My decision right or wrong is now to begin my offerings with this aptly named volume of Down Lifes Trail for the following has been derived from short story poems written as I was tripping along lifes trail Hopefully you will read and enjoy the enclosed pages that have been randomly selected from the far reaching trail of my life

Alone! Heinz Siegfried Pestner, 2022-12-23 When Eric Morales starts to experience dizzy spells and intense migraines while at work he is advised by his doctor and girlfriend to take some time off from work While on his solo vacation at his cabin in the woods he begins to notice strange things going on around him from missing times to strange shadows lurking around At first he is not spooked by these events but when he gets a call about his girlfriend going missing while coming to meet him at the cabin he goes in search of her like the literal hero that never was in his favorite novels not expecting to be thrown into a web of identity crisis and confusion The rumbling of thunder overhead created a scary atmosphere that made her heart beat faster The cold dewy leaves sliding across her skin made her shiver in fear as she looked around trying to point out where the swooshing sound had come from Parts of her skin were torn from the thorns that scratched her skin from the numerous falls she had encountered while running she ran fast Faster Faster still Not once stopping Refusing to look behind her Scrapes and cuts on hands from falling in the dark She twisted and jerked at every unfamiliar sound holding her hands out in front of her to ward off unseen obstacles Smack She fell to the ground bearing the full brunt of the blow from the unknown She whimpered but picked herself up diving behind a wide cedar trunk just off the trail she had mapped out to keep her safe With her heart slamming violently against her ribcage she gulped in the stale air of
