Heartfelt Max Aguilera-Hellweg, George Blakely, 2005 Love and Remembrance Frank A. Domínguez, 2021-12-14 Jorge Manrique was the greatest poet of fifteenth century Castile and one of the three or four greatest in Spanish literature Frank A Dom nguez offers here an introduction to Manrique s poetry and the first book length study of him in English in fifty years After presenting the biographical and historical context of Manrique s poetry Dom nguez examines the poet s love lyrics describing the large fund of commonplaces and forms that Manrique s verses share with those of other poets of his age Manrique s highly stylized language and parallel verse structures express the obsession of the lover with the beloved Moreover his attention to parallel construe the world s greatest In treating the Coplas Dom nguez not only offers a sensitive reading of the elegy but also examines questions of text structure and style Like the love lyrics the Coplas present a high incidence of parallel structures that make for clarity and symmetry Dom nguez also finds that the complex stylistic relationships of the verses provide the Coplas with a unity that is deeper and more fundamental than has generally been perceived This study eclectic in its critical approaches will be the standard English work on Manrique for years to come

Amazing Love Dad's book of Remembrance JD Riley, 2023-12-07 We all face and respond to the different circumstances surrounding our lives in different ways Spending time in God s Word can help one to recognize that God desires to spend time and hear from each of His children and is very similar to how a parent loves to spend time and hear from their own children No matter how good or how bad these daily circumstances are He is always waiting with open arms

to spend time with us Whether we just need to thank Him for His many blessings or simply ask why things are the way they are He is always standing at the door waiting Since the book of Psalms deals with many circumstances of life hopefully one can begin to understand that God really does care and will listen In this book each Psalm or part of the Psalm can be read out loud or quietly and then there is a simple heartfelt prayer after each one to assist in recognizing how sovereign He is and how dependent we really are on His protection every second of our life **Love Bites...Sometimes** Charles P.

published in 1882 Remembrance of Lost Loves Gene Jackson,2009-11 All lives and the loves contained within them may be thought of as journeys Each of us at any certain time will occupy a space along such a pathway It leads from youth with its excitement hope and foolishness through mistakes omissions and the recognition of self delusion by degrees into maturity and confidence and finally to serenity This is the story of one such journey It is true in essence and in such details as memory at this distance will allow Those who might recognize themselves as fellow travelers along this path may equally share feelings of nostalgia regret self reproach and memories of love lost None should feel any of these emotions past the level that I myself do and all I hope will recall those times with affectionate remembrance **Beyond Therapy** President's Council on Bioethics (U.S.),2003 *Swann's Way; Remembrance of Things Past* Marcel Proust,2025-08-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Ancient and Medieval Memories* Janet Coleman,1992-01-30 This book is an analysis of thinking remembering and reminiscing according to ancient authors and their medieval readers The author argues that behind the various medieval methods in interpreting texts of the past lie two apparently incompatible theories of human knowledge and remembering as well as two differing attitudes to matter and intellect The book comprises a series of studies which take ancient texts as evidence of the past and show how medieval readers and writers understood them The studies confirm that medieval and renaissance interpretations and uses of the past differ greatly from modern interpretation and yet betray many startling continuities between modern and ancient and medieval theories *Steps to the Alter* William Edward Scudamore,1877 The Troublesome and Hard Adventures in Love ,1652 *Altered Memories of the Great War* Mark David Sheftall,2020-06-25 The experiences of World War I touched the lives of a generation but memories of this momentous experience vary enormously throughout the world In Britain there was a strong reaction against militarism but in the Dominion powers of Canada Australia and New Zealand the response was very different For these former colonial powers the experience of war was largely accepted as a national rite of passage and their pride and respect for their soldiers sacrifices found its focus in a powerful nationalist drive How did a single supposedly shared experience provoke such contrasting reactions What does it reveal about earlier pre existing ideas of national identity And how did the memory of war influence later ideas of self determination and nationhood *Altered Memories of the Great War* is the first book to compare the distinctive collective narratives that emerged within Britain and the Dominions in response to World War I It powerfully illuminates the differences as well as the similarities between different memories of war and offers fascinating insights into what this reveals about developing concepts of national identity in the aftermath of World War I *The Mother's Legacy of Mother Love, Bright Hopes and Cherished Memories* D.
