## **Always Precious In Our Memory Reflections After Miscarriage Stillbirth Or Neonatal Death:**

**Always Precious in Our Memory** Kristen J. Ingram, 1997 Heartfelt meditations address the powerful emotions felt by parents who have endured the death of a baby *Funeral and Memorial Service Readings, Poems and Tributes* Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service To assist the reader in finding a suitable passage the book is divided into eleven chapters There are tributes for mothers fathers children spouses and soulmates friends siblings and other close relatives soldiers and victims of war or violence pets and general readings appropriate for men women or any loved one These selections will also prove helpful for clergy counselors and hospice hospital and funeral professionals Appendices list resources and support organizations and each selection is indexed by author title and first line A special additional index references pieces by famous uses such as in a film novel or celebrity's funeral so readers can locate a passage they remember from its context

Journeys Through Grief Tammie Thomson, 1998-01-07 As a bereaved parent you're often alone it's to make people understand just what you're going through and what you need from them And as a support person it's hard to know what to say what to do what to expect and how to help our bereaved friends With stories from over 60 parents grandparents and siblings who have been through the death of a child and honest comments on the support they received and needed this book is just what bereaved families and caring professionals need **Hit the Ground Crawling: Lessons from 150,000 New**

feelings and made me feel so normal The greatest gift is learning that God does not desert us in our time of need Linda Davis Compassionate Friends after miscarriage and stillbirth The juxtaposition of a Scripture text with each reflection is inspired Some of the texts are breathtaking in their beauty and appropriateness This book is a must for anyone who is ever touched by the loss of an infant Joseph Awad poet and grieving grandfather This book will be very helpful for parents who are mourning the loss of their child It will also prove very beneficial to anyone who is ministering to a bereaved parent Robert N Craig O F M Cap hospital chaplain These reflections allowed me to be how I was feeling not feel like I should be going through the stages of grief that other books described With this book I was no longer a square peg trying to fit into a round hole Jeanette Siebels after infant death **Rattle and Balls** All about Me,2018-11-27 From the back Your grief is raw hungry and screaming to be let out This blank book is the perfect place to write down your story All of it Write about your pregnancy and your thoughts hopes and dreams you had for your baby babies Write about your feelings and experiences with the world after you lost your precious little one s This is your journey Your story Write it in a safe place Paula journal designer and mom to four miscarried babies and a stillborn son This journal will make a thoughtful gift for anyone who has lost their baby due to miscarriage ectopic pregnancy stillbirth or neonatal death Portable size book is 6 x 9 Soft Cover Interior Paper Style Wide Ruled 110 White Pages 55 sheets We hope you enjoy our uniquely designed journals and other blank books Discover our ever growing line of designs and interior styles by clicking on our name All About Me above
