Alligator In The Sky:

Alligator in the Sky Joseph Pacheco, 2005-08 Epilogue Turning left on Dixie Beach Road the night after Hurricane Jeanne sideswiped us I caught a mournful moon peeking at me above her veil of remnant hurricane cloud wanting to share my loss of island afraid to commit that indiscretion Hipster poet nature poet prankster poet oracular poet Nuyorican and political poet Joseph Pacheco proves his mettle as a versifying technician whether it s in his own brand of bebop free verse or funk a fortified rap which reminds us that poetry is a pleasure after all It is no surprise that these highly accessible poems have been projected nationally over the airwaves on National Public Radio I like to think that these radio signals are forever shooting outward Pacheco s poems into deep space If we are lucky the signal may be picked up by radio telescopes on some Planet X and those heavenly aliens will then have some of our capacity for wonderment joy and love For those of us who live in Florida which is America concentrate we are especially in need of poets as irreverent and wise as Joe Pacheco James Brock

, **Earth, Sea and Sky, Or, Marvels of the Universe** Henry Davenport Northrop, 1887 Includes chapters on the narwhal arctic voyages of discovery and the aurora **The Hidden Maya** Martin Brennan, 1998 This work explains how Plains Indians used handsigns as symbols for communication and that the graphic signs derived from hand gestures played an important role in the development of writing The author deciphers Maya inscriptions to reveal their hidden messages

The Eye of the Crocodile Val Plumwood, 2012-11-01 Val Plumwood was an eminent environmental philosopher and activist who was prominent in the development of radical ecophilosophy from the early 1970s until her death in 2008 Her book *Feminism and the Mastery of Nature* 1992 has become a classic In 1985 she was attacked by a crocodile while kayaking alone in the Kakadu national park in the Northern Territory She was death rolled three times before being released from the crocodile s jaws She crawled for hours through swamp with appalling injuries before being rescued The experience made her well placed to write about cultural responses to death and predation The first section of *The Eye of the Crocodile* consists of chapters intended for a book on crocodiles that remained unfinished at the time of Val s death The remaining chapters are previously published papers brought together to form an overview of Val s ideas on death predation and nature **The Antarctic Dictionary** Bernadette Hince, 2000-11-10 The world s most isolated continent has spawned some of the most unusual words in the English language In the space of a mere century a remarkable vocabulary has evolved to deal with the extraordinary environment and living organisms of the Antarctic and subantarctic Here for the first time is a complete guide to the origin and definitions of Antarctic words Like other historical dictionaries *The Antarctic Dictionary* gives the reader quotations for each word These quotations are the life blood of the dictionary more than 15 000 quotations from about 1000 different sources give the reader a unique insight into the way the language of Antarctica has evolved The reader will find out what it means to be slotted the shortcomings of homers the joys of a donga and the hazards of a growler *The Antarctic Dictionary* has been meticulously researched and will appeal to all those who have been to the frozen continent or have ever

dreamed of going there It will also appeal to those fascinated by the development of language With a forward by Sir Ranulph Fiennes
