

1000

A modern triumphs as a gripping human drama, a sumptuous period epic, a

glorious celebration of the music of Wolfgang Amadeus Mozart — and as the winner of eight 1984 Academy Awards[®], including Best Picture (produced by Saul Zaentz), Actor (F. Murray Abraham), Director (Miles Forman) and Adapted Screenplay (Peter Shaffer, based on his Tony-winning play).

It's 1781 and Antonio Salieri (Abraham) is the competent court composer to Emperor Joseph II (Jeffrey Jones). When Mozart (Oscar's nominee Tom Hanks) arrives at court, Salieri is horrified to discover that the godlike musical gifts he desires for himself have been bestowed on a bawdy, impish joker. Maddened by envy, he plots to destroy Mozart by any means he can employ. Perhaps, even murder. Did Salieri silence one of the world's true musical geniuses? The mystery — and the music — remain.
