Alone With God A Manual Of Biblical Meditation:

Alone with God Campbell McAlpine, 1981 **Mastering the Word of God - and Letting It Master You!** Nathan Krupp, 2001-05 **Minding the Heart** Saucy, Robert, 2013-09-13 The heart is the most important biblical term for the person's nature and actions. Indeed, the heart is the control center of life. It is the very place where God works to change us. But how does this growth take place? How are Christians to discover the steadfast spirit of David's psalm? In *Minding the Heart*, Robert L. Saucy offers insightful instruction on what spiritual transformation is and how to achieve it. He shows how renewing one's mind through meditation, action, and community can begin the process of change, but ultimately the final change—the change that brings abundant life—can only come through a vital relationship with God. The renewing of the heart is an inescapable human need, writes Saucy, but the solution lies only within the realm of the divine. Drawing from inspiring Bible passages as well as selected scientific studies, Saucy demonstrates how to make lasting change so Christians can finally achieve the joys of becoming more like Christ.

Four Essential Loves William R. McAlpine, 2013-05-22 How does one determine the readiness of any candidate for leadership in ministry? Whether considering vocational ministry leadership or a position on a local board of elders or deacons, without question, knowledge and skills are essential. But an individual's readiness for leadership and ministry cannot be assessed solely on the basis of academic transcripts or impressive statistics found in a pastor or lay leader's annual report. While embracing knowledge and skill as essential to effective leadership and ministry, the author demonstrates how these dimensions are inadequate unless rooted in that which is less quantifiable, namely, heart readiness. But what does heart readiness entail or look like in the life of a leader in ministry? In a word that is grossly overused and profoundly misunderstood, love—and more specifically, love for the right things in the right way for the right reasons. This book is intended for those being trained in the bible college or seminary classroom but also for lay leaders already engaged in virtually any ministry context as well. Readers are encouraged to consider and cultivate four essential loves: love for God's Word, for Christ's church, for one's neighbor, and for oneself.

A new manual of old Christian Catholic meditations, & prayers faithfully collected & translated ... for the most part taken forth of holy Scriptures, or the holy Fathers within the first four hundred years of Christ, etc. [The preface signed: R.B., i.e. R. Broughton.] Richard BROUGHTON (Historian.), 1617

Rekindled Flame Steve Fry, 2011-01-05 As believers, we have a desperate need to cultivate intimacy with our God, a place of blissful union in His love. Now, acclaimed worship leader, singer, and teacher, Steve Fry shows us how. The key to knowing God, Fry says, is worship. From jubilant praise to the very embrace of His heart, the author invites everyone to enter into this mysterious encounter with God's glory. The reader will find practical instruction on meditating in the Scriptures, preparing oneself through praise and seeking God's face in prayer. If you're dry, distracted, dissatisfied, drained in spirit, or simply seeking more, this biblical praise and worship primer will rekindle the flame of passionate relationship with Christ. Includes worship CD with three songs by Steve Fry.
