Akira 14 Consecration:

Rituals of Initiation and Consecration in Premodern Japan Fabio Rambelli, Or Porath, 2022-01-19 In premodern Japan legitimization of power and knowledge in various contexts was sanctioned by consecration rituals kanj of Buddhist origin This is the first book to address in a comprehensive way the multiple forms and aspects of these rituals also in relation to other Asian contexts The multidisciplinary chapters in the book address the origins of these rituals in ancient Persia and India and their developments in China and Tibet before discussing in depth their transformations in medieval Japan In particular kanj rituals are examined from various perspectives imperial ceremonies Buddhist monastic rituals vernacular religious forms Shugend mountain cults Shinto lineages rituals of bodily transformation involving sexual practice and the performing arts a history of these developments descriptions of actual rituals and reference to religious and intellectual arguments based on under examined primary sources No other book presents so many cases of kanj in such depth and breadth This book is relevant to readers interested in Buddhist studies Japanese religions the history of Japanese culture and in the intersections between religious doctrines rituals legitimization and performance **An Introduction to the**

Psychology of Religion Robert H. Thouless, 1972-01-06 The third edition of this successful book which applies the science of psychology to problems of religion Dr Thouless explores such questions as why do people believe Why are their beliefs often held with irrational strength How are changes in belief systems related to mental health What are reasonable attitudes towards alternative belief systems This edition includes samples of the experimental and statistical studies of religious problems including the author's own study of the strength of religious beliefs This edition also pays more attention to the problems of non Christian religious systems with special consideration given to the problems of mutual toleration Finally Dr Thouless considers whether it is reasonable for modern man to adhere to any religious belief system This is an excellent textbook for students of the social sciences particularly psychology and theology and will also interest the general reader who has an intellectual curiosity about religion **Literary Prizes and Cultural Transfer** Petra Broomans, Mathijs

Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05 Literary Prizes and Cultural Transfer addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon The contributions to this book analyse the social institutional and ideological functions of such prizes This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions with a special focus on cultural transmitters and their networks which play a decisive role in the award industry Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes presenting the state of the art regarding recent developments in the field Articles with a broader scope discuss definitions concepts and methods while other contributions deal with specific case studies A variety of

theoretical and methodological approaches are explored applying field theory network analysis comparative literature and cultural transfer studies By providing multiple perspectives on the literary prize this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon *Hiraizumi* Mimi Hall Yiengpruksawan,2020-03-31 In the twelfth century along the borders of the Japanese state in northern Honshu three generations of local rulers built a capital city at Hiraizumi that became a major military and commercial center Known as the Hiraizumi Fujiwara these rulers created a city filled with art in an attempt to use the power of art and architecture to claim a religious and political mandate In the first book length study of Hiraizumi in English the author studies the rise of the Hiraizumi Fujiwara and analyzes their remarkable construction program She traces the strategies by which the Hiraizumi Fujiwara attempted to legitimate their rule and grounds the splendor of Hiraizumi in the desires political and personal of the men and women who sponsored and displayed that art **Books on Japan in Western Languages Recently Acquired by the National Diet Library**

Kokuritsu Kokkai Toshokan (Japan),1997 *Beyond the Realm of the Senses* Raechelle Rubinstein,2022-07-04 This book is the first comprehensive study of the practice of kekawin composition in Bali Based on field research and a diverse range of palm leaf texts it explores Balinese perceptions of kekawin composition and demonstrates the nexus between religion and the writing of these poems Like kekawin from ancient Java Balinese kekawin have been conceived as a mystical means of unification with divinity as temples of language In the first part of the book Bali is shown to be a society of religious literacy and alphabet magic and the religious beliefs that underpin literary activity are examined The second part explores Balinese conceptions of the practice of kekawin composition as literary yoga Both the priestly identity of poets and the act of composing as a religious ritual are considered The final section investigates the craft of composition through texts that concern prosody poetics and orthography the Canda the Bhasaprana and the Swarawyanjana **Dancing Into Darkness** Sondra Horton Fraleigh,1999-07-15 Butoh also known as dance of darkness is a postmodern dance form that began in Japan as an effort to recover the primal body or the body that has not been robbed as butoh founder Tatsumi Hijikata put it Butoh has become increasingly popular in the United States and throughout the world diversifying its aesthetic while at the same time asserting the power of its spiritual foundations Dancing into Darkness is Sondra Horton Fraleigh s chronological diary of her deepening understanding of and appreciation for this art form as she moves from a position of aesthetic response as an audience member to that of assimilation as a student of Zen and butoh Fraleigh witnesses her own artistic and personal transformation through essays poems interviews and reflections spanning twelve years of study much of it in Japan Numerous performance photographs and original calligraphy by Fraleigh s Zen teacher Shodo Akane illuminate her words

Ancient West Asian Civilization Akira Tsuneki,Shigeo Yamada,Ken-ichiro Hisada,2016-08-19 This book explores aspects of the ancient civilization in West Asia which has had a great impact on modern human society agriculture metallurgy cities writing regional states and monotheism all of which appeared first in West Asia during the tenth to first millennia BC The

editors specifically use the term West Asia since the Middle East is seen as an Eurocentric term By using this term the book hopes to mitigate potential bias i e historical and Western by using a pure geographical term However the West Asia region is identical to that of the narrower Middle East which encompasses modern Iran and Turkey from east to west and Turkey and the Arabian Peninsula from north to south This volume assembles research from different disciplines such as the natural sciences archaeology and philology linguistics in order to tackle the question of which circumstances and processes these significant cultural phenomena occurred in West Asia Scrutinizing subjects such as the relations between climate geology and human activities the origins of wheat cultivation and animal domestication the development of metallurgy the birth of urbanization and writing ancient religious traditions as well as the treatment of cultural heritage the book undertakes a comprehensive analysis of West Asian Civilization that provided the common background to cultures in various areas of the globe including Europe and Asia These contributions will attempt to demonstrate a fresh vision which emphasizes the common cultural origin between Europe and West Asia standing in opposition to the global antagonism symbolized by the theory of Clash of Civilizations
