Copyright Office, 1941 Always Coming Home Ursula K. Le Guin, 2001-02-27 An ethnographic novel that portrays life in California's Napa Valley as it might be a very long time from now imagined not as a high tech future but as a time of people once again living close to the land **English American Rythms Iii (worktext) 1st Ed. 1993** , Meeting My Needs for English Ii (worktext) 1st Ed. 1999 , **The Experimental Book Object** Sami Sjöberg, Mikko Keskinen, Arja Karhumaa, 2023-11-30 The Experimental Book Object shows why and how books matter in the 21st century Digital and audio platforms are commonplace and other fields of art beyond literature have increasingly embraced books and publication as their medium of choice Nevertheless the manifold book object persists and continues to inspire various types of experimentation This volume sets forth an unprecedented approach where literary and media theory are entangled with design practitioners artistic research and process descriptions By probing the paradigm of the codex this collection of essays focuses on historical and contemporary experimentation that has challenged what books are and could be from the perspectives of materiality mediation and visual and typographic design Investigations into less studied areas and cases of performativity demonstrate what experimental books do by interacting with their systemic and cultural environments The volume offers a multifaceted and multidisciplinary view of the book object the book design and publishing processes and their significance in the digital age **Youth Created Media on the Climate Crisis** Richard Beach, Blaine Smith, 2023-07-18 This timely book provides effective methods and authentic examples of teaching about climate change through digital and multimodal media production in the English Language Arts classroom The chapters in this edited volume demonstrate the benefits of addressing climate change in the classroom through innovative media production and cover a range of different types of media including video digital storytelling social media art music and writing with rich resources for instruction in every chapter Through the engaging ideas and strategies the contributors equip educators with the critical tools for supporting students media production In so doing they offer new perspectives on how students can employ media and production techniques to critique the status quo call for change and acquire new literacy skills As the effects of the climate crisis become increasingly visible to the youth population this book helps foster and support youth agency and activism Youth Media Creation on the Climate Change Crisis Hear Our Voices is a necessary text for students preservice teachers and educators in literacy education media studies social and environmental studies and STEM education The eBook version of the text features embedded audio and video components as well as interactive links to reflect the multimodal nature of students work spotlighting how youth media production supports the development of students critical literacy skills and shapes their voices and identities Dancing the Tao Sandra J. Lindow, 2012-11-15 Dancing the Tao Le Guin and Moral Development takes an original approach to Ursula K Le Guin's work

speculative fiction poetry and children's literature by considering her Taoist upbringing and then looking through the lens of moral development theorists such as Carol Gilligan and Mary Field Belenky and psychologists such as Lenore Terr and Jennifer J. Freyd. It is the most comprehensive approach to Le Guin's moral thinking to date. A particular emphasis is put on Le Guin's depiction of physical and sexual child abuse and its long-term aftereffects such as post-traumatic stress disorder. The focus throughout the book is on how morality develops through self-awareness and voice, how moral decisions are made, and how Le Guin challenges readers to reconsider their own moral thinking. This book covers all of Le Guin's major works such as *The Left Hand of Darkness*, *The Dispossessed*, the *Earthsea Series*, *Always Coming Home*, *The Telling*, and *Lavinia*, and it also looks in depth at work that is rarely discussed such as Le Guin's early work, her poetry, and her picture books. **Utopian**

Audiences Kenneth M. Roemer, 2003. How do readers transform Utopia? How do they manipulate imaginary worlds to gain new perspectives of their own worlds? In order to answer these and other questions, this study employs a wide spectrum of reader response approaches to define the nature and impact of utopian literature. **A Dictionary of Catch Phrases** Eric Partridge, 2003-09-02. A catch phrase is a well-known frequently used phrase or saying that has caught on or become popular over a long period of time. It is often witty or philosophical, and this Dictionary gathers together over 7,000 such phrases.

Coyote's Song Richard D. Erlich, 2009-12-01. A major study of the major and minor fiction, poetry, and children's books of SF and fantasy writer Ursula K. Le Guin. As Le Guin herself writes, "It is written in English, not academese, and will be of interest to a wide spectrum of students, scholars, and interested readers." **The first cousins, by the author of 'Hester Blake'**. First cousins, 1865.

Ursula K. Le Guin Beyond Genre Mike Cadden, 2005-07-08. This book critically examines Le Guin's fiction for all ages, and it will be of great interest to her many admirers and to all students and scholars of children's literature. **Dying in the First Person** Nike Sulway, 2016-05-01. Samuel and Morgan are twin brothers separated by several oceans. Once when they were children, together they shared not only a family and a childhood but a secret imaginary world that had a language of its own, Nahum. But that was decades ago, before Morgan became a wanderer whose only contact with his brother was stories written in Nahum. When Morgan unexpectedly passes away in the Netherlands, the woman he was living with, the mysterious Ana, agrees to accompany his body and his final Nahum story home to Australia.

What she carries home to Samuel is not just a manuscript but a startling revelation. In gorgeous and incisive prose, Sulway conjures a haunting, moving story of the complex relationships and allegiances of family, life, of silence and memory, and the power of words and the imagination to transform everything. Dreamlike and prophetic and true. Like the best translators, Sulway pushes language to defy its limitations, to defy our own. Kristina Olsson. **Across the Wounded Galaxies** Larry McCaffery, 1990. Ten writers whose works have a significant influence on the genre over the past quarter-century speak about their works, their backgrounds, and their aesthetic impulses, discussing New Wave, cyberpunk, hard vs. soft SF, and the viability of science fiction as a means of suggesting political, radical, and sexual agendas.
