Enough Blood Shed Mary-Wynne Ashford, 2006-05-01 Enough Blood Shed confronts the reality of a world awash in weapons and the belief that war is inevitable with people powerless to change the system It provides an alternative perspective based on solutions known to be successful because they have been used already The first part of the book describes the culture of violence that has led the world to this precipice of hopelessness and then points to

signs of hope that a different future is possible It outlines the steps being made to build a culture of peace including the phenomenal power of civil society the second superpower or the conscience of society Part Two then focuses on the solutions that are possible for all sectors of society For individuals including women children and youth For schools educators activist groups and religious organizations For the media professionals business and labor For cities nations and the global community Focusing on the power of ordinary people to make a difference and packed with effective nonviolent success stories often in a setting of hate and provocation the book provides guidance inspiration hope and empowerment that peace is not only possible but can be fun along the way

Doing Good Thomas Nazario,Kelly Quayle,2017-01-23 When educating the minds of our youth we must not forget to educate their hearts His Holiness the 14th Dalai Lama Are young people more interested in Snapchat than actually talking to each other Is the local mall the first place families think of to go when they want to be happy Too often we get caught up in acquiring more things instead of engaging in meaningful experiences with others This can create distance between people which makes it more difficult to resolve disputes or respond compassionately when someone is in need We can better understand what another person is thinking or feeling if we can imagine being in their shoes and experience a moment in life as they see it It makes it easier to bully someone who is perceived to be different on the outside when in fact on the inside we all basically need the same things to be happy kindness acceptance purpose Through engaging classroom activities thoughtful homework assignments relevant videos and suggested projects young people are introduced to some of our most pressing global challenges As they work together on proposed solutions they begin to create for themselves a meaningful life
