

A small blue boat is positioned in the lower center of the frame, floating on a calm body of water. The water reflects the vibrant colors of the sunset sky, which is a mix of purple, pink, and orange. The sky is filled with soft, wispy clouds. A dark, semi-transparent rectangular box is centered in the upper half of the image, containing the text "I'm not alone, but I am lonely without you." in a white, serif font. The boat is tied to a dark rope that extends from the bottom right corner towards the center. The overall mood is serene and contemplative.

I'm not alone, but I am
lonely without you.

African Language Structures Wm. E. Welmers, 2018-07-10 Wm E Welmers surveys a wide range of structural characteristics both phonological and grammatical of the languages of sub Saharan Africa Drawing on thirty years of experience in the analysis and teaching of African languages and on work done on some seventy spoken languages Welmers has organized the volume by linguistic topic Thus there are extensive discussions of tonal systems in languages from all over sub Saharan Africa of noun classes and concord in the Bantu and other Niger Kordofanian languages and of the varieties of verbal constructions found in representative languages African Language Structures emphasizes the organization of language data rather than the technicalities of theoretical linguistics The material is presented in such a way that students working on the analysis of other languages can be guided in their procedures Welmers suggests not only what types of structures may be expected but also how they may be discovered and described This work is unique in the depth of its linguistic insight over the entire spectrum of language structure and in the breadth of its language coverage This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 , **Life Letters Lectures and Addresses of Fredk. Kids' Club Letters Georgia A. DeGangi, Marc A. Nemiroff, 2009-08-26 Kids Club Letters provides an innovative approach to group psychotherapy for school aged children who experience a range of social and emotional problems A narrative therapy approach is adapted taking the form of letters written by the therapist in the voice of a child who is asking for advice about interpersonal or emotional problems The child in the letter is asking for guidance from the participants in the group These letters were devised and written for the purpose of structuring responses in group psychotherapy allowing the participants to address relevant issues for them individually and at the group level The children in the groups had previously experienced difficulty discussing these issues spontaneously Hence the Dear Group letter format was born The children did not know that the therapist had written the letters For the Heart L.
